Kristina Boréus,Göran Bergström,2017-02-25 A unique anthology of textual analysis methodologies this book offers a thorough introduction to the key approaches and the tools students need to implement them Every chapter contains not just the theory behind each methodology but also its advantages and disadvantages its problems with ontology and language and its relationship to studying social phenomenon Through contemporary and relatable real world worked examples the book illustrates different contexts in which a methodology has been successfully used and allows students to see the methods in action and extrapolate the techniques into their own research Methods included Content analysis Argumentation analysis Qualitative analysis of ideas Narrative analysis Metaphor analysis Multimodal discourse analysis Discourse analysis Engaging and authoritative in equal measure this guide to textual analysis is the perfect foundation for students conducting research in the social sciences **Mmusi Maimane** S'Thembisio Msomi,2016-07-01 Mr Maimane good evening to you and with the greatest of respect who are you This is how journalist Jeremy Maggs began his television interview with Mmusi Maimane in 2011 when he was unveiled as the Democratic Alliance s mayoral candidate for Johannesburg Since then the charismatic Maimane s rise from obscurity to leader of the DA in 2015 has been nothing short of meteoric His anointment as leader of the DA made history marking the completion of this political party s transformation from a white political party to one whose new leader shared similar experiences to those of the majority of voters Yet there are those even within the party who denounce Maimane as nothing more than a puppet dancing to the tune of former leader Helen Zille and Eastern Cape leader Athol Trollip So who is the real Maimane Experienced political reporter S thembisio Msomi goes behind the scenes to examine how and why Maimane rose to head up the opposition party He delves into Maimane s formative years his time at the pulpit in the church and his family to bring substance to the man Msomi also examines Maimane s first year as head of the DA in the run up to the local government elections assessing how this young man has negotiated the often treacherous waters of political power Finally the author attempts to answer these burning questions is Maimane his own man and can he deliver the electorate that the DA so fervently desires **History of South Africa** Thula Simpson,2022-09-01 South Africa was born in war has been cursed by crises and ruptures and today stands on a precipice once again This book explores the country s
