**Clemens Wendtner**

## **Retouching Stalins Moustache:**

**Retouching Stalin's Moustache** Thomas P. Muhl, 2011-04-15 Retouching Stalin's Moustache is the story of a talented artist survivor of twentieth century Europe under both fascism and communism who is coping with survival in America in a life complicated by further twists and turns of fate The narrative moves from flashback to foreground describing his early marriage and escape from the Old World It follows up with more recent adventures the dissolution of his marriage and newly created layers of memory This book shows how a permanently displaced person must struggle to seek out means of adjusting to the daylight world of today

**The Stalin Cult** Jan Plamper, 2012-01-17 Between the late 1920s and the early 1950s one of the most persuasive personality cults of all times saturated Soviet public space with images of Stalin A torrent of portraits posters statues films plays songs and poems galvanized the Soviet population and inspired leftist activists around the world In the first book to examine the cultural products and production methods of the Stalin cult Jan Plamper reconstructs a hidden history linking artists party patrons state functionaries and ultimately Stalin himself in the alchemical project that transformed a pock marked Georgian into the embodiment of global communism Departing from interpretations of the Stalin cult as an outgrowth of Russian mysticism or Stalin's psychopathology Plamper establishes the cult's context within a broader international history of modern personality cults constructed around Napoleon III Mussolini Hitler and Mao Drawing upon evidence from previously inaccessible Russian archives Plamper's lavishly illustrated and accessibly written study will appeal to anyone interested in twentieth century history visual studies the politics of representation dictator biography socialist realism and real socialism

*Propaganda and Information Warfare in the Twenty-First Century* Scot Macdonald, 2006-12-05 This is the first book to analyze how the technology to alter images and rapidly distribute them can be used for propaganda and to support deception operations In the past propagandists and those seeking to conduct deception operations used crude methods to alter images of real people events and objects which could usually be detected relatively easily Today however computers allow propagandists to create any imaginable image still or moving with appropriate accompanying audio Furthermore it is becoming extremely difficult to detect that an image has been manipulated and the Internet television and global media make it possible to disseminate altered images around the world almost instantaneously Given that the United States is the sole superpower few if any adversaries will attempt to fight the US military conventionally on the battlefield Therefore adversaries will use propaganda and deception especially altered images in an attempt to level the battlefield or to win a war against the United States without even having to fight militarily Propaganda and Information Warfare in the 21st Century will be of great interest to students of information war propaganda public diplomacy and security studies in general

**Stalin's Barber** Paul M. Levitt, 2012-12-16 Avraham Bahar leaves debt ridden and depressed Albania to seek a better life in ironically Stalinist Russia A professional barber he curries favor with the Communist regime ultimately being invited to become Stalin's personal barber at the Kremlin where he is entitled to live in a government house

with other Soviet dignitaries In the intrigue that follows Avraham now known as Razan is not only barber to Stalin but also to the many Stalin look alikes that the paranoid dictator circulates to thwart possible assassination attempts including one from Razan himself *Joseph Stalin* David R. Egan, Melinda A. Egan, 2007-07-25 With the opening of Russian and communist bloc archives dating from the Soviet era there has been a significant increase of scholarly writings pertaining to Joseph Stalin Widely considered to be among the most influential historical figures of the twentieth century Stalin continues to be a source of intense study In the absence of a comprehensive compilation of periodical literature the need for *Joseph Stalin An Annotated Bibliography of English Language Periodical Literature to 2005* is conspicuous Ranging from editorials and news reports to academic articles the more than 1 700 sources cited collectively cover the full range of his life the various aspects of his leadership and virtually all facets of the system and practices traditionally associated with his name The coverage in this bibliography extends beyond the person of Stalin to include the subjects of Stalinism the Stalinist system the Stalin phenomenon and those policies and practices of the Communist Party and Soviet state associated with him This volume also provides a record of scholarly opinion on Stalin and sheds light on the evolution and current state of Stalinology An effort has been made to list only those articles in which Stalin figures prominently but in some instances articles have been included which do not center on Stalin but are worthy of listing for other reasons The book is divided into fourteen main sections General Studies and Overviews Biographical Information and Psychological Assessments The Revolutionary Movement October Revolution and Civil War Rise to Power Politics Economics Society and Social Policy Nationalism and Nationality Policy Culture Religion Philosophy and Theory Foreign Relations and International Communism Military Affairs and De Stalinization Including a subject index of several hundred headings and even greater number of subheadings this comprehensive annotated bibliography should be of benefit to those individuals who for the purpose of research or classroom

