Return To These Hills The Vermont Years Of Calvin Coolidge:

Return to These Hills Jane Curtis, Will Curtis, Frank Lieberman, 1998 The Tormented President Robert E. Gilbert, 2003-04-30 Although Calvin Coolidge is widely judged to have been a weak and even an incompetent president this study concludes that he was a leader disabled by a crippling emotional breakdown After an impressive early career Coolidge assumed the presidency upon the death of Warren Harding His promising political career suffered a major blow however with the death of his favorite child 16 year old Calvin Jr in July 1924 Overwhelmed with grief Coolidge showed distinct signs of clinical depression Losing interest in politics he served out his term as a broken man This is the first account of Coolidge's life to compare his behavior before and after this tragedy and the first to consider the importance of Coolidge's mental health in his presidential legacy Gilbert carefully documents the dramatic change in Coolidge's leadership style as well as the changes in his personal behavior In his early career Coolidge worked hard was progressive and politically astute When he became Vice President in 1921 he impressed the Washington establishment by being strong and activist After Harding's death Coolidge took control of his party dazzled the press distanced himself from the Harding scandals and showed ability in domestic and foreign policy His son's death would destroy all of this Gilbert documents Coolidge's subsequent dysfunctional behavior including sadistic tendencies rudeness and cruelty to family and aides and odd interactions with the White House staff *Silent Cal's Almanack: The Homespun Wit and Wisdom of Vermont's Calvin Coolidge* David Pietrusza, A treasury of the wit and wisdom of Calvin Coolidge America's surprisingly eloquent 30th President Silent Cal's Almanack includes The ultimate distillation of Calvin Coolidge political wisdom A selection of Silent Cal's key speeches A thought provoking original biographical essay A fascinating and unique 50 page portfolio of Coolidge photos editorial cartoons and campaign memorabilia A Coolidge timeline A Coolidge bibliography He wrote simply innocently artlessly H L Mencken once noted regarding Coolidge's prose He forgot all the literary affectations and set down his ideas exactly as they came into his head The result was a bald but strangely appealing piece of writing a composition of almost Lincolnian austerity and beauty The true Vermonter was in every line of it Supreme Court Justice David Souter recently wrote of Calvin Coolidge The simple beauty of his English prose exceeds anything I could say in praise of it The Fathers of American Presidents Jeff C. Young, 2024-10-11 Farmers shopkeepers businessmen politicians the fathers of the presidents of the United States have come from a wide variety of professions and all walks of life In many cases they provided their sons and future presidents with a political philosophy that they carried to the White House In a few instances the politics of the son differed significantly from that of his father This unique reference work provides biographies of both the biological and adoptive fathers of the 41 men who have served as president of the United States Were the personalities of the father and son similar What role did the father play in the son's upbringing How did the father's view influence the son's These questions and others are covered in each entry in addition to the biographical sketches of the fathers of the presidents *President Reagan* Richard

Reeves,2005-12-23 Twenty five years after Ronald Reagan became president Richard Reeves has written a surprising and revealing portrait of one of the most important leaders of the twentieth century As he did in his bestselling books *President Kennedy Profile of Power* and *President Nixon Alone in the White House* Reeves has used newly declassified documents and hundreds of interviews to show a president at work day by day sometimes minute by minute *President Reagan The Triumph of Imagination* is the story of an accomplished politician a bold even reckless leader a gambler a man who imagined an American past and an American future and made them real He is a man of ideas who changed the world for better or worse a man who understands that words are often more important than deeds Reeves shows a man who understands how to be President who knows that the job is not to manage the government but to lead the nation In many ways a quarter of a century later he is still leading As his vice president George H W Bush said after Reagan was shot and hospitalized in 1981 We will act as if he were here He is a heroic figure if not always a hero He did not destroy communism as his champions claim but he knew it would self destruct and hastened the collapse No small thing He believed the Soviet Union was evil and he had contempt for the established American policies of containment and détente Asked about his own Cold War strategy he answered We win They lose Like one of his heroes Franklin D Roosevelt he has become larger than life As Roosevelt became an icon central to American liberalism Reagan became the nucleus holding together American conservatism He is the only president whose name became a political creed a noun not an adjective Reaganism Reagan's ideas were so old they seemed new He preached an individualism inspiring and cruel that isolated and shamed the halt and the lame He dumbed down America brilliantly blending fact and fiction transforming political debate into emotion driven entertainment He recklessly mortgaged America with uncontrolled military spending less taxation and more debt In focusing on the key moments of the Reagan presidency Reeves recounts the amazing resiliency of Ronald Reagan the real comeback kid Here is a seventy year old man coming back from a near fatal gunshot wound from cancer from the worst recession in American history Then in personal despair as his administration was shredded by the lying and secrets of hidden wars and double dealing he was able to forge one of history's amazing relationships with the leader of the Evil Empire That story is told for the first time using the transcripts of the Reagan Gorbachev meetings the climax of an epic story as if he were here *Coolidge* Robert

Sobel,2012-04-01 In the first full scale biography of Calvin Coolidge in a generation Robert Sobel shatters the caricature of our thirtieth president as a silent do nothing leader Sobel instead exposes the real Coolidge whose legacy as the most Jeffersonian of all twentieth century presidents still reverberates today **Why Coolidge Matters** Charles C. Vermont Life ,1946 **Calvin Coolidge** M.C. Murphy,2023-06-06 This portrait of Calvin Coolidge reveals an astute politician and thinker seeking to restrain the unprecedented spending pressures of the 1920s and maintain a limited role for the federal government within his definition of progressivism He did so without a strong party caucus in Congress Instead he used considerable rhetorical skills a knack for publicity and the advent of radio and other new forms of mass circulation media to sway public opinion and keep his priorities at the forefront of national politics throughout his presidency The book argues that although Coolidge has been seen as the inspiration for supply side economics and tax cuts amid growing budget deficits since the 1980s his policy was to secure budget surpluses and debt reduction before tax cuts The book examines his approach to the issues that continue to trouble American politics today including questions about the scale and scope of the federal government **The New England Historical and Genealogical Register** ,1985 Beginning in 1924 Proceedings
