Pathways To God Living Flame Series:

The Chela and the Path El Morya,1976-01 The Chela and the Path contains personal instruction from El Morya for all spiritual seekers and chelas students of a spiritual teacher With the incomparable skill of a Zen master El Morya teaches us to become who we are to see beneath the surface of daily life He teaches of the divine light above and the divine light below and the many layers of awareness that surround the soul This book is foundational for those who would not only know their true potential but fulfill it

The Path of Self Transformation Mark L. Prophet,Elizabeth Clare Prophet,2010-08-20 Who is Christ Who is Antichrist Both are present in the world as well as within ourselves How do we tell them apart especially when the strategies of Antichrist are subtle and calculated to deceive The Path of Christ or Antichrist provides clarity and insight into the most important choice that we make in life to be or not to be who we really are This is a choice we affirm with each decision large or small that we make in life The authors outline the difference between Christ and Antichrist and hence the choices that we all face on the path to spiritual enlightenment and self mastery They offer new interpretations of the age old battle between light and darkness and how it affects our daily lives along with spiritual techniques to guard our consciousness and direct spiritual light and energy for the blessing and healing of all life

The Path to No-Self Bernadette Roberts,1991-10-18 This book shows how once we have adjusted to the unitive state the spiritual journey moves on to yet another more final ending In our major religious traditions the outstanding milestone in the spiritual journey is the permanent irreversible transcendence of the self center or ego The fact that a great deal has been written about the journey to this point means that many people have come this far But what we might ask comes next Looking ahead we see no path even in the literature there seems to be nothing beyond an abiding awareness of oneness with God Had this path been mapped in the literature then at least we would have known that one existed but where no such account exists we assume there is no path and that union of self and God is the final goal to be achieved The main purpose of The Path to No Self is to correct this assumption It verifies that a path beyond union does indeed exist that the eventual falling away of the unitive state happens as the culmination of a long experiential journey beyond the state The author shows that a path exists between the transcendence of the ego self center which begins the unitive state and the later falling away of all self the true self which ends the unitive state As a first hand account The Path to No Self will be of interest to those with similar experiences or those searching for a better understanding of their own spiritual journey Since the journey is concerned with the effects of grace on human consciousness the book will be of interest to those psychologists concerned with the transformational process

Paths of Light and Darkness Mark L. Prophet,Elizabeth Clare Prophet,2020-01-01 The battle of Light and Darkness is not new In fact it extends far beyond recorded history and even beyond this planet Prophecy speaks of Armageddon and tells us there will be an end to this battle We are on stage for what may be the final scene But the choices we make will determine the outcome Most importantly we need to know what we are

dealing with We see good and evil in the news each day But what is really acting behind the scenes What is the battle all about And what is the plan of the enemy Paths of Light and Darkness reveals some of the key strategies in this battle It is fought on many fronts From the drug conspiracy to genetic engineering to extraterrestrials the dots are all connected Most importantly the battle is fought in the hearts and minds of men And therefore it is something we will all face sooner or later For those who are ready this volume in the landmark Climb the Highest Mountain series opens a new door Here you can learn how to navigate through the paths of Light and Darkness that define the world of the twenty first century Find out why you are here Find out why they are here And most importantly find out what you can do about it Heroic Path John Sowers,2025-05-01 God designed men to live with risk adventure and danger But today's man has no rites of passage no elders no map to manhood He may physically be an adult but still wonders Am I a man When John Sowers twin daughters were born he felt exposed thinking manhood was out of reach He needed direction Following in the steps of ordinary men and the heroes of history legend and myth he uncovered a new and ancient road Walk with John on his personal quest to discover the wild masculine and to become all that God intended men to be From a thrilling brush with Kodiak bears in Alaska to a war hero who rescued his comrades in the Valley of Death from mythic heroes of Tolkien to the footsteps of the One True Myth as Jesus walked from village into the wilderness and back again Stunningly written this revolutionary book calls older men out of complacency and younger men out of confusion It calls all men into the greater Story into a life of sacrificial love holy defiance and clear purpose The Path of the Universal Christ Mark L.
