## **Revelation 15 21:**

**Egyptian Origin of the Book of Revelation** John H. C. Pippy,2011-12-27 This in depth treatise presents conclusive evidence for an extremely close relationship between ancient Egyptian religious beliefs and the Book of Revelation Practically all characters scenes and series of scenes found in Revelation have parallels in mainstream Egyptian sources including the Book of the Dead the Amduat Book of Gates Book of Aker Books of the Heavens and others Parallel characters include Egypt s Apophis as Revelation s Satan while situations and activities in scenes include the judgment scene and singers by a lake of fire Parallel sequences of scenes include those found in the 2nd to 12th Divisions of the Book of Gates and most of Revelation s Chapters 15 21 Allusions to the Book of Dead are common Finally a key conclusion the entire structure of the Book of Revelation can be accounted for in the organization of text and paintings on the walls and ceilings of the tomb of Ramesses VI in Egypt s Valley of the Kings Fully referenced to enable critical review See revorigin com The Rapture: from the Ground Up Richard L. Guthrie,2014-04-11 The Pre Tribulational Rapture theory of the end times is the most prevalent and well known end time scenario of the Bible It is well entrenched and established in most fundamental churches The Pre Tribulational Rapture has been popularized by the Left Behind book and movie series However consider the following What if the blessed hope was not a promise of the Rapture What if the wrath the Church was not appointed to had nothing to do with the Tribulation What if the Rapture is not and cannot be an imminent event What if the Antichrist will not and cannot rule over the entire world What if the Church is not missing during any portion of the book of Revelation What if the falling away in 2 Thessalonians 2 3 is only a reference to the end time apostasy of the Church predicted by Jesus What if only unbelievers enter into the Millennial Kingdom What if Enoch is no more a representation of a Pre Tribulational Rapture than Elijah is a representation of a Post Tribulational Rapture What if the time at which both the Rapture and the Second Coming will occur is unknown What if Jesus Paul and Daniel presented the exact same end time scenario What if a literal interpretation of Scripture reveals a Post Tribulational Rapture In a detailed and thorough analysis of Scripture The Rapture From the Ground Up explores these and many more questions related to the end time events surrounding the Rapture in a step by step approach This eschatological study is unsurpassed in detail for the knowledgeable Bible student and yet remains basic simple and straightforward for the novice Using a literal interpretation of Scripture the Post Tribulational Rapture is the undeniable result of such a diligent and literal study of Gods Word **CSB Rainbow Study Bible** CSB Bibles by Holman,2020-10-15 The CSB Rainbow Study Bible features a unique color coding system that allows readers to quickly and easily identify twelve major themes of Scripture throughout the biblical text God discipleship love faith sin evil salvation family outreach commandments history and prophecy The Bible study system also underlines all words directly spoken by God the Father Jesus and the Holy Spirit With more than three million Bibles sold the Rainbow Study Bible is the best selling fully color coded study Bible Blessed Are the Poor in Spirit Evangelist John Henry Manigo,2015-08-21

One book or three books My main interesting is to help deaf hard of hearing hearing people understand the Word of God and to apply to their own life with God s help It also gives us as well to the hearing people who need encouragement help and inspire in the Word of God and that the Word of God is for them to receive His Word by faith My main reason of writing the Trinity to show the example of God Jesus and the Holy Spirit as one and believe that God is One I also write Trinity for various reasons and put down Bible verses to help match the Old Testament and New Testament that speak the same thing to show them the Bible in fact is real God s Word is very real I write the main points because I have heard in the past about their belief their teaching their faith in God and I am willing to write down what they say and that the Bible has all the answer to our need and purpose I have studied the Bible for forty five years seeking answers and be able to explain better from God s teaching from God s Word Whenever I hear people talk about their faith in God I write down Bible verses to help inspire their life positive It would help all of us to grow in grace through our Lord Jesus Christ He has the answer to all of our problem My main points is to help them know that they can be saved through Jesus Christ by faith in Him alone Only Him shall we be saved Be Blessed Evangelist John H Manigo I Corinthians 6 19 20

