Ann Hironaka

Retreat From Doomsday The Obsolescence Of Major War:

Retreat from Doomsday John Mueller, **Retreat From Doomsday** John Mueller, 1989-04-17 In *Retreat from Doomsday* John Mueller traces the major Cold War crises of the postwar era Korea Cuba Vietnam and concludes that despite their revolutionary and expansionist ideology former Soviet leaders never saw major war as a sensible tactic **Bulletin of the Atomic Scientists** ,1989-10 The Bulletin of the Atomic Scientists is the premier public resource on scientific and technological developments that impact global security Founded by Manhattan Project Scientists the Bulletin s iconic Doomsday Clock stimulates solutions for a safer world The Waning of Major War Raimo Vayrynen,2013-10-31 This book is a systematic effort by leading international scholars to map the trends in major power warfare and explore whether it is waxing or waning The main point of departure is that major power war as a historical institution is in decline This does not mean though that wars between states are in general disappearing While there is some convergence in the conclusions by individual authors they are by no means unanimous about the trend The articles explore different causes and correlates of the declining trend in major power warfare including the impact of the international structure nuclear weapons international law multilateral institutions sovereignty and value changes *Theories of War and Peace* Michael E. Brown,Owen R. Cote, Jr.,Sean M. Lynn-Jones,Steven E. Miller,1998-09-15 New approaches to understanding war and peace in the changing international system What causes war How can wars be prevented Scholars and policymakers have sought the answers to these questions for centuries Although wars continue to occur recent scholarship has made progress toward developing more sophisticated and perhaps more useful theories on the causes and prevention of war This volume includes essays by leading scholars on contemporary approaches to understanding war and peace The essays include expositions analyses and critiques of some of the more prominent and enduring explanations of war Several authors discuss realist theories of war which focus on the distribution of power and the potential for offensive war Others examine the prominent hypothesis that the spread of democracy will usher in an era of peace In light of the apparent increase in nationalism and ethnic conflict several authors present hypotheses on how nationalism causes war and how such wars can be controlled Contributors also engage in a vigorous debate on whether international institutions can promote peace In a section on war and peace in the changing international system several authors consider whether rising levels of international economic independence and environmental scarcity will influence the likelihood of war **The Cold War and After** Sean M. Lynn-Jones,Steven E. Miller,1993 *The Cold War and After* presents a collection of well reasoned arguments selected from the journal *International Security* on the causes of the Cold War and the effect of its aftermath on the peaceful coexistence of European states This new edition includes all of the material from the first edition plus four new articles *The Unipolar Illusion Why New Great Powers Will Rise* Christopher Layne *International Primacy Is the Game Worth the Candle* Robert Jervis *Why International Primacy Matters* Samuel P Huntington and *International Relations Theory and the End of the Cold War* John Lewis Gaddis

Sean M Lynn Jones is Managing Editor of International Security Steven E Miller is Director of Studies at the Center for Science and International Affairs Harvard University *War and Ideas* John Mueller, 2013-09-13 This book collects the key essays together with updating notes and commentary of Professor John Mueller on war and the role of ideas and opinions Mueller has maintained that war and peace are in essence merely ideas and that war has waned as the notion that peace is a decidedly good idea has gained currency The first part of the book extends this argument noting that as ideas have spread war is losing out not only in the developed world but now in the developing one and that even civil war is in marked decline It also assesses and critiques theories arguing that this phenomenon is caused by the rising acceptance of democracy and or capitalism The second part argues that the Cold War was at base a clash of ideas that were seen to be threatening not of arms balances domestic systems geography or international structure It also maintains that there has been a considerable tendency to exaggerate security threats currently in particular the one presented by international terrorism and to see them in excessively military terms The third section deals with the role public opinion plays in foreign policy and argues that many earlier conclusions about opinion during the Korean and Vietnam Wars including especially ones concerning the importance of casualties in determining popular support for war apply to more recent military ventures in the Persian Gulf Bosnia Iraq and Afghanistan It also assesses the difficulties leaders and idea entrepreneurs often encounter when they try to manage or manipulate public opinion This book will be of much interest to students of international relations security studies foreign policy and international history America's Strategy in a Changing World Sean M. Lynn-Jones, Steven E. Miller, 1992 Del 1

