Revealing The Future:

Revealing Bodies Erin M. Goss, 2012-10-26 *Revealing Bodies* turns to the eighteenth century to ask a question with continuing relevance: what kinds of knowledge condition our understanding of our own bodies? Focusing on the tension between particularity and generality that inheres in intellectual discourse about the body, *Revealing Bodies* explores the disconnection between the body understood as a general form available to knowledge and the body experienced as particularly one's own. Erin Goss locates this division in contemporary bodily exhibits such as Gunther von Hagens' *Body Worlds* and in eighteenth-century anatomical discourse. Her readings of the corporeal aesthetics of Edmund Burke's *Philosophical Enquiry*, William Blake's cosmological depiction of the body's origin in such works as *The First Book of Urizen*, and Mary Tighe's reflection on the relation between love and the soul in *Psyche; or, The Legend of Love* demonstrate that the idea of the body that grounds knowledge in an understanding of anatomy emerges not as fact but as fiction. Ultimately, *Revealing Bodies* describes how thinkers in the eighteenth and nineteenth centuries and bodily exhibitions in the twentieth and twenty-first call upon allegorized figurations of the body to conceal the absence of any other available means to understand that which is uniquely our own: our existence as bodies in the world. *Revealing the Mysterion* Benjamin Gladd, 2008-12-19 Scholars largely agree that the NT term *mysterion* is a *terminus technicus* originating from Daniel. This project traces the word in the Dead Sea Scrolls and other sectors of Judaism. Like Daniel, the term consistently retains eschatological connotations. The monograph then examines how mystery functions within 1 Corinthians and seeks to explain why the term is often employed. The apocalyptic term concerns the Messiah reigning in the midst of defeat, eschatological revelations, and tongues-charismatic exegesis and the transformation of believers into the image of the last Adam. **End Times** Thomas P. Nass, 2011-07-01 What are the End Times in the Bible? What did Jesus mean when he said, "Behold, I am coming soon"? A thorough examination of biblical end-times teachings, this book looks at the topics of death, judgment, heaven, and hell. Author and pastor Thomas Nass masterfully presents what the Bible teaches about the end of the world, Christ's second coming, the resurrection of the body, judgment day, and other apocalyptic events. You'll uncover various misconceptions and false teachings about the last days and Christ's return for a true understanding of Scripture's presentation of the end times. Most importantly, in reading this book, you'll find that the central focus remains on Christ, your Savior. *The People's Bible Teachings* is a series of books on all the main teachings of the Bible. Following the pattern set by *The People's Bible* series, these books are written for all Christians in an easy-to-read manner. The authors of *The People's Bible* are all pastors and professors who have had years of experience teaching others about the Bible. **Understanding Behavior in the Context of Time** Alan Strathman, Jeff Joireman, 2006-04-21 *Understanding Behavior in the Context of Time* reviews the research on temporal orientation and brings together the disparate social behaviors influenced by time perspective. Organized into four sections, each chapter includes theory, research, applications, and directions for future

research Some chapters outline novel theoretical approaches that help to expand and or integrate existing theories The second part focuses on individual level processes and reviews the conceptualization measurement and lifespan development of time orientation the outcomes associated with various time orientations and how temporal factors influence attitudes and persuasion Part three explores the role of time within interpersonal and group level processes as applied to such areas as close relationships group cooperation aggression organizational behavior pro environmental behavior and cultural issues This book will be of interest to social and personality psychologists and the book s applied emphasis will appeal to health environmental and industrial psychologists

Bible Codes Revealed Sherry Shriner,2005 In the beginning Earth was without form and civilization was nonexistent Thousands of years later signs of earlier life on Earth were discovered indicating that extremely intelligent life had once existed Author Sherry Shriner alleges that a cover up began in 1954 when a race of aliens that had been orbiting the Earth landed at Holloman Air Force Base Afraid that their planet was dying the aliens landed a second time at Edwards Air Force Base Shriner explains that this monumental event had been planned in advance and on the appointed day President Eisenhower was whisked away to the base under the guise of a visit to a dentist After President Eisenhower met with the aliens a formal treaty between the Alien Nation and the United States of America was signed Has the United States government really been collaborating with aliens for the past sixty years In Bible Codes Revealed Shriner challenges readers to consider the possibility of a future global alien and UFO invasion and more importantly what we can and should do once this event transpires According to the author it s not a matter of IF but WHEN And soon The information you will read in these pages is shocking and points to an imminent danger on every level of a global society teetering on the brink of human and spiritual slavery Sherry Shriner s information will shock you but most importantly will challenge you to get involved now in spreading the truth about this horrific reality that aliens exist and control much of what happens on planet Earth and unless humankind takes a stand now the world humans rely on the possibility of future generations even most certainly would be lost forever due mainly to the greed and criminality of the world s most powerful ruling bodies desiring short term technological progress in exchange for selling out the human race