*Stalin's Scribe* Brian Boeck, 2019-02-05 A masterful and definitive biography of one of the most misunderstood and controversial writers in Russian literature Mikhail Sholokhov is arguably one of the most contentious recipients of the Nobel Prize in literature in history As a young man Sholokhov's epic novel *Quiet Don* became an unprecedented overnight success *Stalin's Scribe* is the first biography of a man who was once one of the Soviet Union's most prominent political figures Thanks to the opening of Russia's archives Brian Boeck discovers that Sholokhov's official Soviet biography is actually a tangled web of legends half truths and contradictions Boeck examines the complex connection between an author and a dictator revealing how a Stalinist courtier became an ideological acrobat and consummate politician in order to stay in favor and remain relevant after the dictator's death *Stalin's Scribe* is remarkable biography that both reinforces and clashes with our understanding of the Soviet system It reveals a Sholokhov who is bold uncompromising and sympathetic and reconciles him with the vindictive and mean spirited man described in so many accounts of late Soviet history Shockingly at the height of the terror which claimed over a million lives Sholokhov became a member of the most minuscule subset of the Soviet

Union's population the handful of individuals whom Stalin personally intervened to save *Stalin* Nigel Cawthorne, 2012-07-24 Death is the solution to all problems No man no problem Joseph Stalin Worshipped by the Russians as a great leader Stalin was one of modern history's greatest tyrants rivalling Hitler Mao Zedong and Pol Pot But he probably had more blood on his hands than any of them Born Josef Dzhugashvili in Gori Georgia in 1879 Stalin studied to be a priest while secretly reading the works of Karl Marx Politics soon became his religion and under his ruthless rule up to 60 million people perished Peasants who resisted Stalin's policy of collectivisation were denounced as Kulaks arrested and shot exiled or worked to death in his ever expanding network of concentration camps the Gulag Nobody was safe not even his friends his family or his political allies This is the story of a man who never let up for a second in his pursuit of absolute power

**Graphic Design Annual**, 1987 **Stalin** Simon Sebag Montefiore, 2007-12-18 NATIONAL BESTSELLER This widely acclaimed biography of a Soviet dictator and his entourage during the terrifying decades of his supreme power transforms our understanding of the Marxist leader and Russian tsar From the bestselling author of *The Romanovs* The first intimate portrait of a man who had more lives on his conscience than Hitler Disturbing and perplexing The New York Times Book Review Based on groundbreaking research Simon Sebag Montefiore reveals the fear and betrayal privilege and debauchery family life and murderous cruelty of this secret world Written with bracing narrative verve this feat of scholarly research has become a classic of modern history writing Showing how Stalin's triumphs and crimes were the product of his fanatical Marxism and his gifted but flawed character this is an intimate portrait of a man as complicated and human as he was brutal and chilling **Comrade Stalin Altered His Haircut /An Irreverent Romp Thru History and Linguistics / a Novel** Roman Rutman, 2014-02-13 COMMENTS ON RUTMANS WRITINGS a very warm lively tale a reasonable friendly calm voice Alexander Solzhenitsyn Nobel Prize in literature PRAISE FOR COMRADE STALIN CHANGED HIS HAIRCUT The book is rich in good plot a great deal of interesting detail and written with imaginative language and literary talent Edward Kline author and editor New York The piece is full fledged as dense as a tree The intrigue is truly captivating Indeed I took the characters adventures very close to heart The main idea is very neat Its why not fantastic It must be uplifting to be the author of such a book Anatoly Naiman author Russian Bookers finalist Moscow I very much liked the book I particularly liked Comrade Kovner Tom Segev author Israel Roman Rutman retired professor of University of Massachusetts Dartmouth lives in Dartmouth Massachusetts **Stalin and His Hangmen** Donald Rayfield, 2005-03-31 Stalin like Hitler and other tyrants won and held power because he had collaborators hangmen Drawing on newly released archival material Donald Rayfield gives us a fuller and more colourful picture of Stalin's inner circle than ever before Stalin was not the sole author of Stalinism What motivated his chiefs of police Feliks Dzierzynski Viacheslav Manzhinsky Genrikh Iagoda Nikolai Ezhov and Lavrenti Beria What did they want What were their relations with the regime and its ruler How did their upbringing and experience mould them And how does the terror they create connect with the terror they felt Stalin and His Hangmen reconstructs the

psychological mechanism of a whole regime and what it held together The extent of the misery caused by Stalin and his Hangmen can be compared in Europe only to that brought about by Hitler and his henchmen But Stalin's heritage is if possible even worse than Hitler's His rule enslaved three generations not one the horror of what he did has not yet been fully understood and his countrymen have not yet found the strength to disavow him All the more important then that this diabolical tale should be told Beyond the Revolution in Russia: Narratives – Concepts – Spaces Jaromír Mrňka, 2021-09-01 The book

sheds light on the preconditions and consequences extending far beyond the event that opened up totally new horizons in 1917 To mark the centennial of the Russian Revolution an international team of both junior and experienced scholars from Austria Belarus Brazil the Czech Republic France Israel Poland Russia and Slovakia brought together contributions from the surprisingly broad interdisciplinary field of comparative economic conceptual and political history human geography and urbanism literature media studies and political science The book explains the Russian revolution in a complex ambiguity between the event and its immediate consequences medium term social and economic transformations and the long term reconfiguration of the spaces of politics and culture **Stalin's Folly** Constantine Pleshakov, 2006-12-12 On June 22 1941

