Paul Rabbinic Judaism:

Paul and Rabbinic Judaism William David Davies, 1970 The New Perspective on Paul James D.G. Dunn, 2008 The New Perspective on Paul By author James D G Dunn published on January 2008 by James D G Dunn 2008 Paul and Rabbinic Judaism , 1962 Judaism and St. Paul: Two Essays Claude Goldsmid Montefiore, 1915 **Paul and Rabbinic Judaism** William David Davies, 1948 **Paul and Palestinian Judaism** E. P. Sanders, 2017-10-12 This landmark work which has shaped a generation of scholarship compares the apostle Paul with contemporary Judaism both understood on their own terms E P Sanders proposes a methodology for comparing similar but distinct religious patterns demolishes a flawed view of rabbinic Judaism still prevalent in much New Testament scholarship and argues for a distinct understanding of the apostle and of the consequences of his conversion A new foreword by Mark A Chancey outlines Sanders s achievement reviews the principal criticisms raised against it and describes the legacy he leaves future interpreters **Paul and rabbinic Judaism** William David Davies, 1948 *The Apostle Paul in the Jewish Imagination* Daniel R. Langton, 2010-03-22 The Apostle Paul in the Jewish Imagination is a pioneering multidisciplinary examination of Jewish perspectives on Paul of Tarsus Here the views of individual Jewish theologians religious leaders and biblical scholars of the last 150 years together with artistic literary philosophical and psychoanalytical approaches are set alongside popular cultural attitudes Few Jews historically speaking have engaged with the first century Apostle to the Gentiles The modern period has witnessed a burgeoning interest in this topic however with treatments reflecting profound concerns about the nature of Jewish authenticity and the developing intercourse between Jews and Christians In exploring these issues Jewish commentators have presented Paul in a number of apparently contradictory ways The Apostle Paul in the Jewish Imagination represents an important contribution to Jewish cultural studies and to the study of Jewish Christian relations **Jesus and Paul in the Context of Judaism and Early Christianity** Donald A. Hagner, 2025-03-27 In the late nineteenth century Jewish scholars began to be interested in Jesus and eventually Paul as important figures in the history of the Jewish people Rightly understood they argued Jesus and Paul belonged more to Judaism than to Christianity as even radical critical Christian scholars were concluding The earliest believers in Jesus were exclusively Jews forming something like a new sect within Judaism The emergence of the Christianity of the New Testament soon became a focus of attention for Jewish scholars and with this a host of questions arose such as about the influence of Hellenism the parting of the ways the widespread Christian misperception of Judaism the tragedy of anti Semitism and the identity of Jesus as Messiah and Lord The present essays address these and other issues maintaining throughout the tension of continuity and discontinuity and stressing the underappreciated radical newness of the New Testament *The New Testament and Rabbinic Judaism* David Daube, 2011-07-01 Among the many in the last century who explored the relationship between the New Testament and rabbinic Judaism David Daube must certainly be designated as among the pioneers And in the literature of that exploration

along with works such as *Paul and Rabbinic Judaism* by W D Davies and Joachim Jeremias *Jerusalem in the Time of Jesus* Daube's *The New Testament and Rabbinic Judaism* must be awarded classic status Whether one is examining the social and religious history behind the New Testament text or analyzing the text itself *The New Testament and Rabbinic Judaism* will illumine the interpreter Daube's work stands on the shoulders of no one and has itself become a cornerstone for future study in this field This volume is a must for every library

Paul and Palestinian Judaism E. P. Sanders, 1977 The chief aims of this book are to consider methodologically how to compare two or more related but different religions to destroy the view of Rabbinic Judaism which is still prevalent in much perhaps most New Testament scholarship to establish a different view of Rabbinic Judaism to argue a case concerning Palestinian Judaism that is Judaism as reflected in material of Palestinian provenance as a whole to argue for a certain understanding of Paul to carry out a comparison of Paul and Palestinian Judaism

Preface **Paul on Rabbinic Judaism** Richard Mark Baroff, 1987 *Paul, a New Covenant Jew* Brant Pitre, Michael P. Barber, John A. Kincaid, 2019-08-08 After the landmark work of E P Sanders the task of rightly accounting for Paul's relationship to Judaism has dominated the last forty years of Pauline scholarship Pitre Barber and Kincaid argue that Paul is best viewed as a new covenant Jew a designation that allows the apostle to be fully Jewish yet in a manner centered on the person and work of Jesus the Messiah This new covenant Judaism provides the key that unlocks the door to many of the difficult aspects of Pauline theology Paul a New Covenant Jew is a rigorous yet accessible overview of Pauline theology intended for ecumenical audiences In particular it aims to be the most useful and up to date text on Paul for Catholic Seminarians The book engages the best recent scholarship on Paul from both Protestant and Catholic interpreters and serves as a launching point for ongoing Protestant Catholic dialogue

