KRUSE

Pauls Letter To The Romans A Commentary

**Douglas J. Moo, Eckhard
Schnabel, Thomas R. Schreiner, Frank
Thielman**

Pauls Letter To The Romans A Commentary:

Paul's Letter to the Romans Arland J. Hultgren, 2011-05-16 Building on his own translation from the Greek Hultgren walks readers through Romans verse by verse illuminating the text with helpful comments probing into major puzzles and highlighting the letter's most inspiring features He also demonstrates the forward looking missional character of Paul's epistle written as Hultgren suggests to introduce Roman Christians to the major themes of Paul's theology and to inspire in them both confidence in the soundness of his teaching and support for his planned missionary efforts in Spain **Paul's**

Letter to the Romans Colin G. Kruse, 2012-06-14 In this Romans commentary Colin Kruse shows how Paul expounds the gospel against the background of God's sovereign action as creator judge and redeemer of the world from publisher description **The Epistle to the Romans** Douglas J. Moo, 1996-09-30 Paul's letter to the Romans has been called the

quintessence and perfection of saving doctrine Perhaps the most challenging and thoroughly doctrinal book of the entire New Testament Romans deals with many issues that are basic to Christian theology and practice In *The Epistle to the Romans* respected New Testament scholar Douglas Moo provides a superb study of Paul's letter to the Roman Christians and restates the enduring message of Romans for Christians today Originally written for the Wycliffe Exegetical Commentary series this work has been substantially expanded and adapted for the NICNT series it now treats the entire book of Romans rather than the first half Based on the English text but bringing into the discussion the underlying Greek at every point this commentary focuses both on theological meaning and on contemporary significance Moo makes a contribution to the continuing debate regarding Paul's teaching on such issues as Jewish law and the relationship between the Jews and Gentiles in the people of God He also critically interacts with the new perspective on Paul highlights Romans's emphasis on practical divinity and traces the theme of gospel throughout the epistle **The Letter of Paul to the Romans** Frederick Fyvie

Bruce, 1985 F F Bruce's study on Romans is a contribution to the Tyndale New Testament Commentaries a popular commentary designed to help the general Bible reader understand clearly what the text actually says and what it means without undue recourse to scholarly technicalities *Paul's Letter to the Romans* Peter Stuhlmacher, 1994-01-01 In this book Peter Stuhlmacher stresses the Old Testament and postbiblical Jewish traditions as the primary backdrop to Paul's thought as these traditions were known by Paul himself or mediated to him through Jesus and the early church The themes of the righteousness of God and the corresponding justification of both Jews and Gentiles are viewed as the center of Romans Finally Stuhlmacher seeks to place the apostle's theology within its historical context He overcomes the false dichotomy that has often characterized the study of Romans mediating between the view that it is a general theological treatise that functions as Paul's last testament to his Christian faith on the one hand and the view that it is one particular and occasion bound expression of Paul's thinking **Paul's Letter to the Romans** Ben Witherington, 2004-03-02 While Paul's letter to

the Romans is the most studied and commented on document from the biblical period the major exegetical books on Romans

from the nineteenth and twentieth centuries have been overwhelmingly shaped by the Reformed tradition Through a careful survey of work on Romans by both ancient Church Fathers and modern exegetical scholars Ben Witherington III here argues that the interpretation of Romans since the Reformation has been far too indebted to and at key points led astray by Augustinian readings of the text as filtered through Luther Calvin and others In this first full scale socio rhetorical commentary on Romans Witherington gleans fresh insights from reading the text of Paul s epistle in light of early Jewish theology the historical situation of Rome in the middle of the first century A D and Paul s own rhetorical concerns Giving serious consideration to the social and rhetorical background of Romans allows readers to hear Paul on his own terms not just through the various voices of his later interpreters Witherington s groundbreaking work also features a new clear translation of the Greek text and each section of the commentary ends with a brief discussion titled Bridging the Horizons which suggests how the ancient text of Romans may speak to us today The Letter to the Romans Douglas J.

Moo,2018-11-26 For more than twenty years Douglas Moo s NICNT volume on Romans has been providing pastors students and scholars with profound insight into Paul s most famous letter In this thorough revision of his commentary Moo deals with issues that have come into prominence since the first edition 1996 incorporating the latest research and rewriting the text throughout for better comprehension Exegetically astute and theologically minded Moo interacts critically with the new perspective on Paul highlights the emphasis in Romans on practical divinity and traces the theme of the gospel throughout the letter His Letter to the Romans in this second edition will inform and enlighten a new generation of serious Bible readers

Romans Paul J. Achtemeier,2010-01-25 This volume a part of the Interpretation A Bible Commentary for Teaching and Preaching series focuses on Paul s letter to the Romans Interpretation A Bible Commentary for Teaching and Preaching is a distinctive resource for those who interpret the Bible in the church Planned and written specifically for teaching and preaching needs this critically acclaimed biblical commentary is a major contribution to scholarship and ministry **Saint**

Paul's Epistle to the Romans Dmitri Royster,2008 Written with the average lay reader in mind this pastoral commentary on the Epistle to the Romans offers readers a clear explanation of the Apostle Paul s influential and controversial letter Quotations from church fathers and parallel expressions from Scripture create a methodology consistent with Orthodox tradition By also using hymns and texts from the Orthodox liturgical services the author supplies deeper and broader contexts for familiar biblical verses Appropriate for personal and group biblical study and for spiritual guidance and edification this volume also serves as a useful aid to pastors in teaching and preparation of homilies **Paul's Letter to the Romans** John Paul Heil,2002-03-28 *Introducing Romans* Richard N. Longenecker,2011-03-25 Paul s Letter to the Romans has proven to be a particular challenge for commentators with its many highly significant interpretive issues often leading to tortuous convolutions and even dead ends in their understanding of the letter Here Richard N Longenecker takes a comprehensive look at the complex backdrop of Paul s letter and carefully unpacks a number of critical issues including

