Paul Women And Wives Marriage And Womens Ministry In The Letters Of Paul:

Paul, Women, and Wives Craig S. Keener, 1992-06-01 Paul's letters stand at the center of the dispute over women the church and the home with each side championing passages from the Apostle Now in a challenging new attempt to wrestle with these thorny texts Craig Keener delves as deeply into the world of Paul and the apostles as anyone thus far Acknowledging that we must take the biblical text seriously and recognizing that Paul's letters arose in a specific time and place for a specific purpose Keener mines the historical lexical cultural and exegetical details behind Paul's words about women in the home and ministry to give us one of the most insightful expositions of the key Pauline passages in years

Women's Bible Commentary Carol Ann Newsom, Sharon H. Ringe, 1998-01-01 In the critically acclaimed best seller *Women's Bible Commentary* an outstanding group of women scholars introduced and summarized each book of the Bible and commented on those sections of each book that have particular relevance to women focusing on female characters symbols life situations such as marriage and family the legal status of women and religious principles that affect relationships of women and men Now this expanded edition provides similar insights on the Apocrypha presenting a significant view of the lives and religious experiences of women as well as attitudes toward women in the Second Temple period This expanded edition sets a new standard for women's and biblical studies

A Theology of Paul and His Letters Douglas J. Moo, 2021-10-26 A landmark study of the apostle's writings by one of the world's leading Pauline scholars Winner of the 2022 ECPA Christian Book Award for Bible Reference Works This highly anticipated volume gives pastors scholars and all serious students of the New Testament exactly what they need for in depth study and engagement with one of Christian history's most formative thinkers and writers *A Theology of Paul and His Letters* is a landmark study of the apostle's writings by one of the world's leading Pauline scholars Douglas J. Moo Fifteen years in the making this groundbreaking work is organized into three major sections Part 1 provides an overview of the issues involved in doing biblical theology in general and a Pauline theology in particular Here Moo also sets out the methodological issues formative influences and conceptual categories of Paul's thought Part 2 moves on to Paul's New Testament writings where Moo describes each Pauline letter with particular relevance to its theology Part 3 offers a masterful synthesis of Paul's theology under the overarching theme of the gift of the new realm in Christ Engaging insightful and wise this substantive evangelical treatment of Paul's theology offers extensive engagement with the latest Pauline scholarship without sacrificing its readability This volume brings insights from over thirty years of experience studying teaching and writing about Paul into one comprehensive guide that will serve readers as a go to resource for decades to come

ABOUT THE SERIES The Biblical Theology of the New Testament BTNT series provides upper college and seminary level textbooks for students of New Testament theology interpretation and exegesis Pastors and discerning theology readers alike will also benefit from this series Written at the highest level of academic excellence by recognized experts in the field the BTNT series not only offers a comprehensive exploration of the theology of every book of

