McCray,2019-10-16 Few have consoled the church as ably as the fourteenth century mystic Julian of Norwich However her prophetic gifts have received little scholarly attention Drawing on contemporary homiletical theory and the history of Christian spirituality Donyelle C McCray presents Julian as a preacher examining the apostolic dimensions of Julian s vocation as an anchoress and highlighting the steps she took to align herself with renowned preachers like Saint Cecelia Mary Magdalene and the apostle Paul Like Paul Julian saw Jesus body as her primary text placed human weakness at the center of her theology and used her own confined body as a rhetorical tool Yet she navigated a web of censorship that threatened to silence her To voice her convictions Julian developed a novel approach to authority and exploited the fluidity of the medieval English sermon genre McCray charts this process revealing Julian as a central personality in the history of preaching whose best contemporary parallels operate outside the pulpit in august figures like retreat leader Evelyn Underhill gospel singer Mother Willie Mae Ford Smith and street preacher Reverend Billy     **Around the Year with the Von Trapp Family** Maria Augusta von Trapp,2018-10-18 In this joyful and charming book Maria von Trapp from The Sound of Music unveils for you the year round Christian traditions she loved traditions that created for her large family a warm and inviting Catholic home and will do the same for yours Here are the songs they sang for feasts and holidays as well as Maria s personal recipes for traditional holiday foods Here are stories and games to delight your children and countless other ways to turn events such as anniversaries baptisms graduations birthdays wedding receptions and even funerals into feasts celebrated in the Lord Most people only know the young Maria from The Sound of Music few realize that in subsequent years as a pious wife and a seasoned Catholic mother Maria gave herself unreservedly to keeping her family Catholic by observing in her home the many feasts of the Church s liturgical year with poems and prayers food and fun and so much more With the help of Maria von Trapp you too can provide Christian structure and vibrancy to your home Soon your home will be a warm and loving place an earthly reflection of our eternal home     **Teresa - A Woman** Victoria Lincoln,1985-06-30 She was a saint a mystic a reformer a legend and she was a fascinating and complex woman This is the first full scale biography of Saint Teresa of Avila from a human nonconfessional point of view Victoria Lincoln immersed herself thoroughly in all of Saint Teresa s writings including her extensive correspondence She has reconstructed the inner

life of this rigorous reformer of the Carmelite Order and disciplined explorer of mystical experience The relation between Saint Teresa's inner and outer life is defined with new insight and profundity Confessions of an Ordinary Mystic Jannel T.
