**The Affordable Care Act** Guy B. Faguet,2013 The U S offers a high standard of medical care few countries can match Indeed most medical innovations originate in the U S and are adopted more widely and sooner than elsewhere the FDA ensures the efficacy and safety of drugs biological products and medical devices and health professionals are well trained knowledgeable and responsible Yet despite Best in the World claims in some American quarters the U S health system lags behind those of many industrialized countries in access quality of care and affordability It is best characterized as a non system that denies access to millions of Americans and drives millions more into bankruptcy Unlike politically correct books that shun controversial issues this book offers an objective factual and forthright critique of all segments of the current and projected health system under America s Affordable Care Act It shows that responsibility for the inequitable and costly health system rests on caregivers and consumers insurance and drug companies malpractice attorneys and even policy makers

whose self interest must be subordinated to the general good in order to curb the profit driven health industry they helped create and endow America with an affordable and equitable universal health system responsive to its citizens healthcare needs while remaining even handed to providers and suppliers as proposed in the last chapter Publisher information

**Congressional Record Index**, 1997 Includes history of bills and resolutions      **Congressional Record** United States. Congress, 2001 The Congressional Record is the official record of the proceedings and debates of the United States Congress. It is published daily when Congress is in session. The Congressional Record began publication in 1873. Debates for sessions prior to 1873 are recorded in *The Debates and Proceedings in the Congress of the United States* 1789-1824, the *Register of Debates in Congress* 1824-1837, and the *Congressional Globe* 1833-1873      **Medicare Balanced Budget Act Refinements** United States.
