Enjoyment and Submission in Modern Fantasy Mihnea Panu,2016-11-03 This book reveals the workings of the bourgeois passion for submission in a variety of contemporary contexts By re introducing the concept bourgeois as an analytical term and describing this contemporary subject as a psychic economy rather than just as a social class Panu shows the intractability of contemporary forms of enjoyment and neoliberalism s periodic outbursts of aggressiveness to be connected by a recurrent circuit of trauma and anxiety originating in the bourgeois subject s difficult relationship with symbolic authority So far most anticapitalist and decolonial struggles in the West have been hesitant when engaging with the issue of bourgeois enjoyment as the main source of capitalism s resilience This exciting new work draws on an extensive range of theorists such as Butler Copjec i ek and Zupancic to emphasise the importance of psychological mechanisms irreducible to rationality or knowledge such as desire enjoyment and the obscure nature of selfhood in the reiteration of the current capitalist reality

The Racist Fantasy Todd McGowan, 2022-10-06 What stands out about racism is its ability to withstand efforts to legislate or educate it away In *The Racist Fantasy* Todd McGowan argues that its persistence is due to a massive unconscious investment in a fundamental racist fantasy As long as this fantasy continues to underlie contemporary society McGowan claims racism will remain with us no matter how strenuously we struggle to eliminate it The racist fantasy a fantasy in which the racial other is a figure who blocks the enjoyment of the racist is a shared social structure No one individual invented it and no one individual is responsible for its perpetuation While

no one is guilty for the emergence of the racist fantasy people are nonetheless responsible for keeping it alive and thus responsible for fighting against it The Racist Fantasy examines how this fantasy provides the psychic basis for the racism that appears so conspicuously throughout modern history The racist fantasy informs everything from lynching and police shootings to Hollywood blockbusters and musical tastes This fantasy takes root under capitalism as a way of explaining the failures and disappointments that result from the relationship to the commodity The struggle against racism involves dislodging the fantasy structure and to change the capitalist relations that require it This is the project of this book
