*Patterson's History of Victoria County, Cape Breton, Nova Scotia* George Geddie Patterson, 1978      *Patterson's History of Victoria County, Cape Breton, Nova Scotia ; with Related Papers* George Geddie Patterson, 1978      **Beyond the Atlantic Roar** Donald Fraser Campbell, Douglas F. Campbell, R. A. MacLean, 1974 Blending the skills of sociology and history the authors focus on the changing values of the Scots and the threatened disappearance of their distinctive lifestyle      *In the Morning* W. James MacDonald, Bonnie Thornhill, 1999      **Reappraisals of British Colonisation in Atlantic Canada, 1700-1930** Kehoe Karly Kehoe, 2020-05-01 This collection offers new perspectives on the legacy of British colonisation by concentrating on Atlantic Canada Nova Scotia New Brunswick Newfoundland and Prince Edward Island a region that was pivotal to safeguarding Britain's imperial ambitions between 1750 and 1930 New and established researchers from Canada Scotland and the United States engage with the core themes of migration dispossession religion identity and commemoration in a way that diverges markedly from existing scholarship The research shines much needed light on groups traditionally excluded from Britain's broader imperial narrative highlighting the indigenous experience and the presence and agency of slaves free people of colour and religious minorities      *Catalogue of the Library of King's College, Windsor, Nova Scotia, with Occasional Annotations* by Harry Piers King's College, University of, Windsor, N.S. Library, 1893      **Cape Breton in the Long Twentieth Century** Lachlan MacKinnon, Andrew Parnaby, 2024-03-26 The emergence dominance and alarmingly rapid retreat of modernist industrial capitalism on Cape Breton Island during the long twentieth century offers a particularly captivating window on the lasting and varied effects of deindustrialization Now at the tail end of the industrial moment in North American history the story of Cape Breton Island presents an opportunity to reflect on how industrialization and deindustrialization have shaped human experiences Covering the period between 1860 and the early 2000s this volume looks at trade unionism state and cultural responses to deindustrialization including the more recent pivot towards the tourist industry and the lived experiences of Indigenous and Black people Rather than focusing on the separate or distinct nature of Cape Breton contributors place the island within broad transnational networks such as the financial world of the Anglo Atlantic the Celtic music revival the Black diaspora Canadian development programs and more In capturing the vital elements of a region on the rural resource frontier that was battered by deindustrialization the histories included here show how the interplay of the state cultures and transnational connections shaped how people navigated these heavy pressures both individually and collectively      **Dictionary of Cape Breton English** William J. Davey, Richard MacKinnon, 2016-01-01 The first regional dictionary devoted to the island's linguistic and cultural history the Dictionary of Cape Breton English is a fascinating record of the island's rich vocabulary      [The Island of Seven Cities](#) Paul Chiasson, 2013-09-10 The Island of Seven Cities unveils the first tangible proof that the Chinese settled in the New World before Columbus In the summer of 2003 architect Paul Chiasson decided to climb a mountain he had never explored on Cape Breton Island where eight

generations of his Acadian family had lived One of the oldest points of exploration and settlement in the Americas with a written history dating back to the first days of European discovery Cape Breton is littered with remnants of old settlements But that day Chiasson found a road that was unique Well made and consistently wide and at one time clearly bordered with stone walls the road had been a major undertaking But he could find no record of it In the two years of detective work that followed Chiasson systematically surveyed the history of Europeans in North America and came to a stunning conclusion the ruins he had stumbled upon an entire townsite on a mountaintop did not belong to the Portuguese the French the English or the Scots And they predated John Cabot's 1497 discovery of the island Using aerial and site photographs maps and drawings and his own expertise as an architect Chiasson re-creates how he pieced together the clues to one of the world's great mysteries a large Chinese colony existed and thrived on Canadian shores well before the European Age of Discovery He addresses how the ruins had been previously overlooked or misunderstood and how the colony was abandoned and forgotten in China and in the New World And he discovers the traces the colony left in the storytelling and culture of the Mi'kmaq whose written language clothing technical knowledge religious beliefs and legends he argues expose deep cultural ties to China A gripping account of an earth-shaking discovery *The Island of Seven Cities* will change the way we think about our world **Subject Catalog** Library of Congress,1979 *The Making of a Rebel* Katherine Stirling Kerr Cawsey,1998

