Woodrow Wilson and the Lost World of the Oratorical Statesman Robert Alexander Kraig, 2004 Kraig addresses this oversight by examining the rich neo classical traditions of Anglo American oratory and statesmanship the rhetorical pedagogy of the Gilded Age and the development of Wilson s own political thought He concludes with consideration of how Wilson s conception of oratorical leadership influenced his innovative conduct of the presidency Jacket

The Lost World of Pompeii Colin Amery, Brian Curran, 2002 Richly illustrated with historical images and new images of the site by acclaimed photographer Chris Caldicott The Lost World of Pompeii tells the fascinating story of the ghosts of a bygone era raised from the ashes BOOK JACKET

The Discovery of Middle Earth: Mapping the Lost World of the Celts Graham Robb, 2013-11-04 Intriguing and stimulating Jane Smiley Harper s In this real life historical treasure hunt bestselling author Graham Robb one of the more unusual and appealing historians currently striding the planet New York Times reveals the mapping of ancient Gaul as a reflection of the heavens demonstrates the lasting influence of Druid science and recharts the exploration of the world and the spread of Christianity This fascinating Los Angeles Times history offers nothing less than an entirely new understanding of the birth of modern Europe

Atlas of a Lost World Craig Childs, 2019-04-09 The first people in the New World were few their encampments fleeting On a side of the planet no human had ever seen different groups arrived from different directions and not all at the same time The land they reached was fully inhabited by megafauna mastodons giant bears mammoths saber toothed cats enormous bison and sloths that stood one story tall These Ice Age explorers hunters and families were wildly outnumbered and many would themselves have been prey to the much larger animals In *Atlas of a Lost World* Craig Childs blends science and personal narrative to upend our notions of where these people came from and who they were How they got here persevered and ultimately thrived is a story that resonates from the Pleistocene to our modern era and reveals how much has changed since the time of mammoth hunters and how little Through it readers will see the Ice Age and their own age in a whole new light

Messages from a Lost World Stefan Zweig, 2016-09-27 Stefan Zweig was a leading talisman of a united Europe of unfettered movement of pro active cultural exchange humane decency and tolerance all polar opposites of the Nationalist regimes he loathed and which came to power in the 1930s In these poignant essays and addresses forged in the last years or even months of his life he shows his profound concern for and dedication to the survival of Europe s spiritual integrity These essays form the natural accompaniment to Zweig s renowned memoir *The World of Yesterday* registering the same themes and evoking the same nostalgia for a world brutally consigned to history They can be seen as a vital addendum

to that major work or as a prefiguration But perhaps even more so than the prose of the memoir these essays few in number but rich in content reveal the essence of Zweig's thought [Rumors from the Lost World](#) Alan Davis, 2014-05-07 The stories in *Rumors from the Lost World* are about seeking and discovery fall and redemption memory and loss The characters are all shattered products of a broken past A grandson is embarrassed by his grandfather to the point of hatred yet after the old man has died the boy now a young man with a family of his own finds solace in recounting his grandfather's life to those who never knew him A husband troubled by the state of his marriage makes a desperate bid for emotional freedom when he drags his family on a quixotic journey westward to find the sun The daughter of Italian immigrants in New Orleans finds her only strength in genealogy and the binding ties of heritage In Davis's simple realistic stories there is magic in a world that still somehow seems devoid of magic Time which so shapes these characters is not linear what is gone is not lost Though there is tragedy ultimately there is hope and the power to continue the journey **THE LOST WORLD - 40 Books Collection:**
