Pauls Letters From Prison In The Revised Standard Edition Elphesians Phillipians Colossians Philemon

Stanley E. Porter, Bryan R. Dyer

Pauls Letters From Prison In The Revised Standard Edition Elphesians Phillipians Colossians Philemon:

Paul's Letters from Prison, 1976 The letters Paul wrote to the Ephesians Philippians Colossians and Philemon have one feature in common that distinguishes them from the other letters he wrote in them Paul calls himself a prisoner This thought provoking study examines closely the metaphorical and literal meaning of Paul's bonds and chains Through analysis of the letters themselves Caird considers whether Paul was actually behind bars when he wrote them and if so in which prison or prisons whether he may have been referring to himself figuratively as a prisoner of Jesus Christ and whether he was the actual author of all four letters In assessing these issues Caird outlines each letter's intended audience vocabulary style historical setting literary references and theology *Paul's Letters from Prison* George Bradford Caird, 1976 *Eerdmans Commentary on the Bible: Ephesians, Colossians, Philemon* I. Howard Marshall, Morna D. Hooker, 2021-04-13 This extract from the Eerdmans Commentary on the Bible provides Marshall and Hooker's introduction to and concise commentary on Ephesians Colossians and Philemon The Eerdmans Commentary on the Bible presents in nontechnical language the best of modern scholarship on each book of the Bible including the Apocrypha Reader friendly commentary complements succinct summaries of each section of the text and will be valuable to scholars students and general readers Rather than attempt a verse by verse analysis these volumes work from larger sense units highlighting the place of each passage within the overarching biblical story Commentators focus on the genre of each text parable prophetic oracle legal code and so on interpreting within the historical and literary context The volumes also address major issues within each biblical book including the range of possible interpretations and refer readers to the best resources for further discussions **Paul's Letters from Prison (Ephesians, Philippians, Colossians, Philemon) in the Revised Standard Version** G. B. Caird, 1981 **The Epistles of Paul to the Colossians and to Philemon** Nicholas Thomas Wright, 1988 Wright's work on the Books of Colossians and Philemon constitutes a volume in the Tyndale New Testament Commentaries a popular series designed to help the general Bible reader understand clearly what the text actually says and what it means without undue reliance on scholarly technicalities *Colossians and Philemon* N.T. Wright, 2015-03-20 In Colossians Paul presents Christ as the firstborn over all creation and appeals to his readers to seek a maturity found only in Christ In Philemon Paul appeals to a fellow believer to receive a runaway slave in love and forgiveness In this volume N.T. Wright offers comment on both of these important books *Philippians and Philemon* Bonnie Bowman Thurston, Bonnie B. Thurston, Judith M. Ryan, 2009-04 With updated bibliography Copyright page **Paul's Line of Thought in 2 Corinthians 4:16-5:10** Fredrik Lindgård, 2005 Fredrik Lindgård analyzes verses 4:16-5:10 in 2 Corinthians verses which have often been used to argue that Paul's eschatology developed over time or to ascertain whether or not Paul is an anthropological dualist Paul's concern is how the Corinthians see him His aim is to show them that he is frank and open to them and that his attitude to adversities confirms that he is a real apostle He reveals his thoughts and emotions when facing suffering The author shows that the section and

its context do not support the view that Paul changed or developed his eschatology. Instead the text displays the unsystematic character of Paul's eschatology. Concepts which Paul normally uses separately occur side by side without elaboration.

