the fifties sixties seventies and eighties Henry accumulates marriages and children along the way and **THE COMPLETE PRATT** is a touching and hilarious ride through a divided Britain **I Didn't Get Where I Am Today** David Nobbs, 2014-11-20 As a small boy David Nobbs survived the Second World War unscathed until his bedroom ceiling fell on him when the last bomb to be dropped on Britain by the Germans landed near his home It was the nearest he came to the war but National Service would later make him one of Britain's most reluctant soldiers It was an unforgettable and often unpleasant experience As a struggling writer David was catapulted into the thrilling world of satire at the BBC when he rang **THAT WAS THE WEEK THAT WAS** with a joke and got through to David Frost who sent a taxi for the joke He never looked back His greatness as a modern comic writer was confirmed by the publication of **THE FALL AND RISE OF REGINALD PERRIN** which he adapted into the immensely successful television series that has entered the fabric of British cultural life through phrases images and brilliant humour A mesmerising beautifully told tale of life in writing and comedy **I DIDN'T GET WHERE I AM TODAY** is the hilarious poignant and very personal story of David Nobbs' life which also describes some of the most famous comedians of the last century and captures a golden age of British television **Programming in Python 3** Mark Summerfield, 2008-12-16 Python 3 is the best version of the language yet It is more powerful convenient consistent and expressive than ever before Now leading Python programmer Mark Summerfield demonstrates how to write code that takes full advantage of Python 3's features and idioms The first book written from a completely Python 3 viewpoint **Programming in Python 3** brings together all the knowledge you need to write any program use any standard or third party Python 3 library and create new library modules of your own Summerfield draws on his many years of Python experience to share deep insights into Python 3 development you won't find anywhere else He begins by illuminating Python's beautiful heart the eight key elements of Python you need to write robust high performance programs Building on these core elements he introduces new topics designed to strengthen your practical expertise one concept and hands on example at a time This book's coverage includes Developing in Python using procedural object oriented and functional programming paradigms Creating custom packages and modules Writing and reading binary text and XML files including optional compression random access and text and XML parsing Leveraging advanced data types collections control structures and functions Spreading program workloads across multiple processes and threads Programming SQL databases and key value DBM files Utilizing Python's regular expression mini language and module Building usable efficient GUI based applications Advanced programming techniques including generators function and class decorators context managers descriptors abstract base classes metaclasses and more **Programming in Python 3** serves as both tutorial and language reference and it is accompanied by extensive downloadable example code all of it tested with the final version of Python 3 on Windows Linux and Mac OS X **Lower-Middle-Class Nation** Nicola Bishop, 2020-12-10 **Lower Middle Class Nation** provides an unparalleled interdisciplinary cultural history of the lower middle class worker in British life since 1850 Considering highbrow lowbrow and middle brow forms across

literature film television and more Nicola Bishop traces the development of the lower middle class from the mid 19th century to the present day tackling a number of pressing consistent concerns such as automation commuting and the search for a life work balance Above all this book brings together ideas about class nationhood and gender demonstrating that a particularly British lower middle class identity is constructed through the spaces and practices of the everyday Aimed at undergraduate postgraduates and scholars working in media and social history literature popular culture cultural studies and sociology

Lower Middle Class Nation represents a new direction in cultural histories of work labour and leisure **Pratt a Manger**

David Nobbs,2014-11-20 When pretty young TV researcher Nicky Proctor visits Cafe Henry in London s Soho Henry Pratt s life changes forever He becomes an instant star of the TV food quiz A Question of Salt and before long he is given his own series Hooray it s Henry The book of the series reaches Number Two He s a celebrity Henry Ezra Pratt has come a long way from his humble beginnings But as usual in Henry s life things begin to go wrong He incurs the deep hatred of rival celebrity chef Bradley Tompkins with his bad manners bad wig and no Michelin stars A war is waged against him escalating into plots and deceptions which threaten to destroy the reputation and career of the man dubbed The People s Chef It must be Bradley behind all this or must it On the domestic front too there are storms ahead Henry is blissfully happy in his second marriage to Hilary but he is sorely tempted by young Nicky and his lovely co star Sally Can he resist Can he become a real man at last Or will success spoil Henry Pratt for good We last met Henry Pratt in The Cucumber Man Pratt Manger continues the hilarious story of a great British underdog

Advanced Python 3 Programming Techniques Mark Summerfield,2009-02-13 This short cut is taken from Programming in Python 3 A Complete Introduction to the Python Language Addison Wesley 2009 and provides self contained coverage of Python s advanced features Most of the techniques covered are not needed every day but in the right circumstances they can make a crucial difference allowing us to write clean and straightforward code rather than having to resort to hacks and workarounds to achieve what we need The shortcut explains a range of procedural object oriented and functional style techniques and the information provided will be a considerable addition to most Python programmers toolboxes

Cupid's Dart David Nobbs,2014-11-20 Alan and Ange are on a train heading for London Alan is a philosophy lecturer still a virgin at fifty five Ange a twenty something horoscope reading darts groupie They certainly don t expect their first casual meeting to lead to anything but it does Seizing the day as they pull into Euston station Alan asks Ange out to dinner and so begins the unlikeliest of liaisons As they get to know each other they are initiated into each other s worlds From the claustrophobic confines of an Oxford College to the heady excitement of a big dart s match from Liebfraumilch to Wittgenstein and everything in between They even travel to Rome seeing many wonderful things as Alan learns to live for the moment and Ange to appreciate the finer things in life But can they survive their differences in age and background Are Alan s feelings the stuff of obsession and infatuation or is this true love And what sort of philosopher is he if he cannot define and understand love Told through the voice of Alan this touching and hilarious story is much more than a

tale about an unlikely couple Ultimately it is a story about the nature of love Second From Last In The Sack Race David Nobbs,2014-11-20 Born into poverty saddled with a born loser and parrot strangler for a dad short sighted and ungainly young Henry Pratt doesn't exactly have a head start in life But in David Nobbs's brilliantly funny evocation of a Yorkshire boyhood unathletic and over imaginative little Pratt proves he can stick up for himself with the stoic good nature of the great British underdog *100 Must-read Books for Men* Stephen E.
