Return of the Warrior Kinley MacGregor, 2002 [The Return](#) David J. Danelo, 2014-10-29

Illuminating General James N Mattis USMC ret. Written with the skill and precision of a philosophical sniper, Matt Furey, author of *The Unbeatable Man*, Since 9/11 and before American warriors have faced combat in difficult and adverse theaters with dedication, courage, and remarkable inner fortitude. Our nation supports them during their time in the fight and thank you for your service has become a common civilian affirmation. Marine combat veteran David J. Danelo's message is simple: those who return to peace after war possess a power that must be discovered, honored, and treasured. *The Return: A Field Manual for Life After Combat* tells how our military and civilian cultures can protect and nurture this potent gift. Brilliant, moving, and accurate. Dr. Edward Tick, author of *War and the Soul*. U.S. Army Green Berets were the first in and the last out of the longest war in American history. *The Return* is showing them how to come home and find peace. Lieutenant Colonel David Scott Mann, U.S. Army Ret., Green Beret Foundation.

Stranded II: Return to Plusar Arthur Wyllie, 2006-11-01. This is the second book in the *Stranded* series. Once again, Major Ryan Gibbons is forced to land on Plusar, and General Eichstaedt and Alana must mount a rescue mission. None of them have any idea of the incredible dangers that await them on their return to this savage little planet.

Understanding War Christian P. Potholm, 2016-08-03. The third book in Professor Christian Potholm's war trilogy, which includes *Winning at War* and *War Wisdom*. *Understanding War* provides a most workable bibliography dealing with the vast literature on war and warfare. As such, it provides insights into over 3000 works on this overwhelmingly extensive material. *Understanding War* is thus the most comprehensive annotated bibliography available today. Moreover, by dividing war material into eighteen overarching themes of analysis and fifty seminal topics and focusing on these, *Understanding War* enables the reader to access and understand the broadest possible array of materials across both time and space, beginning with the earliest forms of warfare and concluding with the contemporary situation. Stimulating and thought-provoking, this volume is essential for an understanding of the breadth and depth of the vast scholarship dealing with war and warfare through human history and across cultures.

[The Return](#) Olu Ibukun, 1970. In this highly accomplished first novel, Olu Ibukun describes the initial impact of Christianity on Yoruba society, giving his readers a graphic illustration of the struggle between old Africa and the forces of Western civilisation. Ebu Odanogun, the hero of the novel, is a favoured descendant of powerful warrior chiefs and is therefore destined for a position of leadership in his village society. But he is also the son of one of the first Christian converts among a superstitious and taboo-ridden people. Torn between two

apparently irreconcilable worlds Odanogun finds after years of agonising decisions and indecisions that a synthesis is possible and that one can assimilate the white man s education and culture and yet still enjoy what is unique in Africa s living heritage Goodreads *The Japan Daily Mail* ,1914 **Return of the Warrior** Rebecca York,2002 **Understanding the Book of Revelation** J. Scott Duvall,J. Daniel Hays,C. Marvin Pate,2012-04-10 Informative and non sensationalistic Understanding the Book of Revelation explores the literary genre and historical situation and purpose of Revelation along with interpretive approaches to it This digital short also includes an outlined overview of the book s content and reflections on its overarching theological message Easy to read but substantiated by solid scholarship and biblical study Understanding the Book of Revelation is a handy reference tool for personal Bible study or Bible teachers tackling this admittedly difficult book of the Bible This short is derived from a longer resource entitled the Dictionary of Biblical Prophecy and End Times