the New Testament including introductory issues and major themes but also shows how each book relates to the broad picture of New Testament Theology Hostility in the House of God Dillon T. Thornton, 2016-07-30 Virtually all scholars acknowledge the presence of opponents in 1 and 2 Timothy but there is considerable disagreement over the identity of these opponents and the author's way of handling them In this volume Thornton provides a critique of a number of extant theories including Gnostic Jewish and proto Montanist identifications and develops a rigorous methodology for unmasking the opponents who appear in these letters He argues that the opponents came from within the Christian community in Ephesus and that their teaching is best described as an erroneous eschatological position that derived from the complexity of Paul's views He also argues that the author of the books of Timothy engaged with the false teachers in significant ways throughout the letters and draws attention to a number of literary and theological maneuvers that were intended to counteract the opponents influence and or to bolster the faithful community's confidence as it struggled against the opponents Thornton's meticulous investigation sheds new light on the hostility that plays such a large part in 1 and 2 Timothy *The Bible in History* David W. Kling, 2004 No one can doubt that the Bible has exerted a tremendous influence on Western civilization since the dawn of Christianity In this book Kling traces the story of how specific biblical texts have emerged to be the inspiration of movements and collective responses that have changed the course of history *Galatians* Craig S. Keener, 2018-04-12 Drawing on a range of ancient background this commentary makes Galatians easier to understand today Essays on Women in Earliest Christianity, Volume 1 Carroll D. Osburn, 2007-07-01 Contributors Frederick D Aquino Allen Black Mark C Black Barry L Blackburn Randall D Chesnutt Jeffrey W Childers Larry Chouinard Everett Ferguson Thomas C Greer Jr Jan Faver Hailey Stanley N Helton A Brian McLemore Marcia D Moore Kenneth V Neller L Curt Niccum Carroll D Osburn J Paul Pollard Kathy J Pulley Gregory E Sterling James W Thompson James Walters John Willis Answer the Prayer of Jesus John P. Lathrop, 2011-02-14 God has accomplished many great things through the church but can the church be even more effective Is there something the church can do to be both more pleasing to the Lord and more productive Answer the Prayer of Jesus speaks to these questions The church can be more effective if it seeks to answer the prayer of Jesus in John 17 Unity is important to the mission of the church of Jesus Christ In this book both the challenges and possibilities of unity are examined Drawing from Scripture and his experiences of contemporary church life the John Lathrop gives specific examples of unity He also offers practical advice about how one can become part of the answer to the prayer of Jesus This book will enable you to see a small portion of what God is doing in the world today and will encourage you to become part of it **Words of Faith** Byrne, Brendan J., SJ, 2023 This work offers over 100 concise discussions of key Pauline words and concepts Its primary focus lies on the seven undisputed letters though material in the remaining letters traditionally attributed to Paul especially Ephesians and Colossians while treated separately is not neglected While accuracy has required reference to the relevant Greek words in each case the use of transliteration renders the work accessible to nonspecialists

and students as well to established scholars Each entry is completed with an up to date indication of further reading in the area concerned Compiled from a distinctly theological perspective and the product of over five decades of research and teaching in Pauline studies the vocabulary is an indispensable resource for scholar and student alike **Papers Presented**

at the Fifteenth International Conference on Patristic Studies Held in Oxford 2007 Jane Baun,2010 *You Can't Ask That!* Christian Piatt ,2020-10-06 Have you ever had a burning question that seemed off limits or inappropriate to ask about Christianity the Bible or Jesus You Can t Ask That gathers 50 of the most provocative challenging or otherwise taboo questions that many of us have wondered about but few have actually asked Edited by Christian Piatt who once had a bible thrown at his head for asking too many questions during a Sunday school class this collection considers nothing off limits and takes the hard questions seriously Responses from theology professors pastors lay leaders and other progressive Christians range from the personal to the profound and from sarcastic to deeply touching By offering multiple perspectives to those banned questions readers can craft their own answers Better yet they ll understand that questioning faith is not taboo it s the foundation of a strong and growing faith **The Bible in Ethics** John W. Rogerson,Mark Daniel Carroll R.,Margaret

Davies,1995-12-01 The Bible has influenced contemporary culture both positively and negatively The present volume is a collection of papers that were discussed at an international colloquium on the use of the Bible in Ethics in the Department of Biblical Studies at the University of Sheffield in April 1995 Participants came from many parts of the world and from different backgrounds and the papers reflect their varied interests and the contexts in which they work The contributors in addition to the three editors are John Barton Bruce Birch Mark Brett Mark Chapman David Clines Philip Davies Cheryl Exum Stephen Fowl Norman Gottwald John Haldane Walter Houston Sharon Ringe Chrisopher Rowland Lisa Sowle Cahill and Gerald West

The Message of Love Patrick Mitchel,2019-09-19 Love such a deceptively simple and popular little word It is universally agreed that we need love to live and flourish as human beings and yet within our contemporary culture there are numerous confusing competing and evolving ideas about what love is There are few greater subjects in Christian theology than love yet it is a surprisingly complex and challenging concept to understand let alone live out faithfully Patrick Mitchel s conviction is that Christians need to be thinking about and practising love in compelling and authentic ways Our task is not only to articulate what love is but also to show to the world what true Christian love looks like in practice The only thing that counts is faith expressing itself through love Gal 5 6 NIV Mitchel s exposition explores love in the Old Testament how the love of God is supremely revealed in the mission and death of Jesus Christ love in the life and teaching of Jesus and the church s calling to be a community of love He helps us to grasp afresh the breadth depth scope and radically counter cultural nature of the Bible s teaching on love With a fully integrated study guide suitable for both individuals and groups The Message of Love will help you to see how the Bible s unified teaching on this vital theme can impact your life today **Scripture, Texts, and**

