Paul McCartneys Give My Regards To Broad Street:

Paul McCartney's Give My Regards to Broad Street Paul McCartney, 1984 **The Words and Music of Paul McCartney** Vincent P. Benitez Jr., 2010-03-23 This examination of the solo music of Paul McCartney from 1970-2007 offers an analysis of his songs, recordings, and his impact on popular music. *The Words and Music of Paul McCartney: The Solo Years* examines the large and varied oeuvre of this deeply personal artist, showing how McCartney's stint as a Beatle continues to inform his solo music as well as how he has transcended his days as a member of the Fab Four. After a biographical introduction, chronologically arranged chapters explore McCartney's music in the immediate aftermath of the breakup of the Beatles, his work with Wings during the 1970s, his collaborations with other artists during the 1980s, and his compositions of the 1990s, including his first forays into classical music. The examination also covers McCartney's critically acclaimed work in the first decade of the 21st century, including *Memory Almost Full* and *Ecce Cor Meum*, a composition written in the style of sacred English choral music. Throughout the book, analytical insights and historical background are provided to a repertoire that surprisingly has not previously been covered in detail. **Iconic Albums - Paul McCartney - Give My Regards To Broad Street** Richard Ward, 2025-05-26 , *That Was Me* Richard D. Driver, 2023-07-24 Paul McCartney has lived an extraordinary life in popular music and popular culture. His careers as a Beatle, as a solo musician, and as a band leader in Wings, and in areas outside music, have varied tremendously and are well documented. *That Was Me* explores the impact of Paul McCartney as a musician outside the Beatles, identifying the continued excitement in generations of fans and listeners and his perennial efforts to perform and record music. Richard Driver argues that his solo career is multifaceted and extremely diverse, ranging from breaking sharply with the style and output of the Beatles to experimenting in orchestral and operatic music, and returning to music designed to emulate and reproduce the style, success, and popularity of the Beatles. Through *Give My Regards to Broad Street*, we can literally and symbolically view and revisit the popular music phenomenon that was the Beatles and popular music from the 1950s to today. *Paul McCartney* Philip Norman, 2016-05-03 The definitive Paul McCartney biography, written with his approval by bestselling biographer Philip Norman. Since the age of twenty-one, Paul McCartney has lived one of the ultimate rock n' roll lives, played out on the most public of stages. Now Paul's story is told by rock music's foremost biographer, with McCartney's consent and access to family members and close friends who have never spoken on the record before. Paul McCartney reveals the complex character behind the facade and sheds new light on his childhood, blighted by his mother's death but redeemed by the father who introduced him to music. This is the first definitive account of Paul's often troubled partnership with John Lennon, his personal trauma after the Beatles' breakup, and his subsequent struggle to get back to the top with Wings, which nearly got him murdered in Africa and brought him nine days in a Tokyo jail. Readers will learn about his marriage to Linda, including their much-criticized musical collaboration and a moving account of her death. Packed with new information and critical insights, *Paul McCartney* will be the definitive biography of a musical