Although Paul uses both dualistic and holistic language the dominating feature is dualism. The analysis shows that a wide rhetorical approach can be useful when trying to understand Paul. *The Letter to the Ephesians* Peter Thomas

O'Brien, 1999. From a foremost authority on the New Testament comes a major new commentary on Ephesians, a letter of truth, love, and unity to our superficial world. This newest volume in the Pillar New Testament Commentary series provides a rich exposition of Ephesians, one of the most significant documents ever written. Using the fruits of recent biblical research, Peter O'Brien shows how Ephesians sums up God's magnificent plan of salvation in Christ and spells out his divine purpose for believers today. A model of the scholarly excellence characteristic of the entire PNTC series, which now features a striking new jacket design, O'Brien's Ephesians will become the standard work on this profoundly influential book. Publisher: *Paul and Ancient Rhetoric* Stanley E. Porter, Bryan R. Dyer, 2016-02-24. In this volume, major international scholars examine ancient rhetoric's role in understanding Paul and his writings within his Hellenistic context. **Paul's Koinonia with the Philippians** Julien M. Ogereau, 2014-11-07. Was Paul's relationship with the Philippians an economic partnership? Julien M. Ogereau explores the socio-economic dimension of Paul's koinonia with the Philippians from a Graeco-Roman perspective and argues that Paul maintained this partnership to provide financially for his mission. Page 4 of printed paper wrapper.

Paul's Understanding of the Church's Mission Robert L. Plummer, 2006-06-01. Did Paul expect his churches to engage in evangelistic activity which mirrored his own? Or have modern readers of the Bible wrongly projected Paul's apostolic passion upon the communities that he founded? Such is the charge of several recent authors, and if their thesis is correct, nothing could have larger implications for how the modern church engages in mission. In this book, Robert L. Plummer engages in a careful study of Paul's letters to determine if the apostle expected the communities to which he wrote to engage in outward-directed missionary activity. Plummer helpfully summarizes the discussion to date on the debated issue judiciously, handles contested texts, and provides a way forward in addressing this critical question. While admitting that Paul rarely explicitly commands the communities he founded to evangelize, Plummer amasses significant incidental data to provide a convincing case that Paul did indeed expect his churches to engage in outward-directed missionary activity. Throughout the study, Plummer progressively builds a theological basis for the church's mission that is both compelling and distinctively Pauline. **Eerdmans Commentary on the Bible** James D. G. Dunn, John William Rogerson, 2003-11-19. 2ND COPY AVAILABLE FOR LOAN.

Growth and Decline in the Anglican Communion David Goodhew, 2016-12-15. The Anglican Communion is one of the largest Christian denominations in the world. *Growth and Decline in the Anglican Communion* is the first study of its dramatic growth and decline in the years since 1980. An international team of leading researchers based across five continents provides a global overview of Anglicanism alongside twelve detailed case studies. The case studies

stretch from Singapore to England Nigeria to the USA and mostly focus on non western Anglicanism This book is a critical resource for students and scholars seeking an understanding of the past present and future of the Anglican Church More broadly the study offers insight into debates surrounding secularisation in the contemporary world The Price of Partnership in the Letter of Paul to the Philippians Mark A. Jennings, 2018-01-25 Mark A Jennings challenges the consensus that there is no clear single purpose that shapes the entire epistle to the Philippians instead arguing that there is significant evidence for Paul to have written the letter with the sole intent of persuading the church to maintain its exclusive partnership with him and his gospel mission Jennings examines each section of Philippians with standard historical critical methods rhetorical criticism and social scientific methods Establishing that Paul s argument is rooted in three fundamental tenets emphasis is first placed on koinonia and the agreement that Paul and the Philippians had entered into regarding his apostolic mission Second Jennings looks at the repeated proofs that Paul offers that simultaneously affirm the ordained superiority of his apostolic mission and repudiate the claims of his rivals Third Jennings analyses the issue of finances in the epistle discussing how Paul rhetorically transforms the Philippians financial support into a salient indicator that they esteem his gospel mission authentic Finally whereas other scholars have argued that Paul entreats the Philippians to be steadfast in their commitment to the gospel of Christ Jennings proposes that Paul urges the church to be steadfast in their commitment to his gospel of Christ Jennings then considers how this seemingly small distinction has profound ramifications for understanding the letter and shows the gap between these interpretations **Wealth, Wages, and the Wealthy** Raymond F. Collins, 2017 Fulfilling what he has called a grave responsibility Pope Francis has often addressed the issue of economic inequality and the use of personal corporate and national wealth Francis s teaching is rooted in the teaching of Jesus preserved in the pages of the New Testament The Bible has more to say about the use of wealth than it does about other moral issues of our day yet this teaching seldom enters into the conscience of believers In *Wealth Wages and the Wealthy* New Testament Insight for Preachers and Teachers Fr Raymond F Collins redresses this issue and provides the reader with a careful examination not only of what Jesus said about wealth but also of what each of the New Testament authors wrote about the topic NIVAC Bundle 7: Pauline Epistles Douglas J. Moo, Craig L. Blomberg, Scott J. Hafemann, Scot McKnight, Klyne Snodgrass, Frank S. Thielman, Daniel Garland, Michael W. Holmes, Walter L. Liefeld, 2015-11-03 The NIV Application Commentary helps you communicate and apply biblical text effectively in today s context To bring the ancient messages of the Bible into today s world each passage is treated in three sections Original Meaning Concise exegesis to help readers understand the original meaning of the biblical text in its historical literary and cultural context Bridging Contexts A bridge between the world of the Bible and the world of today built by discerning what is timeless in the timely pages of the Bible Contemporary Significance This section identifies comparable situations to those faced in the Bible and explores relevant application of the biblical messages The author alerts the readers of problems they may encounter when seeking to

