## **Return Understanding Christ S Second Coming And The End Times:**

**The Return** Thomas Ice, Timothy J. Demy, 1999-02-01 Foreword by Charles C Ryrie This work presents a biblically based reasoned examination of the second coming **Understanding the New Testament and the End Times, Second**

**Edition** Rob Dalrymple, 2018-04-16 Many evangelicals have come to embrace a populist eschatology that has neither the support of the historical church nor of the scholarly world today For some this has led to a disillusionment with eschatological speculations For others the results are apathy and a failure to understand the mission of God s people This is tragic For when the entirety of the New Testament is read and understood from an eschatological perspective the grand narrative of Scripture and its fulfillment in Jesus comes clearly into focus A proper framework for understanding eschatology directly correlates to a proper understanding of the mission of God s people who are themselves carrying forth the biblical story as we approach the New Jerusalem To fail to comprehend eschatology is to fail to comprehend our mission This book has two objectives First to provide a proper hermeneutical framework from which we may discern a biblical eschatological worldview Second to demonstrate that a proper eschatological framework relates to the mission of God s people and the demand for holiness Thus eschatology matters **Jesus Revealed in the End Times** Dr. Robert Jeffress, 2025-03-04 Most

books about the end times focus on the events described in biblical prophecy wars natural disasters economic turmoil and more rather than the One who is revealed in those events The result God s people end up fearful about what is to come rather than hopeful about Who is to come But the Bible s prophecies of the last days can fill us with joy and peace as we anticipate the return and reign of our beloved savior Jesus Christ In Jesus Revealed in the End Times bestselling author Dr Robert Jeffress takes a radically different approach to prophecy helping you see the end times through the lens of Jesus Christ You ll stop fretting about future events as you start to know Jesus more deeply see him more clearly and praise him more joyfully By the time you finish this book you ll not only have a greater understanding of God s plan for the future but also have a greater sense of calm and courage in the face of what is to come because you ve come to know the One who controls the future **The Day of the Lord, the Key to Understanding End-Time Prophecy** Allen M. Barber, 2011-07

Have modern Christians been enlightened or misled Left behind has been a catch phrase in American church culture for more than a decade but pretribulation beliefs were virtually unheard of before the eighteenth century Many modern day believers await the return of the Lord to rapture the Church before a turbulent tribulation period expecting unbelievers to be left behind to suffer the horrors of this seven year period This popular belief is promoted from many evangelical pulpits and popularized by books and movies but does it really line up with the Bible Dr Barber provides a careful examination of Scripture and a critical analysis of the biblical commentaries that form the basis of the pretribulation rapture belief Once a pretribulationist himself he found that his in depth study of the Bible quickly revealed the errors of this position With spiritual biblical and intellectual insight The Day of the Lord The Key to Understanding End Time Prophecy challenges the

very foundation of pretribulation theology Dr Barber stresses the importance of sola scriptura as he guides readers through his compelling and convincing argument for a clearer understanding of end times prophecy **40 Questions About the End Times** Eckhard J. Schnabel, 2012-01-12 This contribution to the 40 Questions series continues the tradition of excellent research presented in accessible language and clear writing Designed for both students and general readers this resource helps them make sense of one of the Bible's most difficult topics Eckhard Schnabel a professor at a leading seminary and the author of several major works looks at the future of the world the church and Israel the return of Jesus and the millennium and the final judgment He answers questions related to the rapture the 144 000 the identity of the two witnesses Armageddon how to interpret Revelation heaven and hell and so forth The result is an even handed treatment that avoids sensationalism and a newspaper headline approach to prophecy that is interpreting prophecy according to current events Rather Schnabel carefully studies the biblical text in light of its first century context and draws biblically based conclusions

**Understanding End Times Prophecy** Paul Benware, 2006-05-01 Many Christians think of end times prophecy as a gigantic intimidating puzzle difficult to piece together and impossible to figure out But every puzzle can be solved if you approach it the right way Paul Benware compares prophecy to a picture puzzle Putting the edge pieces together first builds the framework that makes it easier to fit the other pieces in their place According to Benware the framework for eschatology is the biblical covenants He begins his comprehensive survey by explaining the major covenants Then he discusses several different interpretations of end times prophecy Benware digs into the details of the Rapture the Great Tribulation the judgements and resurrections and the millennial kingdom But he also adds a unique personal element to the study answering questions as Why study bible prophecy What difference does it make if I'm premillennial or amillennial If what the Bible says about the future puzzles you Understanding End Times Prophecy will help you put together the pieces and see the big picture

**The Sign of the End of the Age** Paul Kalbach, 2016-12-13 There is a small groundswell of thinking in the evangelical church that we may not have achieved a proper biblical understanding of end times events It is important for us to return to a careful study of these things because the time is near In The Sign of the End of the Age What Jesus Taught about the Future in Matthew 24 author Paul Kalbach helps you discover or rediscover the Olivet Discourse the Lord's clear road map that all other prophetic Scriptures must reckon with To understand the discourse we must answer one critical question what is Matthew 24 about the future program for Israel or the end of the age events for all believers including the church Kalbach presents extensive arguments that show a different timing and sequence of events than is usually taught by proponents of the pretribulation rapture position His in depth study adheres to a most literal interpretation method The Sign of the End of the Age seeks to bring a deeper understanding of the end times period vital in a world that shows every sign that this time is near