The Pastoral Epistles and the New Perspective on Paul Daniel Wayne Roberts, 2021-08-31 The so called New Perspective on Paul has become a provocative way of understanding Judaism as a pattern of religion characterized by covenantal nomism which stands in contrast to the traditional Lutheran position that argues that the Judaism against which Paul responded was legalistic This new perspective of first century Judaism has remarkably changed the landscape of Pauline studies but it has done so in relative isolation from the Pastoral Epistles which are considered by most critical scholarship to be pseudonymous Because of this lack of interaction with the Pastoral Epistles this study seeks to test the hermeneutic of the New Perspective on Paul from a canonical perspective This study is not a polemic against the New Perspective on Paul but an attempt to test its hermeneutic within the Pastoral Epistles Four basic tenets of the New Perspective on Paul taken from the writings of E P Sanders N T Wright and James D G Dunn are identified and utilized to choose the passages in the Pastoral Epistles to be studied to test the New Perspective's hermeneutic outside undisputed Paul The four tenets are as follows Justification Salvation Law and Works Paul's View of Judaism and the Opponents Based on these tenets the passages considered are 1 Tim 1 6 16 2 3 7 2 Tim 1 3 8 12 and Titus 3 3 7

Paul, the Law, and Justification Colin G. Kruse, 2008-07-01 Martin Luther drew a strong parallel between the religion of medieval

Catholicism and the religion of first century Judaism against which his hero Paul contended Luther asserted that both taught that salvation was earned by works of merit E P Sanders challenged Luther's view of Judaism in his landmark work *Paul and Palestinian Judaism* 1977 Judaism was not in principle a religion in which salvation was earned through obeying the law it was a religion based upon God's election and grace The debate which Sanders initiated continues issuing in a flood of articles and monographs Dr Kruse insists however that the issues raised in the debate must not be allowed to set the agenda Instead he takes the loner route of inductive exegesis allowing each of Paul's letters to speak for itself before attempting a synthesis of Paul's teaching on the law and justification He faces squarely and honestly the problems which Paul's attitude to the law raises and he proposes thoroughly researched and considered solutions His book is an important contribution to the ongoing debate

Matthew and Paul Roger Mohrlang, 2004-12-23 Investigates and compares the basic structures of Matthew's and Paul's ethics

Paul and Judaism Reimund Bieringer, Didier Pollefeyt, 2012-03-08 This volume presents contributions from leading European scholars considering Paul and his Jewish context and considering the implications for contemporary Jewish Christian dialogue

Theology and Ethics in Paul Victor Paul Furnish, 2009-01-01 First published in 1968 and out of print since the 1980s Victor Paul Furnish's treatment of Paul's theology and ethics has long been regarded as the key scholarly statement and most useful textbook on Paul's thought Now *Theology and Ethics in Paul* is available once again as part of the Westminster John Knox Press New Testament Library Featuring a new introduction from Richard Hays this timeless volume is as relevant in this century as it was in the last The New Testament Library offers authoritative commentary on every book and major aspect of the New Testament as well as classic volumes of scholarship The commentaries in this series provide fresh translations based on the best available ancient manuscripts offer critical portrayals of the historical world in which the books were created pay careful attention to their literary design and present a theologically perceptive exposition of the text

The Intertextuality of Paul's Apocalyptic Discourse Doosuk Kim, 2023-05-08 This book attempts to investigate two strands in a single work apocalyptic Paul and intertextuality First what does apocalyptic Paul mean Is it synonymous to eschatology as a theological notion or the end time mystery Many seminal works have delved into the intriguing yet unorganized notion of the apocalyptic Instead of attempting to provide a universal definition of the apocalyptic the author presents his understanding of the phenomenon particularly in the cultural realm The author contends that apocalyptic is neither all about the end time event nor merely a literary genre but an interpretive lens to understand the world and social phenomena one that is shaped and developed through culture and society Accordingly the term apocalyptic Paul implies how Paul views and understands the world history and supernatural phenomena through interaction with his cultural texts and context Second the author also suggests that intertextuality is not only about comparative literature study Rather intertextuality refers to cultural semiotics a sign system to deliver the meaning of text Based on this notion of intertextuality the author interprets how Paul envisages multiple phenomena heavenly ascent

resurrection afterlife the origins of sin and two ages within his cultural context

Perspectives Old and New on Paul

Stephen Westerholm, 2004 Here finally is a much needed review and analysis of the divergent interpretations of Paul With a clear head and winsome sense of humor Stephen Westerholm compares the traditional understanding of Paul to more recent readings drawing on the writings of key figures in the debate both past and present Westerholm first offers a detailed portrait of the Lutheran Paul including the way such theologians as Augustine Luther Calvin and Wesley have traditionally interpreted justification by faith to mean that God declares sinners righteous by his grace apart from works Westerholm then explores how Paul has fared in the twentieth century in which New Perspective readings of Paul see him teaching that Gentiles need not become Jews or observe Jewish law to be God's people The final section of the book looks anew at disputed areas of Paul's theological language and offers compelling discussion on the place of both justification by faith and Mosaic law in divine redemption
