## Return To Winesburg:

**Winesburg, Ohio** Ann R. Morris, 1974 Cliff Notes give you the basics including such features as information about the author social and historical backgrounds structure and tradition of literary genres facts about the characters critical analyses review questions glossaries of unfamiliar terms foreign phrases and literary allusions maps genealogies and a bibliography to help you locate more data for essays oral reports and term papers Anderson's book was the first work of fiction to expose the hypocrisy frustration and inhibition behind the typical small town's facade of gentility *Winesburg, Ohio* Sherwood Anderson, 1999 there is within every human being a deep well of thinking over which a heavy iron lid is kept clamped Winesburg Ohio 1919 is Sherwood Anderson's masterpiece a cycle of short stories concerning life in a small Ohio town at the end of the nineteenth century At the centre is George Willard a young reporter who becomes the confidant of the town's grotesques solitary figures unable to communicate with others George is their conduit for expression and solace from loneliness but he has his own longings which eventually draw him away from home to seek a career in the city He carries with him the dreams and unuttered words of remarkable characters such as Wing Biddlebaum the disgraced former teacher and the story telling Doctor Parcival The book has influenced many American writers including Ernest Hemingway William Faulkner John Updike Raymond Carver and Joyce Carol Oates It reshaped the development of the modern short story turning the genre away from an emphasis upon plot towards a capability for illuminating the emotional lives of ordinary people This new edition corrects errors in earlier editions and takes into account major criticism and textual scholarship of the last several decades **The End of the Book** Porter Shreve, 2014-02-17 The End of the Book is the story of an aspiring contemporary novelist who may or may not be writing a sequel to Sherwood Anderson's classic Winesburg Ohio Adam Clary works in Chicago for a famous internet company on a massive project to digitize the world's books but secretly he hates his job and wishes to be a writer at a time when the book as physical object and book culture itself have never been more threatened Counterpointing Adam's story is that of George Willard the young protagonist of Anderson's book who arrives in Chicago around 1900 when it was the fastest growing city in American history Through alternating chapters we follow George's travails including his marriage to the wealthy daughter of his boss his affair with his hometown sweetheart his artistic crisis breakdown and flight and along the way we see the echoes and intersections between his life and Adam's as they struggle in two similar Americas through two similar times in the life of the book Different Dispatches David T. Humphries, 2006 This volume is a collection of all new original essays covering everything from feminist to postcolonial readings of the play as well as source queries and analyses of historical performances of the play The Merchant of Venice is a collection of seventeen new essays that explore the concepts of anti-Semitism the work of Christopher Marlowe the politics of commerce and making the play palatable to a modern audience The characters Portia and Shylock are examined in fascinating detail With in depth analyses of the text the play in performance and individual characters this book promises to

be the essential resource on the play for all Shakespeare enthusiasts      A Study of Place in Short Fiction by James Joyce, William Faulkner and Sherwood Anderson Abd Alkareem Atteh, 2021-04-15 This book sheds light on the modernist short story cycle and its pivotal role in representing and depicting place With an ever changing attitude towards place and what it means modernist writers found in the short story cycle a suitable form to depict this sense of change Drawing from a range of recent theories of the short story cycle and theories of place this book highlights in a comparative way the role of the emergent short story genre and its seminal role in grasping and capturing a fragmented world through the various short and interconnected narratives and narrative strategies a short story cycle can accommodate As such this text contributes to the study of the modernist short story cycle American literature Irish literature comparative literature and theories and studies of place      **Twentieth Century Fiction** George Woodcock, 1983-04-01      Sherwood Anderson John Earl Bassett, 2006 Sherwood Anderson An American Career is the first critical introduction to this important Midwestern and American writer in over a quarter century While reevaluating the accomplishments in Winesburg Ohio and Anderson's other novels and short stories it pays more attention to his non-fictional autobiographical and journalistic writing than do previous studies It draws on unpublished manuscripts in the Newberry Library Anderson papers that shed new light on a prolific career manuscripts such as Talbott Whittingham and An Ohio Paper      Reading Erskine Caldwell Robert L. McDonald, 2006-01-24 Erskine Caldwell has been compared to literary giants like Faulkner and Hemingway yet he has also been reviled as peddler of pop trash Was he a genius or just a shooting star whose brilliance faded long before he stopped writing Caldwell began his career in the late 1920s and gained fame for revealing the gritty backwoods South in novels such as his seminal Tobacco Road He wrote prolifically sometimes as much as a book a year As the editor of this book maintains perhaps anyone who wrote so much would inevitably stumble These 12 essays explore a variety of issues They discuss Caldwell as humorist social commentator modernist and revolutionary novelist They examine his themes and tropes political images social injustice the environment ideological struggles and his use of artistic devices short stories cubist strategies repetition A generous bibliography includes not only books on Caldwell but also chapters and forewords journal articles essays news items and obituaries The reader is encouraged to look at Caldwell with fresh eyes to press beyond his controversial image and to compare his works especially his early ones to those of any of the top names in literature      *Twentieth Century American Literature* Warren French, 1980-11-01      Winesburg, Indiana Michael Martone, Bryan Furuness, 2015-07-02 In the mythical town of Winesburg Indiana there lives a cleaning lady who can conjure up the ghost of Billy Sunday a lascivious holy man with an unusual fetish and a burgeoning flock a park custodian who collects the scat left by aliens and a night janitor learning to live with life's mysteries including the zombies in the cafeteria Winesburg Indiana is a town full of stories of plans made and destroyed of births and unexpected deaths of remembered pasts and unexplored presents told to the reader by as interesting a cast of characters as one is likely to find in small town America Brought to life by a lively group of Indiana

writers Winesburg Indiana is a place to discover something of what it means to be alive in our hyperactive century from stories that are deeply human sometimes melancholy and often damned funny Winesburg, Ohio Sherwood Anderson, 1922

**The Old Northwest**, 1985 A journal of regional life and letters White Collar Fictions Christopher P.

Wilson, 2010-08-01 In White Collar Fictions Christopher P. Wilson explores how turn of the century literary representations of white collar Americans the middle social strata H. L. Henry Edna Ferber Robert Grant and Elmer Rice Between 1885 and 1925 America underwent fundamental social changes The family business faded with the rise of the modern corporation mid level clerical work grew rapidly the white collar ranks sales clerks accountants lawyers advertisers middle managers and professionals expanded between capital and labor During this same period Wilson shows white collar characters took on greater prominence within American literature and popular culture Magazines like the Saturday Evening Post idolized average Americans while writers such as Sherwood Anderson and Sinclair Lewis produced portraits of middle America in Winesburg, Ohio and Babbitt By investigating the material experience and social vocabularies within white collar life itself Wilson uncovers the ways in which writers helped create a new cultural vocabulary Babbitt the little people the Average American That served to redefine power authority and commonality in American society *Deafening Modernism* Rebecca Sanchez, 2015-10-02 *Deafening Modernism* tells the story of modernism from the perspective of Deaf critical insight Working to develop a critical Deaf theory independent of identity based discourse Rebecca Sanchez excavates the intersections between Deaf and modernist studies She traces the ways that Deaf culture history linguistics and literature provide a vital and largely untapped resource for understanding the history of American language politics and the impact that history has had on modernist aesthetic production Discussing Deaf and disability studies in these unexpected contexts highlights the contributions the field can make to broader discussions of the intersections between images bodies and text Drawing on a range of methodological approaches including literary analysis and history linguistics ethics and queer cultural and film studies Sanchez sheds new light on texts by T.