America's Strategic options in a Changing Security Environment Del 2 Dimensions of U S Strategy after the Cold War
America's Strategic Choices, revised edition Michael E. Brown, Owen R. Cote, Jr., Sean M. Lynn-Jones, Steven E. Miller, 2000-07-18 Contending perspectives on the future of US grand strategy More than a decade has passed since the end of the Cold War but the United States has yet to reach a consensus on a coherent approach to the international use of American power The essays in this volume present contending perspectives on the future of U S grand strategy U S policy options include primacy cooperative security selective engagement and retrenchment This revised edition includes additional and more recent analysis and advocacy of these options The volume includes the Clinton administration's National Security Strategy for a New Century the most recent official statement of American grand strategy so readers can compare proposed strategies with the official U S government position **International Security and Conflict** Bruce Russett, 2017-03-02 This important collection of classic articles and papers presents a variety of perspectives on key topics in international security and conflict These include how the structure of the international system constrains nations choices how domestic politics may affect decisions on war and peace how individual and small group behaviour can affect foreign policy and how international organizations can affect the security of states and peoples Some of the selections are classics but most represent recent research and analysis They draw on international scholars working from different kinds of theories realist

liberal institutionalist and constructivist and research methods to ask why nation states may fight violently or stay at peace

Tokens of Power Ann Hironaka, 2017-03-06 What motivates going to war This book reexamines how leaders make decisions based on appearances of power over military reality *The United States and the End of the Cold War* John Lewis Gaddis, 1992 Provides new interpretations of American style in foreign policy *The Culture of National Security* Peter J. Katzenstein, 1996 The political transformations of the 1980s and 1990s have dramatically affected models of national and international security Particularly since the end of the Cold War scholars have been uncertain about how to interpret the effects of major shifts in the balance of power Are we living today in a unipolar bipolar or multipolar world Are we moving toward an international order that makes the recurrence of major war in Europe or Asia highly unlikely or virtually inevitable Is ideological conflict between states diminishing or increasing **Globalization and the National Security State** Norrin M. Ripsman, T.V. Paul, 2010-03-18 Introduction national security state in the era of globalization Globalization and national security key propositions The global security environment The major powers States in stable regions States in regions of enduring rivalry Weak and failing states Conclusion state adaptation to a new global environment *America's Victories* Larry Schweikart, 2015-09-18 In America's Victories Professor Larry Schweikart restores the truth about our amazing military heritage Just as he did in his acclaimed previous book *A Patriot's History of the United States* Professor Schweikart cuts through the distortions passed along by academia and the media **War, State and Sovereignty** Grégory Daho, Yann Richard, 2023-07-28 This book addresses the links between war state and sovereignty using an interdisciplinary approach The authors and editors investigate the transformation of the state through the practices of security governance an effective way to question the evolution of authority and legitimacy of state violence and the organisation of human societies This work contributes to the understanding of the transformation of state through the prism of security challenges and provides the means to identify the evolution of their regalian contours the legal and technical forms of regulating violence and the legitimisation of public power This volume shows that the contribution of the social sciences is decisive for understanding the changes of the role and insertion of armed forces in their political social and professional environment **The Cold War's Odd Couple** Steve Tsang, 2005-10-28 The relationship between the USA and the People's Republic of China PRC was the defining factor in the Cold War in Asia the potentially explosive conflict which as seen in the Korean War brought the world to the brink of nuclear disaster The PRC had not become Titoist as some hoped and remained firmly within the Soviet international orbit But how did Great Britain and the Republic of China ROC fit into this potentially lethal global jigsaw Steve Tsang has illuminated the history of a seemingly obscure corner of international relations and politics but which was to contemporaries at the heart of global survival He has carried out extensive research in unique Chinese and English language sources both official and private *The Adaptive Military* James Burk, 2017-07-05 When the cold war ended many hoped it signified enhanced prospects for a more stable world However despite favorable political developments the post cold war

period has been marked by turbulence uncertainty and challenge The actions of rogue states such as Iraq and North Korea have made nuclear proliferation more unpredictable Violence in Somalia and Bosnia has cast doubt on the viability of international peacekeeping arrangements Hopes for expanding democratization have been dimmed by assertions that the values of liberal democracy and human rights are incompatible with non Western cultures The Adaptive Military describes how military security policies and practices have adapted to these new times and explains why such changes are necessary The central argument is that current conflicts have been shaped by long term trends which increased the number and complexity of threats that the developed world is supposed to meet and correspondingly decreased the stock of social and political options available to meet them Although the authors differ in their assessments about the current prospects for peace and ways to maintain security the issues they address are as critical as they were at the end of the Cold War Mobilizing resources and political support for remote and difficult enterprises will always remain contentious but if we recognize the hazard of letting violence run unopposed throughout the world then we bear some responsibility to consider how it might be checked This volume is an exercise of that responsibility It will be of great interest to experts in military studies and international relations

