Burning Darkness Joan Ramon Resina,2008-07-16 From the origins of the New Spanish Cinema in the 1950s to the end of the last century *Burning Darkness* features essays on a selection of essential films by Spain's most important directors including Pedro Almodóvar Luis Buñuel Víctor Erice Ventura Pons and others Contributors focus on current theoretical debates and issues of representation politics cultural identity and aesthetics Rather than historically surveying Spanish films the book encourages a deep reading of these essential works and the ways they cast light on specific aspects of Spanish society and its recent history Accessibly written it will appeal not only to students and scholars but also to anyone interested in Spanish cinema *Indiscreet Fantasies* Andrés Lema-Hincapié,Conxita Domènech,2020-11-13 *Indiscreet Fantasies Iberian Queer Cinema* is a collection of fifteen essays each focusing on a queer film by a prominent Iberian filmmaker The films studied here span nearly five decades beginning with Narciso Ibáñez Serrador's *La residencia* *The House That Screamed* 1970 and ending with João Pedro Rodrigues' *Ornithology* 2016 The first of its kind for English speaking readers this book examines the work of filmmakers Ventura Pons Cesc Gay Marta Ballebó Coll Paulo Rocha Roberto Castán Ignacio Vilar and Pedro Almodóvar among others from various Iberian cultural and linguistic cultures including that of Portugal Catalonia Galicia and the Basque Country Rather than presenting a historical survey of Iberian queer films *Indiscreet Fantasies* encourages a deep reading of each film sends readers to other related films writings and fosters meditation on the ways these films cast light on particular moments and aspects of contemporary Iberian queer issues in history and society Gay Directors, Gay Films? Emanuel Levy,2015-08-25 Through intimate encounters with the life and

work of five contemporary gay male directors this book develops a framework for interpreting what it means to make a gay film or adopt a gay point of view For most of the twentieth century gay characters and gay themes were both underrepresented and misrepresented in mainstream cinema Since the 1970s however a new generation of openly gay directors has turned the closet inside out bringing a poignant immediacy to modern cinema and popular culture Combining his experienced critique with in depth interviews Emanuel Levy draws a clear timeline of gay filmmaking over the past four decades and its particular influences and innovations While recognizing the queering of American culture that resulted from these films Levy also takes stock of the ensuing conservative backlash and its impact on cinematic art a trend that continues alongside a growing acceptance of homosexuality He compares the similarities and differences between the North American attitudes of Todd Haynes Gus Van Sant and John Waters and the European perspectives of Pedro Almodóvar and Terence Davies developing a truly expansive approach to gay filmmaking and auteur cinema

Fashioning Spain Francisco Fernández de Alba, Marcela T. Garcés, 2021-05-06 Fashioning Spain is a cultural history of Spanish fashion in the 20th and 21st centuries a period of significant social political and economic upheaval As Spain moved from dictatorship to democracy and most recently to the digital age fashion has experienced seismic shifts The chapters in this collection reveal how women empowered themselves through fashion choices detail Balenciaga's international stardom present female photographers challenging gender roles under Franco's rule and uncover the politicization of the mantilla In the visual culture of Spanish fashion tradition and modernity coexist and compete reflecting society's changing affects Using a range of case studies and approaches this collection explores fashion in films comics from la Movida Rosal's music videos and both brick and mortar and virtual museums It demonstrates that fashion is ripe with historical meaning and offers unique insights into the many facets of Spanish cultural life

Postmodernity in Spanish Fiction and Culture Yaw Agawu-Kakraba, 2010-10-15 Postmodernity in Spanish Fiction and Culture attempts a concise approach to the question of postmodernity in Spain since the advent of democracy The study presents Spain as one of the most postmodern of all European nations and argues that exclusive social and cultural experiences such as the movida the desencanto political pasotismo immigration globalization and terrorism are not only patently Spanish but also that in their totality they constitute a powerful postmodern current in Spain

Following Franco Duncan Wheeler, 2020-10-15 The transition to democracy that followed the death of Spanish dictator Francisco Franco in 1975 was once hailed as a model of political transformation But since the 2008 financial crisis it has come under intense scrutiny Today a growing divide exists between advocates of the Transition and those who see it as the source of Spain's current socio political bankruptcy This book revisits the crucial period from 1962 to 1992 exposing the networks of art media and power that drove the Transition and continue to underpin Spanish politics in the present Drawing on rare archival materials and over three hundred interviews with politicians artists journalists and ordinary Spaniards including former prime minister Felipe Gonzalez 1982-96 Following Franco unlocks the complex and often contradictory