Hiester,2012-02 A theological subject debated over and over again without resolution is eschatology Although the study of last things involves several subjects the all important matter is the return of the Lord Jesus Christ as promised For 180 years fundamentalist teaching has touted a pre tribulation rapture of the church When a careful Berean style inspection of Scripture is utilized of necessity you must acknowledge the pre tribulation teaching holds no water The words of Jesus and a close evaluation of the writings of the apostles make clear what many responsible bearers of truth have muddled After reading this book may you find yourself closer to understanding the truth of Jesus words and less inclined to accept without inspection of the Word those who teach otherwise Endorsements Dr Hiester s rich heritage of faith and scholarship are represented in this work His book engages some of the most difficult questions of eschatology This is a refreshing and challenging exposition which will help the reader gain a richer understanding of the truths of Scripture Erik Wiedman Educator Dr Hiester demonstrates how eschatology can be understood by a child of God Incredibly eye opening and life changing Daniel Gross Elder I think it is possible that your book may be the best and most comprehensive study on the matter presently available Mark McCormack Editor      **Heaven Ain't Goin' There** John A. Davies,2019-09-30 This book issues a provocative challenge to the notion prevalent in Christian circles that people or their souls go to heaven when they die Though deeply entrenched in Christian and Western culture there is little or no biblical warrant for such a belief John Davies presents a biblical theology of heaven informed by mainstream biblical scholarship and in the process sweeps away popular misconceptions Be prepared to have your understanding of such cherished passages as John 14 2 In my Father s house challenged But as well this book seeks to show the more glorious dimensions of the Christian hope our renewal as whole persons in the context of a cosmic restoration the outcome of the victory of Jesus Though much of the language of the Bible regarding our eternal destiny is in the form of imagery we should continue to use such imagery understanding it against its cultural background rather than construct our own more impoverished mythology based more on dubious logic and sentiment      **The New Treasury of Scripture Knowledge** Thomas Nelson,2024-03-26 An exhaustive cross referencing tool for interpreting Scripture with Scripture The Bible is its own best commentary To truly understand what the Bible teaches about a subject we must consult all of what the Bible itself says about it The New Treasury of Scripture Knowledge allows you to do just that providing a selection of other verses which shed light upon clarify or explain the verse you are consulting Unlike a concordance which is an alphabetical index to the words of the Bible the cross references given

**Isaiah and Prophetic Traditions in the Book of Revelation** Jan Fekkes, 1994-01-01 This work is concerned with the influence of biblical and prophetic traditions on the author of the book of Revelation and in particular his use of the prophecies of Isaiah First John's own prophetic consciousness and expression is compared with previous Israelite Jewish and early Christian prophetic conventions This is followed by an evaluation of John's use of the OT in general including a discussion of methodology for isolating allusions the question of the validity of the terms quotation and allusion in Revelation and the presence of thematic patterns in the author's choice of Scripture All this is foundational to the main portion of the work Ch III where a detailed analysis is undertaken to determine the validity of all proposed allusions to Isaiah in the book of Revelation Of the 72 suggested allusions treated 40 were judged as certain or virtually certain 24 were considered as unlikely or doubtful and 8 were appraised as probable or possible Those allusions which were accepted received further evaluation to see how and why they were used by John with special attention given to the tradition history of the passage used and the possible interpretative techniques employed A variety of exegetical and literary devices were uncovered including the use of catchwords inclusio repetition of texts exploitation of Hebrew parallelism and the collection of texts around a central theme Furthermore John's use of Isaiah is concentrated in basic areas with clusters of Isaiah texts appearing in specific sections of Revelation The principal Isaian themes with which he is interested are holy war and the Day of the Lord oracles against the nations and salvation prophecies relating to the community of faith and the restored and glorified Jerusalem It was concluded that on the whole John's use of Isaiah is not random and he does not use the OT texts merely as a visionary resource for language phrases structural patterns etc But he consciously carries on the prophecies of his biblical predecessors and invokes their authority The remnants and results of John's interpretation of Isaiah presuppose exegetical activity and application prior to the vision experience and it is likely that at least some of his intended readers were familiar not only with his theological concerns but also with his methodological approach
