American Small-Town Fiction, 1940-1960 Nathanael T. Booth,2019-01-29 In literature and popular culture small town America is often idealized as distilling the national spirit Does the myth of the small town conceal deep seated reactionary tendencies or does it contain the basis of a national re imagining During the period between 1940 and 1960 America underwent a great shift in self mythologizing that can be charted through representations of small towns Authors like Henry Bellamann and Grace Metalious continued the tradition of Sherwood Anderson in showing the small town by extension America itself profoundly warping the souls of its citizens Meanwhile Ray Bradbury Toshio Mori and Ross Lockridge Jr sought to identify the small town s potential for growth away from the shadows cast by World War II toward a more inclusive democratic future Examined together these works are key to understanding how mid 20th century America refashioned itself in light of a new postwar order and how the literary small town both obscures and reveals contradictions at the heart of the American experience

Craggs,2019-05-03 First published in 1998 music scored for film has only relatively recently received the critical attention which it merits Many composers in the twentieth century have written works for films or documentaries a number feeling that this aspect of their output has been undervalued This dictionary complements other studies which have appeared in recent years which look at the technical and theoretical issues concerned with film music composition Arranged alphabetically by composer the volume comprises over 500 entries covering all nationalities Each entry includes very brief biographical information on the composer followed by a list of the films with dates for which he or she has composed Details of recordings are also given The dictionary s international coverage ensures that it will become a standard reference work for all those interested in the history of twentieth century music and the development of film **Seen That, Now What?**

Andrea Shaw,1996-04-09 This revolutionary reference offers viewers a variety of ways to hone in on the right choice for an evening s entertainment Going beyond the broad categories Action Comedy Drama etc found in most guides this book features small groups of films arranged according to specific categories as historical swashbucklers screwball comedies and Busby Berkeley musicals Shaw eschews the standard star rating system to focus on more telling criteria Necessary American Fictions William Darby,1987 William Darby gives us a comprehensive and mostly sympathetic reading of over fifty novels and a few movies from the 1950s He examines titles such as Mandingo The Invisible Man I the Jury Catcher in the Rye Battle Cry The Caine Mutiny The Revolt of Mamie Stover The Manchurian Candidate Hawaii The Bramble Bush Peyton Place Ten North Frederick A Stone for Danny Fisher The Bad Seed Not as a Stranger The Blackboard Jungle From Here to Eternity and Compulsion José Ferrer Mike Peros,2020-08-19 Jos Ferrer 1912 1992 became the first Puerto Rican actor to win the Best Actor Academy Award for the 1950 film version of Cyrano de Bergerac His iconic portrayal of the lovelorn poet swordsman had already won him the Tony in 1947 and he would be identified with Cyrano for the rest of his life Ferrer was a theatrical dynamo with limitless energy in 1952 he directed Stalag 17 The Fourposter and The Shrike which he starred in on Broadway while New York City movie marquees were heralding his appearance in Anything Can Happen At his apex in the 1950s Ferrer was in constant demand both in theater and movies He capitalized on his Oscar with such triumphs as Moulin Rouge and The Caine Mutiny Not content with merely acting Ferrer soon became a force behind the camera acting and directing such critically well received films as The Shrike and The Great Man Success proved difficult to sustain In the late 1950s such ambitious theatrical productions as Edwin Booth and Juno were critical and commercial flops while film studios

also lost their patience with him By the mid 1960s Ferrer took whatever roles he could get in films television or regional theater In addition Ferrer had a turbulent personal life His first marriage to actress Uta Hagen ended in divorce and scandal His personal and professional relationship with his Othello costar Paul Robeson landed Ferrer before the House Un American Activities Committee Ferrer s marriage to actress dancer Phyllis Hill was marred by his infidelity while his initial wedded bliss with singer Rosemary Clooney eroded as his career began to ebb while hers started to peak In spite of everything Ferrer managed to endure and was working practically right up to his death Ferrer maintained his pride in his Puerto Rican heritage donating his Oscar to the University of Puerto Rico while championing the work of Latino poets and playwrights He continuously evolved striving to remain relevant stretching his talents including cabaret operas musicals and yes ballet and writing the occasional guest column for major newspapers Ferrer s life is an American success story and a testament to reinvention and resilience

Ferocious Ambition Robert Dance,2023-10-12 Robert Dance s new evaluation of Joan Crawford looks at her entire career and while not ignoring her early years and tempestuous personal life focuses squarely on her achievements as an actress and as a woman who mastered the studio system with a rare combination of grit determination beauty and talent Crawford s remarkable forty five year motion picture career is one of the industry s longest Signing her first contract in 1925 she was crowned an MGM star four years later and by the mid 1930s was the most popular actress in America In the early 1940s Crawford s risky decision to move to Warner Bros was rewarded with an Oscar for Mildred Pierce This triumph launched a series of film noir classics In her fourth decade she teamed with rival Bette Davis in Whatever Happened to Baby Jane proving that Crawford whose career had begun by defining big screen glamour had matured into a superb dramatic actress Her last film was released in 1970 and two years later she made a final television appearance forty seven years after walking through the MGM gate for the first time Crawford made a successful transition into business during her later years notably in her long association with Pepsi Cola as a board member and the brand s leading ambassador Overlooked in previous biographies has been Crawford s fierce resolve in creating and then maintaining her star persona She let neither her age nor the passing of time block her unrivaled ambition and she continually reimagined herself noting once that for the right part she would play Wally Beery s grandmother But she was always the consummate star and at the time of her death in 1977 she was a motion picture legend and a twentieth century icon

The Encyclopedia of Film Composers Thomas S. Hischak,2015-04-16 For more than a century original music has been composed for the cinema From the early days when live music accompanied silent films to the present in which a composer can draw upon a full orchestra or a lone synthesizer to embody a composition music has been an integral element of most films By the late 1930s movie studios had established music departments and some of the greatest names in film music emerged during Hollywood s Golden Age including Alfred Newman Max Steiner Dimitri Tiomkin and Bernard Herrmann Over the decades other creators of screen music offered additional memorable scores and some composers such as Henry Mancini

Randy Newman and John Williams have become household names The Encyclopedia of Film Composers features entries on more than 250 movie composers from around the world It not only provides facts about these artists but also explains what makes each composer notable and discusses his or her music in detail Each entry includes Biographical material Important dates Career highlights Analysis of the composer s musical style Complete list of movie credits This book brings recognition to the many men and women who have written music for movies over the past one hundred years In addition to composers from the United States and Great Britain artists from dozens of other countries are also represented A rich resource of movie music history The Encyclopedia of Film Composers will be of interest to fans of cinema in general as well as those who want to learn more about the many talented individuals who have created memorable scores
