Return Of The Eagles:

Return of the Eagle Greg Breining,2008-02-26 This is the story of how a nation reversed a silent spring and saved the bald eagle from extinction This bird of prey was declared the national symbol in 1782 but by the 1960s pollution and development had wiped out all but a few dozen Grassroots movements started the American consciousness was raised to all environmental threats and federal laws were passed to keep the eagle population alive This stunning book of full color photographs and touching stories chronicles this inspiring success story with awe inspiring shots of eagles in flight There is also a one of a kind directory to more than 150 areas in the nation where eagles are likely to be seen in the wild soaring once again against the blue skies of freedom This book is a monument to the efforts that combined animal instinct for survival with the power of the human spirit to change the world

Publius Quinctilius Varus Joanne Ball,2025-08-05 This unique full length English biography of Varus reassesses how he has been held responsible for one of the most infamous and humiliating defeats in Roman history Publius Quinctilius Varus is famous as the incompetent commander duped into an ambush that wiped out three legions in one of the most humiliating defeats in Roman history Yet this is the first full length biography of the man Dr Joanne Ball revisits the ancient sources alongside the most recent archaeological evidence from the Teutoburg battlefield in Germany where she has been personally involved in excavations The result is a fresh detailed new analysis of this significant battle and a reappraisal of the Roman commander Examination of his earlier career reveals that Varus who had married into the Imperial family was an experienced and competent if harsh and ruthless governor and general He had served in Africa and put down rebellions in Syria and Judaea before being posted to Germany Dr Ball sets his German command in the context of wider events explaining the weakness of the Roman position there and the necessary reliance on auxiliary forces Although Varus was clearly fooled by Arminius the former Roman auxiliary who masterminded the Teutoburg battle in AD 9 she questions the extent of Varus culpability and asks whether he was scapegoated by Roman historians to deflect blame away from the Emperor

Montana Vigilantes, 1863-1870 Mark C. Dillon,2018-10-22 A history and legal analysis of vigilantism in Montana in the 1860s from a state Supreme Court justice and legal historian Historians and novelists alike have described the vigilantism that took root in the gold mining communities of Montana in the mid 1860s but Mark C Dillon is the first to examine the subject through the prism of American legal history considering the state of criminal justice and law enforcement in the western territories and also trial procedures gubernatorial politics legislative enactments and constitutional rights Using newspaper articles diaries letters biographies invoices and books that speak to the compelling history of Montana's vigilantism in the 1860s Dillon examines the conduct of the vigilantes in the context of the due process norms of the time He implicates the influence of lawyers and judges who like their non lawyer counterparts shaped history during the rush to earn fortunes in gold Dillon's perspective as a state Supreme Court justice and legal historian uniquely illuminates the intersection of territorial politics constitutional issues corrupt law enforcement and the basic need of citizenry for social order This readable and well directed analysis of the social and legal context that contributed to the rise of Montana vigilante groups will be of interest to scholars and general readers interested in Western

history law and criminal justice for years to come Justice Dillon s book reads like a Western Dillon masterfully sets the stage for the rise of the Montana vigilantes by bringing alive the people who created and lived in mining towns There are heroes villains shady characters and more than a few politicians businessmen lawyers and judges What sets Dillon s book apart from historical texts and fictional tales is that he provides legal analyses and explanations of the trials sentences due process and procedures of the day And shed s grisly light on the details of the hangings Dillon s unique background as an attorney and judge and his downright dogged research are what makes this complex story so engaging The prose is clear crisp and gets to the point The book is satisfying because it answers contemporary nagging questions about the law regarding the vigilantes and the hangings Gregory Zenon Brooklyn Barrister Dillon s analysis of the vigilantes of Bannack Alder Gulch and Helena in Montana Territory is the most detailed insightful and legally nuanced yet produced This book is a model for historians to follow when dealing with 19th century criminal proceedings Establishing historical context includes examining the laws in books as well as the law in action Gordon Morris Bakken Great Plains Research *The "SUPERWHELMING", "GLORIOUSTOUNDING", "MEGAMIRACULOUS" Return of the King of Kings and Pretentious Interloper* Cedric Fisher,2024-06-19 Complaints are replete on social media and everywhere people gather to sip coffee and opine about the world s ills Something is wrong with American society A few years ago people were saying I don t know how it can get worse It is worse and going to get worse The reality and angst of watching it disintegrate have pressed many people into apathy They have latched onto the belief that God will not permit them to suffer the consequences of the world s wicked rebellion Instead Christ will snatch them off the earth and out of danger during a split second secret coming There is an alternative to apathy and fantastical notions It is the central focus of biblical eschatology the superwhelming glorioustounding megamiraculous return of the King of kings *Memories of the Months* Sir Herbert Maxwell,1914 *The Wild Wild West 10th Anniversary Book Collection (Shadows from Boot Hill, King of the Gunman, The Magic Quirt and the No-Gun Man)* L.
