Klee-Gesellschaft, Berne

Paul Klee Part I Documents Pictures Fr:

The Diaries of Paul Klee, 1898-1918 Paul Klee, 1968-06 Paul Klee was endowed with a rich and many sided personality that was continually spilling over into forms of expression other than his painting and that made him one of the most extraordinary phenomena of modern European art These abilities have left their record in the four intimate Diaries in which he faithfully recorded the events of his inner and outer life from his nineteenth to his fortieth year Here together with recollections of his childhood in Bern his relations with his family and such friends as Kandinsky Marc Macke and many others his observations on nature and people his trips to Italy and Tunisia and his military service the reader will find Klee s crucial experience with literature and music as well as many of his essential ideas about his own artistic technique and the creative process

Paul Klee and His Illness H. Suter, 2010-02-01 In 1933 Paul Klee s work was branded as Entartete Kunst Degenerate Art by the National Socialists and he was dismissed from his professorial post at the D sseldorf Academy of Fine Arts This led him together with his wife Lily to return to his real home of Bern Here his avant garde art was not understood and Klee found himself in unasked for isolation In 1935 Klee started to suffer from a mysterious disease The symptoms included changes to the skin and problems with the internal organs In 1940 Paul Klee died but it was only 10 years after his death that the illness was actually given the name scleroderma in a publication about Klee However the diagnosis remained mere conjecture Since his adolescence the dermatologist and venereologist Dr Hans Suter has been fascinated by Paul Klee and his art and more than 30 years ago this fascination spurred him to commence research into the illness and its influence on the art of Paul Klee s final years It was due to Dr Suter s meticulous investigations that Klee s illness could be defined as diffuse systemic sclerosis In this book the author assembles his findings and describes the rare and complex disease in a clear and comprehensible way Further he empathetically interprets more than 90 of Klee s late works The point of view of a dermatologist renders a unique source of information It provides on one hand new insights into everyday medical practices at the University of Bern in the 1930s which will fascinate doctors and local historians alike While on the other hand art historians and art lovers will be absorbed by the newly discovered links between Paul Klee s work and his illness

Paul Klee Christine Hopfgart, Michael Baumgartner, Fabienne Eggelhöfer, Osama Okuda, 2020-01-01 Paul Klee 1879 1940 ist einer der bedeutendsten Vertreter der modernen Kunst Er schuf ein ebenso universales wie individuelles Werk das zwischen allen Str mungen und Ismen seiner Zeit steht Sein gewaltiges malerisches zeichnerisches und bildnerisches uvre seine Briefe und Tagebuchaufzeichnungen und nicht zuletzt seine p dagogischen Notizen bilden den Hintergrund f r diese pointierte Darstellung zu Leben und Werk des meditativen K nstlers und visuellen Denkers Der reich bebilderte Band zeichnet Klees bewegte Biografie nach und spannt den Bogen von Klees k nstlerischen Anf ngen mit karikaturistischen Zeichnungen und Akten ber seine Begegnung mit der Avantgarde und die ber hmten Aquarelle der Tunisreise oder die abstrakten Farbkompositionen der Bauhaus Zeit bis zu den geheimnisvollen Bildfindungen seiner letzten Jahre in Bern

The Making of Paul Klee's Career, 1914-1920 Otto Karl Werckmeister, 1989-07-10 Paul Klee one of the preeminent artists of the twentieth century was associated with all of the major movements of the first half of the century expressionism cubism surrealism and abstraction In this economic and political history O K Werckmeister traces Klee's career as a professional artist concentrating on the years 1914-20 in which Klee rose from obscurity to recognition in the visual culture of the incipient Weimar Republic Werckmeister reveals the degree to which Klee who has been traditionally portrayed as aloof from politics and the vicissitudes of the art market was subject to and interacted with material conditions Drawing on rich documentary evidence records of Klee's sales reviews of his exhibitions the artist's published writings about his art unpublished correspondence as well as contemporary criticism Werckmeister follows Klee's transformation from an idiosyncratic abstract individualist to a metaphysical storyteller to mystical sage Werckmeister argues that this latter image was promoted by a number of influential art critics and dealers acting in cooperation with the artist himself This posture prompted Klee's success first in the war weary modernist art world of 1916-18 and then in the pseudo revolutionary art world of 1919-20 This work is a critical challenge to the myth of Klee's art and to the hagiography of his artistic personality Werckmeister's historical account is sure to be a controversial yet significant contribution to Klee studies one that will change the nature of Klee scholarship for some time to come