Kalevi Holsti: Major Texts on War, the State, Peace, and International Order

Kalevi Holsti, 2016-02-22 In honour of Prof Kalevi Holsti's 80th birthday this book includes key texts by the renowned Canadian International Relations scholar on war the state peace and the international order The first part includes texts on the Study of War Use of Force in International Politics Four Revolutions and The Decline of Interstate War while the second part analyses International Sports Competition and the Creation and Sustenance of Statehood as well as Internationalism and Nationalism within the Multi Community State The third part addresses The Peacemakers Issues and International Order Governance Without Government Polyarchy in 19th Century European International Politics and The Post Cold War Settlement in Comparative Perspective Prof Holsti is a former president of the International Studies Association and the author of a major textbook that was translated into Mandarin Korean Japanese and Bahasa Indonesian Thousands of undergraduates around the world are acquainted with his work

Taming the Sovereigns Kalevi Jaakko

Holsti, 2004-01-22 Many analysts claim that international politics has recently entered a new era following the end of the Cold War and then the events of September 11th In this book Kalevi Holsti asks what we mean by change in international politics How do we identify it How do we distinguish between significant and unimportant changes Do we really live in a new era or do we see more continuity than transformation in the texture of international politics Combining theoretical and empirical argument Holsti investigates eight major international institutions including the state sovereignty territoriality international law diplomacy trade and war Having identified the types of change these institutions have undergone during the last three centuries Holsti analyses the sources of those changes and speculates on their consequences This is a major book likely to have lasting influence in the study of international politics

Retreat From Doomsday The Obsolescence Of Major War Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Retreat From Doomsday The Obsolescence Of Major War PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge

promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Retreat From Doomsday The Obsolescence Of Major War PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Retreat From Doomsday The Obsolescence Of Major War free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

FAQs About Retreat From Doomsday The Obsolescence Of Major War Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Retreat From Doomsday The Obsolescence Of Major War is one of the best book in our library for free trial. We provide copy of Retreat From Doomsday The Obsolescence Of Major War in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Retreat From Doomsday The Obsolescence Of Major War. Where to download Retreat From Doomsday The Obsolescence Of Major War online for free? Are you looking for Retreat From Doomsday The Obsolescence Of Major War PDF? This is definitely going to save you time and cash in something you should think about. If you trying to find then search around for online. Without a doubt there are numerous these available and many of them have the freedom. However without

doubt you receive whatever you purchase. An alternate way to get ideas is always to check another Retreat From Doomsday The Obsolescence Of Major War. This method for see exactly what may be included and adopt these ideas to your book. This site will almost certainly help you save time and effort, money and stress. If you are looking for free books then you really should consider finding to assist you try this. Several of Retreat From Doomsday The Obsolescence Of Major War are for sale to free while some are payable. If you arent sure if the books you would like to download works with for usage along with your computer, it is possible to download free trials. The free guides make it easy for someone to free access online library for download books to your device. You can get free download on free trial for lots of books categories. Our library is the biggest of these that have literally hundreds of thousands of different products categories represented. You will also see that there are specific sites catered to different product types or categories, brands or niches related with Retreat From Doomsday The Obsolescence Of Major War. So depending on what exactly you are searching, you will be able to choose e books to suit your own need. Need to access completely for Campbell Biology Seventh Edition book? Access Ebook without any digging. And by having access to our ebook online or by storing it on your computer, you have convenient answers with Retreat From Doomsday The Obsolescence Of Major War To get started finding Retreat From Doomsday The Obsolescence Of Major War, you are right to find our website which has a comprehensive collection of books online. Our library is the biggest of these that have literally hundreds of thousands of different products represented. You will also see that there are specific sites catered to different categories or niches related with Retreat From Doomsday The Obsolescence Of Major War So depending on what exactly you are searching, you will be able to choose ebook to suit your own need. Thank you for reading Retreat From Doomsday The Obsolescence Of Major War. Maybe you have knowledge that, people have search numerous times for their favorite readings like this Retreat From Doomsday The Obsolescence Of Major War, but end up in harmful downloads. Rather than reading a good book with a cup of coffee in the afternoon, instead they juggled with some harmful bugs inside their laptop. Retreat From Doomsday The Obsolescence Of Major War is available in our book collection an online access to it is set as public so you can download it instantly. Our digital library spans in multiple locations, allowing you to get the most less latency time to download any of our books like this one. Merely said, Retreat From Doomsday The Obsolescence Of Major War is universally compatible with any devices to read.
