

PATRIARCHY

DEFINITION

In sociology, patriarchy is described as a form of social organization where cultural and institutional beliefs and values are dominated by men. This leads to male-oriented decision-making and social organization. Patriarchy literally means the "rule of the fathers" (the opposite, matriarchy, means "role of the mothers").

EXAMPLE

Patriarchal Legal system

In patriarchal societies, the laws and rules are biased towards males. Legal provisions and laws are in favor of men, which leaves women exposed. For example, a patriarchal legal system may require men to sign documents on behalf of their wives.