apply the passage and helps them think through the issues involved This unique award winning commentary is the ideal resource for today s preachers teachers and serious students of the Bible giving them the tools ideas and insights they need to communicate God s Word with the same powerful impact it had when it was first written **Sharing in the Inheritance** Allan R. Bevere,2003-03-01 The argument of this book is two fold the target of the argument of Colossians is a Judaism dismissive of the Gentile Colossian Christians and the recognition of that fact casts new light on the moral material of the letter and its integration into the argument of the epistle as a whole Several arguments are made in support of these claims Significant parallels between Colossians and Galatians suggest similar concerns in both letters relating to Israel s identity as the people of God and how that relates to the Gentile believers are to live The writers of Colossians while sharing a similar Jewish perspective with the Colossian philosophers on the relationship between identity and way of life admonish the Gentile Christians to live in a way consistent with who they are Nevertheless Paul and Timothy differ with the philosophers as to what constitutes the identity of the Colossian Gentiles as the people of God In addition to the parallels drawn further themes are present in Colossians which strongly suggest the Jewish character of the philosophy wisdom election and death of Christ as the final return from exile The apocalyptic background of 3 1 6 the Jewish moral concerns of the ethical lists 3 5 17 and the christological orientation of the Haustafel bolster the claim that the target of Colossians is Jewish in character and the moral material is integral to the argument **Philippians** Frank S. Thielman,2009-05-26 The NIV Application Commentary helps you communicate and apply biblical text effectively in today s context To bring the ancient messages of the Bible into today s world each passage is treated in three sections Original Meaning Concise exegesis to help readers understand the original meaning of the biblical text in its historical literary and cultural context Bridging Contexts A bridge between the world of the Bible and the world of today built by discerning what is timeless in the timely pages of the Bible Contemporary Significance This section identifies comparable situations to those faced in the Bible and explores relevant application of the biblical messages The author alerts the readers of problems they may encounter when seeking to apply the passage and helps them think through the issues involved This unique award winning commentary is the ideal resource for today s preachers teachers and serious students of the Bible giving them the tools ideas and insights they need to communicate God s Word with the same powerful impact it had when it was first written [Zondervan Illustrated Bible Backgrounds Commentary: Romans to Philomom](#) Clinton E. Arnold,2002 This is a hardcover set that helps readers understand the historical and cultural background of the books of the New Testament Brimming with lavish full color photos and graphics each book will walk you verse by verse through the books of the New Testament