Authorship integrity occasion date addressees and purpose Important recent interpretive approaches Greco Roman oral rhetorical and epistolary conventions Jewish and Jewish Christian thematic and rhetorical features The establishing of the letter s Greek text The letter s main focus structure and argument Paul's Letter to the Romans J. A. Ziesler,1989 Includes text of Romans in English **Paul's Letter to the Romans** Douglas J. Moo,Eckhard Schnabel,Thomas R. Schreiner,Frank Thielman,2023-12-05 A collection of essays presented during the Consultation on Paul s Letter to the Romans at four annual meetings of the Evangelical Theological Society 2018 2019 2021 2022 This volume features contributions from top evangelical Pauline scholars addresses contested theological matters in the letter to the Romans and can serve as a textbook Each of the four editors has written a recent major commentary on Romans Moo NICNT Schnabel HTA Schreiner BECNT Thielman ZECNT Contributors include the editors along with Robert Yarbrough Mark Seifrid Robert Gagnon Patrick Schreiner Christopher Bruno Brian Rosner Kevin McFadden Benjamin Gladd Charles Quarles Ben Dunson Kyle Wells Michael Bird Joshua Greever Benjamin Merkle Ardel Caneday Sigurd Grindheim A Andrew Das Jeffrey Weima Mateus de Campos and M Sydney Park *Commentary on Paul's Letter to Romans* Moses Easterly Lard,1875 **The Epistle to the Romans** Richard N. Longenecker,2016-01-18 This highly anticipated commentary on the Greek text of Romans by veteran New Testament scholar Richard Longenecker provides solid scholarship and innovative solutions to long standing interpretive problems Critical exegetical and constructive yet pastoral in its application Longenecker s monumental work on Romans sets a course for the future that will promote a better understanding of this most famous of Paul s letters and a more relevant contextualization of its message The Letter of Paul to the Romans Ernest Best,1967-02 This series of commentaries on the New English Bible is designed for use in schools and colleges and for the minister and the layman Each volume comments on one book or part of the Bible In each the text is given in full Sections of text and commentary alternate so that the reader does not have to keep two books open or turn from one part of the book to the other or refer to a commentary in small type at the foot of the page Great care has been taken to see that the commentary is suitable for the student and the layman there is no Greek or Hebrew and no strings of biblical references The general editors all have experience of teaching or examining in school and working with adults Commentaries on all the books of the Old Testament New Testament and Apocrypha have been published together with introductory volumes and books of illustrations to accompany each Testament

A Roman Commentary on St. Paul's Letter to the Philippians Richard J. Cassidy,2019-09-03 Paul writes his letter to the Philippians referencing two related forms of persecution The Christians of Philippi are experiencing persecution by the Roman authorities who govern the Philippi Paul himself is experiencing persecution by the Roman authorities the Roman emperor s praetorian guard in Rome Roman persecution is thus the fundamental context for his letter Paul s most basic premise in this letter is to hold high the slave Jesus Christ In perhaps the most moving passage he ever wrote Phil 2 6 11 Paul delineates that Jesus did not count equality with God something to be grasped at but rather empties himself taking the form

of a slave and embracing crucifixion the slave's form of death Accordingly God has raised Jesus to the highest place and has caused all on the earth above the earth and under the earth to bow at the name of Jesus and to proclaim that Jesus alone is Lord to the glory of God the Father Very significantly Paul affirms that Christian slaves are ennobled by Jesus initiatives Because these slaves now join the other Christian citizens in having citizenship in heaven Paul's letter constitutes a radical threat to the Roman imperial authorities in this way as well

Preaching and Paul's Letter to the Romans Ronald J. Allen, 2025-07-10 Ronald J. Allen argues that the apostle Paul wrote his letter to the Romans to address specifically the gentiles in the congregation in Rome Allen suggests that this was because the gentiles exhibited arrogant behavior towards Jewish members of the community thereby undermining a primary facet of the early church to witness to the community of love and mutual support that God seeks for all Allen shows readers how Paul points the gentiles to the faithfulness of God who invites them to recognize and live according to the grace of God shown to them through Jesus Christ In this pastorally engaged work Allen not only provides historical commentary on Romans but also helps preachers and scholars make connections between arrogance and its destructiveness in communities today as well as inviting congregations to participate in the grace that makes possible a loving and mutually respectful community

Commentary on Paul's Letter to Romans Moses Easterly Lard, 1914 **The Letter to the Romans** Frederick Dale Bruner, 2021-10-07 In the wake of his widely appreciated commentaries on the Gospel of Matthew and the Gospel of John noted theologian and exegete Frederick Dale Bruner turns his attention to Paul's letter to the Romans In this concise commentary he relays his findings on what he calls the Fifth Gospel and its central claim that through the Father's love Jesus's passion and the Spirit's application of this passionate love human beings can have a perfectly right relationship with God by simple faith in His Christ As he did in his commentaries on Matthew and John Bruner engages historical interpreters from the patristic period to the present including Augustine Chrysostom Aquinas Luther and Calvin while also offering his own lucid translation of the text and relevant pastoral applications The result is a holistic understanding of the book of Romans informed not only by one scholar's lifetime of ministry teaching and learning but also by the full depth and breadth of church tradition