Tracings in 1 Corinthians Linda L. Belleville,B. J. Oropeza,2019-07-17 This book advances the interpretation of 1

Corinthians by exploring the ways the apostle Paul quoted or echoed Jewish scriptures more indirectly in his letter

Identification of allusions are brought to the fore as are questions of the texture of Paul's theology and his understanding of scripture

Important topics in 1 Corinthians addressed here include Paul's use of the Law monotheism Christology wisdom and mystery language punishment of the incestuous man baptism for the dead eschatology and resurrection Acts: An Exegetical Commentary : Volume 1 Craig S. Keener, 2012-09-01 Highly respected New Testament scholar Craig Keener is known for his meticulous and comprehensive research This commentary on Acts his magnum opus may be the largest and most thoroughly documented Acts commentary available Useful not only for the study of Acts but also early Christianity this work sets Acts in its first century context In this volume the first of four Keener introduces the book of Acts particularly historical questions related to it and provides detailed exegesis of its opening chapters He utilizes an unparalleled range of ancient sources and offers a wealth of fresh insights This magisterial commentary will be a valuable resource for New Testament professors and students pastors Acts scholars and libraries **Philippians** Joseph H. Hellerman, 2015-07-15 Each volume of the Exegetical Guide to the Greek New Testament EGGNT series provides paragraph by paragraph exegesis of the Greek text and includes homiletical helps suggestions for further study and a comprehensive exegetical outline of the New Testament book *The Pastoral Epistles* Stanley E. Porter, 2023-10-17 Leading New Testament scholar Stanley Porter offers a comprehensive commentary on the Pastoral Epistles that features rigorous biblical scholarship and emphasizes Greek language and linguistics This book breaks new ground in its interpretation of these controversial letters by focusing on the Greek text and utilizing a linguistically informed exegetical method that draws on various elements in contemporary language study Porter pays attention to the overall argument of the Pastoral Epistles while also analyzing word meanings and grammatical structures to tease out the textual meaning Porter addresses major exegetical issues that arise in numerous highly disputed passages and while attentive to the history of scholarship on First Timothy Second Timothy and Titus often takes untraditional or innovative positions to blaze a new path forward rather than adopt settled answers This commentary will appeal to professors students and scholars of the New Testament *1 Timothy* Aida Besancon Spencer, 2014-08-28 In a thorough and insightful commentary on Paul's letter to his co worker Timothy which the Apostle wrote before and during Nero's persecution Aida Besancon Spencer carefully examines each part of the letter and relates it to the overall flow of the argument and in light of the larger biblical historical social and cultural contexts How Paul's writing related to the ancient communities is highlighted in the light of original data gleaned from her explorations on location in Ephesus and throughout Greece In addition Paul's rhetorical and ministry strategies especially as they relate to women and their role in the church are explored Throughout Spencer presents an in depth exegesis in a readable format enhanced by forty years of ministry *Evangelical Feminism?* Wayne Grudem, 2006-09-13 By critically examining the writings of egalitarians Grudem shows that while egalitarian leaders claim to be subject to Scripture in their thinking what is increasingly evident in their actual

scholarship and practice is an effective rejection of the authority of Scripture Egalitarianism is heading toward an Adam who is neither male nor female a Jesus whose manhood is not important and a God who is both Father and Mother and then maybe only Mother The common denominator in all of this is a persistent undermining of the authority of Scripture in our lives Grudem s conclusion is that we must choose either evangelical feminism or biblical truth We can t have it both ways

Discovering Biblical Equality Ronald W. Pierce, Cynthia Long Westfall, Christa L. McKirland, 2021-11-02 The conversation about gender roles in Christian life and the church has evolved but the topic continues to inspire debate and disagreement Now in its third edition this fresh positive defense of gender equality brings together scholars firmly committed to the authority of Scripture to explore historical biblical theological cultural and practical aspects of this discussion