Paul Klee Kathryn Porter Aichele, 2006 Sumario The artist poet painter I am a poet after all The poetic and the pictorial A poetic personal idea of landscape Harmonizing architectonic and poetic painting Poems in pictorial script Klee and concrete poetry What counts as poetry **Paul Klee** Annie Bourneuf, 2015-07-20 The book offers a new original look at the great European modernist Paul Klee and the interplay of word and image in the work he produced after WWI when the European avant garde was at its most adamant Bourneuf asks why was it that Klee immersed himself in crossings of image and text at the same time that so much avant garde art focused fiercely on the visual She proposes that Klee created forms that hover between the pictorial and the written to provoke the viewer to look slowly and contemplatively a mode of viewing the artist saw as both analogous to reading and threatened by new technological media such as film mass printing telephones and radio Bourneuf demonstrates how Klee's concern for the literary aspects of visual art is both the motive for and the means of his ironic play with modernist art theories and practices

Germany: a Documentation in Pictures Götz Fehr, Werner Rehfeld, 1970 Paul Klee Will Grohmann, 1957 *The Dot and the Line* Norton Juster, 2001 A straight line falls in love with a dot and develops his talents to form all kinds of geometric shapes in order to win her affections Catalogue of the Harvard University Fine Arts Library, the Fogg Art Museum Harvard University. Fine Arts Library, 1971 Making Sense of Sports Ellis Cashmore, 2010-09-13 Updated revised and enhanced with new features the fifth edition of Making Sense of Sports is the biggest and strongest yet Ellis Cashmore's unique multidisciplinary approach to the study of sports remains the only introduction to combine anthropology biology economics history philosophy psychology and sociology with cultural and media studies to produce a distinct unbroken vision

of the origins development and current state of sports New chapters on exercise culture and the moral climate of sports support a thoroughly overhauled text that includes fresh material on Islam sports commerce and corruption Now packed with teaching supplements including access to a dedicated online resource headquarters with video podcasts of twenty one chapter outlines from the author <http://tinyurl.com/373oyvr> online quizzes and an additional twenty first chapter on depression and mental health in sports and exercise the new edition contains a cornucopia of thought boxes as well as guides to further reading capsule explanations and model essays In short Making Sense of Sports is an all purpose introduction to the study of sports

Beckett in the Cultural Field / Beckett dans le champ culturel Jürgen Siess,Matthij Engelberts,Angela Moorjani,2013-12-06 The thematic part of this volume of Samuel Beckett Today Aujourd'hui is devoted mainly to Beckett's texts of the forties and later and particularly to those he composed after his adoption of the French language The essays presented in this part of the current issue attempt to see Beckett as a writer among other authors with whom he connects or competes to examine his relations with artists whether Beckett stimulates them or is stimulated by them and to define his posture and his position in the cultural field How does the budding francophone writer position himself in the cultural field during his difficult beginnings and after his first successes How can he be situated in relation to the three cultures he is dealing with What are the parallels between Beckett's own texts and those of other writers literary and philosophical but also between his work and the work of artists of the period The ten essays in the free space section of this volume also mainly concern his texts that were first written in French and situate Beckett in relation to different topics from Dante to the War on Terror

Handbook for Contemporary Photography Arnold Gassan,1977

Arnold Schoenberg's Journey Allen Shawn,2016-01-19 A composer's study and celebration of a difficult but influential artist his work and his time Proposing that Arnold Schoenberg 1874-1951 has been more discussed than heard more tolerated than loved composer Allen Shawn puts aside ultimate judgments about Schoenberg's place in musical history to explore the composer's fascinating world in a series of linked essays soundings that are more searching than analytical more suggestive than definitive In an approach that is unusual for a book of an avowedly introductory character the text plunges into the details of some of Schoenberg's works while at the same time providing a broad overview of his involvement in music painting and the history through which he lived Emphasizing music as an expressive art of rhythms and tones Shawn approaches Schoenberg primarily from the listener's point of view uncovering both the seeds of his radicalism in his early music and the traditional bases of his later work Although liberally sprinkled with musical examples the text can be read without them By turns witty personal opinionated and instructive Arnold Schoenberg's Journey is above all an appreciation of a great musical and artistic imagination in a time unlike any other

