**A Burning Hunger** Lynda Schuster, 2014-09-15 If the Mandelas were the generals in the fight for black liberation the Mashininis were the foot soldiers Theirs is a story of exile imprisonment torture and loss but also of dignity courage and strength in the face of appalling adversity Originally published in Great Britain to critical acclaim A Burning Hunger One Family s Struggle Against Apartheid tells a deeply moving human story and is one of the seminal books about the struggle against apartheid This family Joseph and Nomkhitha Mashinini and their thirteen children became immersed in almost every facet of the liberation struggle from guerrilla warfare to urban insurrection Although Joseph and Nomkhitha were peaceful citizens who had never been involved in politics five of their sons became leaders in the antiapartheid movement When the students of Soweto rose up in 1976 to protest a new rule making Afrikaans the language of instruction they were led by charismatic young Tsietsi Mashinini Scores of students were shot down and hundreds were injured Tsietsi s actions on that day set in motion a chain of events that would forever change South Africa define his family and transform their lives A Burning Hunger shows the human catastrophe that plagued generations of black Africans in the powerful story of one religious and law abiding Soweto family Basing her narrative on extensive research and interviews Lynda Schuster richly portrays this remarkable family and in so doing reveals black South Africa during a time of momentous change **Return**

**of the Spirit** Tawfiq al-Hakim, 2019-07-09 The celebrated revolutionary novel from a pioneering Egyptian writer Tawfiq al Hakim now for the first time in Penguin Classics with a foreword by Egyptian writer Alaa Al Aswany First published in Arabic in 1933 Egyptian playwright and novelist Tawfiq Al Hakim s Return of the Spirit follows a patriotic young Egyptian and his extended family as they grapple with the events leading up to the 1919 Egyptian revolution Though often cited as an apprenticeship novel in the vein of Joyce s A Portrait of the Artist as a Young Man with a touch of failed romance a la Goethe s Sorrow of Young Werther Al Hakim s classic is most recognized for being a trailblazing political novel that illustrates the way one man s spiritual awakening ties to a political awakening of a nation While enthusiasm for the book was stifled in the mid 20th century due to a shift in Egyptian government rule the 2011 Tahrir revolution in Egypt caused it to be examined anew as a strong expression of nationalist solidarity and an expos of the heritage stripping power of Western colonialism that resonates with 21st century Egyptians Return of the Spirit is considered Al Hakim s most important novel despite writing more plays than novels and his adept understanding of class and culture within Egyptian society has cemented his place as one of the country s most celebrated writers and cultural critics **Sanctity and Environment in Ethiopian**

**Hagiography** Abate Gobena, 2023-10-04 The original forests of the central and northern highlands of Ethiopia are almost entirely confined to the sacred groves surrounding the churches and monasteries of the Ethiopian Orthodox Tewahido Church In Ethiopian tradition sanctity starts from the Tabot on the altar of the church and extends to the outer periphery of the compound Church forests serve as shade and shelter for the sacred and are seen as integral parts of the churchyard The

Act of Gebre Menfes Qiddus GGMQ is an original Ethiopic hagiographic text It depicts the life and struggle of the saint in the wilderness of forests and mountains Hagiographic texts like GGMQ are in Ethiopia not mere historical records but texts linked to the daily liturgical services that shape and mould the perceptions and actions of their readers and listeners The aim of the thesis is to analyse how GGMQ presents the relation between the saint and the natural environment in order to see if there is a correlation with how the Ethiopian tradition has preserved the church forests and has considered these to be sacred spaces representing the wilderness The aim is achieved through a close reading of the text and its intertexts using four selected themes as analytical instruments ascetic estrangement coexistence with non human creation identification with the angels and reconciliation of opposites The analysis and the fact that the GGMQ is one of the most venerated texts read and heard with great liturgical solemnity show that there are good reasons to believe that the constant reading of GGMQ has made and makes a significant impact upon the readers views on the mutual co habitation of human and non human creation and the development of an awareness of the need to preserve the wilderness and non human creation

The Golden Bough Sir James George Frazer,1912 *Qatf al-Azhar - Harvesting Scattered Flowers* Jalal ad-Din As-Suyuti,2019-01-01 Qa f al Azh r is a very rare type of hadith collection dedicated to an even rarer type of hadith the mass transmitted mutaw tir hadith in which a piece of information is corroborated by a multitude of eyewitnesses whose relative abundance precludes a conspiracy to lie it is then transmitted continuously by similar multitudes from the original witnesses to the present One of the salient qualities of Islam is its concern with certainty in regards to establishing the fundamentals of the religion The mass transmitted report is a means of acquiring certainty and as such deserves our profound attention in an age in which the authenticity of the whole hadith corpus has come under attack The text was abridged by its author Imam Suy specifically to suit the needs of the lay reader and this English translation incorporates the text of all 113 hadiths listed by the Imam along with helpful explanatory notes and a layout that visually reinforces the authoritativeness of each mass transmitted report The mutaw tir report is that which reaches you from the Messenger of Allah via a transmission containing no doubt such that it is as if you hear it from an eyewitness This is due to its great number of narrators whose collusion cannot be countenanced owing to their uprightness and clearly different locations Imam Bazdaw *The Golden Bough* James George Frazer,1912

Frazer's series which attempted to define the shared elements of religious belief and scientific thought discussing fertility rites human sacrifice the dying god the scapegoat and many other symbols and practices whose influences had extended into 20th century culture His thesis is that old religions were fertility cults that revolved around the worship and periodic sacrifice of a sacred king Frazer proposed that mankind progresses from magic through religious belief to scientific thought