*Urban Government and the Early Stuart State* Catherine F. Patterson,2022 Examines relations between centre and localities in seventeenth century England by looking at early Stuart government through the lens of provincial towns This book investigates relations between centre and localities in seventeenth century England by looking at early Stuart government through the lens of provincial towns Focusing particularly on incorporated boroughs it emphasises the distinctive circumstances that shaped governance in provincial towns and the ways towns contributed to the state Royal charters of incorporation legally defined patterns of self government and local liberties in corporate boroughs but they also created a powerful bond to the crown The book argues that a dynamic tension between local autonomy and connection to the centre drove relations between towns and the crown in this period as borough governments actively sought strong ties with central authority while also attempting to preserve their chartered liberties It also argues that the 1620s and 1630s ushered in new patterns in the crown's relations with incorporated boroughs as Charles I's regime hardened policies towards urban localities Based on extensive original research in both central government records and the archives of a wide range of provincial towns the book covers critical aspects of interaction between towns and the crown including incorporation and charters governance and political order social regulation trade financial and military exactions and religion *Traditional Gaelic Bagpiping, 1745-1945* John Graham Gibson,1998 The definitive history of traditional Scottish Gaelic bagpiping

*Scottish Exodus* James Hunter,2011-03-25 Millions of Scots have left their homeland during the last 400 years Until now they have been written about in general terms *Scottish Exodus* breaks new ground by taking particular emigrants drawn

from the once powerful Clan MacLeod and discovering what happened to them and their families These people became among other things French aristocrats Polish resistance fighters Texan ranchers New Zealand shepherds Australian goldminers Aboriginal and African American activists Canadian mounted policemen and Confederate rebels One nineteenth century MacLeod even went so far as to swap his Gaelic for Arabic and his Christianity for Islam before settling down comfortably in Cairo This gripping account of Scotland's worldwide diaspora is based on unpublished documents letters and family histories It is also based on the author's travels in the company of today's MacLeods some of them still in Scotland others further afield Scottish Exodus is a tale of disastrous voyages famine and dispossession the hazards of pioneering on faraway frontiers But it is also the moving story of how people separated from Scotland by hundreds of years and thousands of miles continue to identify with the small country where their journeyings began **Victoria County Centennial History** Watson Kirkconnell, 1921 National Union Catalog , Includes entries for maps and atlases **A Pleasing Prospect** Shani D'Cruze, 2008 Based on extensive primary source research this historical account considers the changing identity of 18th century Colchester from the perspective of its middling sort a section of society often attached to cultures of politeness and to the practices of consumption and production that helped shape economic change Painstakingly reconstructing 18th century social networks along lines of family kinship gender spatiality religion and politics this study examines the relationships between individual and family biographies while reflecting on provincial urban society and culture The guide explores how Colchester capitalized on growth in agriculturally based industries such as brewing milling and malting and its role as an east coast port and its participating in the urban renaissance and commodification of polite culture **Canadiana** , 1979 *The Life of John André* D. A. B. Ronald, 2019-01-19 This biography of Britain's spy chief during the Revolutionary War sheds new light on his conspiracy with Benedict Arnold and his mysterious capture John Andr was head of the British Army's Secret Service in North America as the Revolutionary War entered its most decisive phase In 1780 he masterminded the defection of the high ranking American general Benedict Arnold As the commander of West Point Arnold agreed to turn the strategically vital fort over to the British Andr and Arnold also conspired to kidnap George Washington The secret negotiations between Arnold and Andr were protracted and fraught with danger Arnold's wife Peggy acted as go between until September 21st 1780 when the two men met face to face in no man's land But then Andr was captured forty eight hours later having broken every condition set by his commanding officer he was within American lines wearing civilian clothes and carrying maps of West Point in his boots When he announced himself as a spy the Americans had no recourse Tried by a military tribunal he was convicted and hanged Andr's motives for his apparent sacrifice have baffled historians for generations This biography provides a provocative answer to this mystery explaining not only why he acted as he did but how he wished others to see his actions Gaelic Influence in the Northumbrian Kingdom Fiona Edmonds, 2019 WINNER OF THE FRANK WATSON BOOK PRIZE 2021 SHORTLISTED IN SCOTLAND'S NATIONAL BOOK AWARDS 2021 The first full

scale interdisciplinary treatment of the wide ranging connections between the Gaelic world and the Northumbrian kingdom Northumbria was the most northerly Anglo Saxon kingdom its impressive landscape featured two sweeping coastlines which opened the area to a variety of cultural connections This book explores influences that emanated from the Gaelic speaking world including Ireland the Isle of Man Argyll and the kingdom of Alba the nascent Scottish kingdom It encompasses Northumbria s Golden Age the kingdom s political and scholarly high point of the seventh and early eighth centuries and culminates with the kingdom s decline and fragmentation in the Viking Age which opened up new links with Gaelic Scandinavian communities Political and ecclesiastical connections are discussed in detail the study also covers linguistic contact material culture and the practicalities of travel bringing out the realities of contemporary life This interdisciplinary approach sheds new light on the west and north of the Northumbrian kingdom the areas linked most closely with the Gaelic world Overall the book reveals the extent to which Gaelic influence was multi faceted complex and enduring Dr FIONA EDMONDS is Reader in History and Director of the Regional Heritage Centre at Lancaster University