Metaplasticity in Virtual Worlds: Aesthetics and Semantic Concepts Mura, Gianluca,2010-11-30 The concept of virtual worlds is strongly related to the current innovations of new media communication As such it is increasingly imperative to understand the criteria for creating virtual worlds as well as the evolution in system architecture information

visualization and human interaction Meta plasticity in Virtual Worlds Aesthetics and Semantics Concepts provides in depth coverage of the state of the art among the best international research experiences of virtual world concept creations from a wide range of media culture fields at the edge of artistic and scientific inquiry and emerging technologies Written for professionals researchers artists and designers this text is a perfect companion for those who want to improve their understanding of the strategic role of virtual worlds within the development of digital communication **Paul Klee**

Klee-Gesellschaft, Berne,1951 **Memory, Trauma, and History** Michael S. Roth,2011-11-01 In these essays Michael S Roth uses psychoanalysis to build a richer understanding of history and then takes a more expansive conception of history to decode the cultural construction of memory He first examines the development in nineteenth century France of medical criteria for diagnosing memory disorders which signal fundamental changes in the understanding of present and past He next explores links between historical consciousness and issues relating to the psyche including trauma and repression and hypnosis and therapy Roth turns to the work of postmodern theorists in connection with the philosophy of history and then examines photography s capacity to capture traces of the past He considers how we strive to be faithful to the past even when we don t care about getting it right or using it productively Roth concludes with essays defending pragmatic and reflexive liberal education Drawing on his experiences as a teacher and academic leader he speaks of living with the past without being dominated by it **The Winchester Guide to Keywords and Concepts for International Students in Art, Media and Design** Annie Makhoul,Simon Morley,2014-06-25 This welcome new resource for international students in art design and media provides clear explanations of the terminologythey must master in order to fulfill their academic potential and enrich their professional careers Offers a much requested new resource that fills a gap in the academic market Tailored specifically to the needs of international students in art design and media Color coded key words and phrases for quick reference Includes sections on study skills academic expectations in Western institutions methodologies and important theorists An ideal handbook for curators and gallery staff everywhere for whom English is a non native language **The Visual**

Dynamics of Art, Black Care, and Ethics in South African Art Raél Jero Salley,2025-02-18 This book interprets relationships between art and ethics in the context of contemporary South African art Nearly three decades after inaugurating political freedom in a democratic form the infrastructure of South Africa faces palpable issues and challenges to the social fabric The social tension involves painful struggles for decolonization and violent debates about the removal of colonial statues change of colonial names transformation of universities and curriculum change This book does critical work in art history theory criticism and visual culture by looking from and looking after social differences to interpret the potential impact of contemporary media and mediation Artists examined include Zanele Muholi Mphahlele Modisekeng Dineo Seshee Bopape Hasan and Husain Essop and Kemang Wa Lehulere This book will be of interest to scholars working in art history contemporary art visual culture art theory ethics aesthetics philosophy of art and African studies **Singular Creatures**

Mark Kingwell, 2022-10-15 Anxiety about non human intelligent machines is a longstanding theme of cultural production and consumption Examples range from tales of golems and Frankenstein's monster to the evil overlord scenarios of contemporary film and television franchises Star Trek the Alien series and the Terminator sequence as well as Her Black Mirror Blade Runner Ex Machina and many other less mainstream cultural artifacts The source of this anxiety is clear Non human conscious entities may turn out to be superior to any biological form of life allowing a stride across human ambition in a moment dubbed the Singularity by AI insiders This is the turning point when non human entities advance and reproduce in a manner that surpasses and subjugates biological forms of intelligent life Although today's artificial intelligences fall notably short of this level of sophistication Mark Kingwell argues that we are already more than human in important ways and likely to become more so as time goes on In Singular Creatures Kingwell plumbs the depths of cultural and political meaning in the apparent transition to posthuman life Our immersion in technology now comprehensive to the point of invisibility has altered forever what it means to be alive The politics of posthumanism flow directly from our own situation at once dependent on technology and afraid of its effects on current and future experiences More than a century after playwright Karel apek coined the word robot rooted in the Czech robota meaning servitude or drudgery in his 1920 allegory about the alienation of forced labour leading to a violent workers revolt apek's central question continues to haunt us Can humans and their own creations co exist in a new cyberflesh world or is a struggle for superiority inevitable Singular Creatures is an attempt at sketching the field before any deadly battle is joined

When people should go to the ebook stores, search start by shop, shelf by shelf, it is really problematic. This is why we present the book compilations in this website. It will very ease you to look guide **Paul Klee Part I Documents Pictures Fr** as you such as.

By searching the title, publisher, or authors of guide you in point of fact want, you can discover them rapidly.