narratives surrounding the foundation of contemporary Spain **Toward a Cultural Archive of la Movida** William J. Nichols, H. Rosi Song, 2013-11-26 Toward a Cultural Archive of la Movida revisits the cultural and social milieu in which la Movida an explosion of artistic production in the late 1970s and early 1980s was articulated discursively aesthetically socially and politically We connect this experience with a broader national and international context that takes it beyond the city of Madrid and outside the borders of Spain This collection of essays links the political and social undertakings of this cultural period with youth movements in Spain and other international counter cultural or underground movements Moving away from biographical experiences or the identification of further participants and works that belong to la Movida the articles collected in this volume situate this movement within the political and social development of post Franco Spain Finally it also offers a reading of recent politically motivated recoveries of this cultural phenomenon through exhibitions state sponsored documentaries musicals or tourist itineraries The perception of Spain as representative of a successful dual transition from dictatorship to democracy and free market capitalism created a Spanish model that has been emulated in countries like Portugal Argentina Chile and Hungary all formerly ruled by totalitarian regimes While social scientists study the promises contradictions and failures of the Spanish Transición especially on issues of memory repression and the lack of reconciliation our approach from the humanities offers another vantage point to a wider discussion of an unfinished chapter in recent Spanish history by focusing on la Movida as the cultural archive whose cultural transitions parallel the political and economic ones The transgressive urban nature of this movement demonstrated an overt desire especially among Spanish youth to reach onto a global arena emulating the punk and new wave aesthetic of such cities as London New York Paris and Berlin Art design film music fashion during this period helped to forge a sense of a modern urban identity in Spain that also reflected the tensions between modernity and tradition global forces and local values international mass media technology and regional customs [Look Who's Laughing](#) Gail Finney, 2014-07-10 First Published in 1994 Look Who's Laughing belies the notion that in a joke the only place for a woman is in the butt Rather than analysing women's humor in isolation Gail Finney and twenty scholars map the terrain that the genders share and the areas that each hold exclusively Their essays investigate witty heroines sexual parodies domestic humor and romantic power They focus on comic drama and fiction stand up comedy cartoons and film describing the roles gender has played in the creation reception and interpretation of comedy from the sixteenth century to present They consider works by Shakespeare Oscar Wilde Zora Neale Hurston and Virginia Woolf whilst discussing characters such as V I Warshawski Molly Bloom and Elizabeth Bennet The book's emphasis on comedy's diverse sources uncovers critical prejudices and defines new contexts enabling men and women to understand more about each other's attitudes towards humor its means and ends **A Companion to Pedro Almodóvar** Marvin D'Lugo, Kathleen M. Vernon, 2013-02-22 A Companion to Pedro Almodóvar Marvin D Lugo and Kathleen M Vernon give us the ideal companion to Pedro Almodóvar's films Established and emerging writers offer a rainbow of insights for fans as well as

academics Jerry W Carlson Professor of Film Studies The City College Graduate Center CUNY Rarely has a contemporary film artist been treated to the kind of broad rich discussion of their work that can be found in *A Companion to Pedro Almodóvar* Richard Pe a Professor of Film Studies Columbia University Once the enfant terrible of Spain's youth culture explosion the Movida Pedro Almodóvar's distinctive film style and career longevity have made him one of the most successful and internationally known filmmakers of his generation Offering a state of the art appraisal of Almodóvar's cinema this original collection is a searching analysis of his technique and cultural significance that includes work by leading authorities on Almodóvar as well as talented young scholars Crucially included here are contributions by film historians from Almodóvar's native Spain where he has been undervalued by the academic and critical establishment With a balance between textual and contextual approaches the book expands the scope of previous work on the director to explore his fruitful collaborations with fellow professionals in the areas of art design fashion and music as well as the growing reach of a global Almodóvar brand beyond Europe and the United States to Latin America and Asia It also proposes a reevaluation of the political meanings and engagement of his cinema from the perspective of the profound cultural and historical upheavals that have transformed Spain since the 1970s

Women on the Verge of a Nervous Breakdown Peter William Evans, 2021-04-08 Pedro Almodóvar's 1988 black comedy melodrama *Women on the Verge of a Nervous Breakdown* established its director as one of the most exciting of European film making talents An often hilarious study of sexual mores *Women on the Verge* has a central character Pepa Carmen Maura as warm and richly drawn as any modern film heroine Made strong and self reliant by suffering in a troubled relationship Pepa is the centre of a network of lovers friends and family who represent a vivid cross section of Spanish society Peter William Evans provides a formidable analysis of Almodóvar's insights into gender sexuality and identity Evans sees *Women on the Verge* as concerned with the often tyrannical spell of sexual desire and the anxieties of relationships and families but also with the possibilities for personal liberation He discusses the film in the context of the history of Spain and the social revolution that occurred after the death of Franco In his foreword to this new edition Evans reflects upon *Women on the Verge* in the light of Almodóvar's subsequent films and the impact of Carmen Maura's performance as Pepa on the representation of women in Spanish cinema