radios all over the Soviet Union crackled with the announcement that the country had been attacked by Nazi Germany But the voice on the airwaves was not the familiar one of Joseph Stalin it was the voice of his deputy Molotov Paralyzed by Hitler's unexpected move Stalin disappeared completely from public view for the crucial ten days of war on the Eastern Front In this taut hour by hour account Constantine Pleshakov draws on a wealth of information from newly opened archives to elucidate the complex causes of the Soviet leader's reaction revealing the feared despot's unrealized military stratagems as well as his personal vulnerabilities while also offering a new and deeper understanding of Russian history Editing Economists and Economists as Editors Pascal Bridel, 1992

**In the Casa Azul** Meaghan Delahunt, 2003-05-06 This breathtaking first novel explores Leon Trotsky and his wife's years of Mexican exile in the home of Frida Kahlo and her husband Diego Rivera Mingled with the voices of Stalin's desolate young wife and that of Trotsky himself are the tales of the lesser known who have also created history the Mexican artist who foretells Trotsky's death a Bolshevik engineer surviving the chill of the Stalinist regime the bodyguard who is unable to prevent the assassination Together the stories reveal the panorama of Russian history revolution and upheaval in the twentieth century **Angels on the Head of a Pin** Iouri

Droujnikov, 2002 The novel is set in Moscow in the late 1960s at a time when Khrushchev era liberalization is being threatened by the return to personality cults and repression following the Soviet intervention in Czechoslovakia Yuri Druzhnikov is the author of a number of works of fiction and non fiction including the Alexander Pushkin biography Prisoner of Russia The satirical novel Angels on the Head of a Pin sold a quarter of a million copies in its first edition and has been named one of the ten best Russian novels of the twentieth century by the University of Warsaw and the best contemporary novel in translation by UNESCO In 2001 Yuri Druzhnikov was put forward by Poland as a candidate for the Nobel Prize

Blacklisted in his homeland for fifteen years he emigrated to the United States in 1987 and now teaches at the University of California Davis Reputation founded on serious and satirical writings recommends him both as a talented writer and courageous humanist Bernard Malamud A very important book without which it is difficult to imagine contemporary literature a book that has entered the canon of texts describing the epoch of totalitarianism Professor Lucjan Suchanek Jagellonian University Poland Daughter of the Revolution Peter Hargitai, 2006-09-27 October 23 1956 For 12 days countless Hungarian teenagers fought in the bloody Hungarian Revolution against Communist tyranny and overwhelming Soviet armor They set up tank barricades tossed Molotov cocktails and with their confiscated Russian submachine guns made a stand on the streets of Budapest hoping to hold out until help arrived from the West But there was no help Nobody came to their aid This is the story of one such brave freedom fighter a 14 year old girl For 12 days in 1956 the Hungarian people caught a fleeting glimpse of their independence Armed with little more than a love of liberty the impatient patriots of Hungary rose up against the mighty Soviet empire They stormed the jails and they freed political prisoners For 12 days there was hope but then came the response and it was terrible and ferocious Soviet troops and tanks rumbled into Hungary killing tens of thousands of people and condemning thousands of others to Siberian gulags Condoleezza Rice U S Secretary of State

*LIFE* ,1951-06-11 LIFE Magazine is the treasured photographic magazine that chronicled the 20th Century It now lives on at LIFE com the largest most amazing collection of professional photography on the internet Users can browse search and view photos of today s people and events They have free access to share print and post images for personal use **Mass Communication and Journalism** Gail Robinson, 2019-09-06 The study of mass communication is often associated with the practical applications of journalism Print media television and radio broadcasting film public relations or advertising With the diversification of media options the study of communication has extended to include social media and new media which have stronger feedback models than traditional media sources While the field of mass communication is continually evolving the following four fields are generally considered the major areas of study within mass communication They exist in different forms and configurations at different schools or universities but are in some form practiced at most institutions that study mass communication Advertising in relation to mass communication refers to marketing a product or service in a persuasive manner that encourages the audience to buy the product or use the service The presented book has been written in view of tremendous changes being marked in almost each and every spheres of life in 21st century ad the role of media has also made a significant change Its changing role and its perception are being deliberately marked The book carries out comprehensive analysis of above mentioned facts **Social Control and Social Change** Liddell Henry, 2019-08-24 Socialization is predominately an unconscious process by which a new born child learns the values beliefs rules and regulations of society or internalizes the culture in which it born Social control is described in detail at the end of the book It is intended as a book for undergraduate and postgraduate students of sociology and a reference tool to the researchers and

academic professionals this comprehensive and well structured book presents in a systematic way the Social Control and Social Change The book is undoubtedly a valuable asset for the students researchers as well as teachers of sociology In addition general readers concerned with social aspects and social progress will find it extremely informative
