With contributions from musicologists historians sociologists anthropologists and literary scholars this book provides an interdisciplinary perspective on how different modes of musical sociability ranging from opera performances to collective singing and internet fan communities inspire imagined communities that not only transcend national borders but also challenge the boundaries between the self and the other While the relationship between music and nationhood has been

widely r **Ezra Pound** Betsy Erkkila, 2011-03-03 No one better symbolizes the course of modern literature its triumphs and defeats than Pound From the dreaminess and aestheticism of his early poems to his Imagist and Vorticist manifestos to the formally experimental method and mythic engagement with history in The Cantos Pound marks the path that modern and postmodern poetry would follow This collection provides a documentary record of the reviews of Ezra Pound s work in contemporary journals and newspapers an introduction that traces the public outrage and controversy that characterized Pound s reception and checklists of all known reviews of Pound s work Most of the major poets and critics of the twentieth century reviewed Pound s work including T S Eliot Ford Maddox Ford William Carlos Williams and Edmund Wilson Their multiple perplexed and sometimes hostile responses to his work provide a rich record of the struggles that marked the emergence of modern and contemporary poetry and poetics **Word-by-Word Translations of Songs and Arias, Part II**

Daniel Harris, Arthur Schoep, 1993-11-01 This classic text first published in 1972 has withstood the test of time as a teaching aid for English speaking singers teachers coaches and accompanists in order that their art may be more communicative to the public These word by word translations of songs and arias allow the artist to properly interpret and express the feelings and emotions that the words require at the proper time **British Women Travellers in the Long Nineteenth Century**

Marilyn D. Button, Jessica A. Sheetz-Nguyen, 2025-03-05 During the long nineteenth century British women reframed the masculine paradigm of the Grand Tour They created a feminist travel gaze intentionally or unintentionally that differed from that of male peers Unlike their brothers who went for personal edification women with means left their English homes for the great Italian cities of Florence Naples and Rome to escape personal disappointments and the social limitations imposed by parents spouses and society The anonymity of travel to a distant land and new freedoms fostered political and creative achievements including entrepreneurial journalism literary masterpieces and social advocacy for their gender which redefined the contours of the Anglo Italian cultural landscape The historical evidence presented here testifies to the life changing capacity of travel and firmly demonstrates how British women s history and literature enriches and broadens narratives about Britain and the World **Azerbaijan** Suha Bolukbasi, 2013-10-01 Azerbaijan s Soviet and post Soviet political history has been tumultuous and varied particularly with regard to the struggle for independence democracy and

sovereignty Suha Bolukbasi here illustrates how post Stalin resilience the tolerance shown toward subtle nationalist expression and Gorbachev s relaxation of central control from Moscow were all in part responsible for the initial emergence of a more liberal atmosphere in Azerbaijan As a result issues such as Moscow s responsibility for environmental degradation the depletion of Azerbaijan s oil and unfavourable terms of trade have all begun to be freely discussed However the Azerbaijan Armenia dispute over Karabagh has had a dramatic impact on the political discourse The dispute has become not only an international conflict but one which involves the lives of more than one million refugees This book shows how Azerbaijan s recent political history both domestic and international has influenced the development of the country and the history of the surrounding region
