Revelation Of Deity:

The Revelation of Deity ,1931 **The Revelation of Deity** J. E. Turner,1972 Creation's Testimony to Its God, the Accordance of Science, Philosophy, and Revelation. A Manual of the Evidences of Natural and Revealed Religion with Especial Reference to the Progress of Science and Advance of Knowledge Thomas Ragg,1877 **Discovering the Revelations of God** Thomas Idler,2024-05-29 If you re wondering where God is and whether He s real consider the obvious If He is real wouldn t He reveal Himself and give us the answers we re looking for Surely those answers should be right in front of us Even though God has given us nine witnesses of His existence the world seems to have come up with alternative explanations How would you interpret these witnesses Will you follow what the world says or instead acknowledge what each witness says about God God revealed Himself to me face to face although I didn t realize it right away I saw how genuine God is how pure His heart is and how transparent His message is When I had my God moment everything got set into motion and that s why I wrote this book You are precious to God and you are precious to me God will reveal Himself to you throughout your life and hopefully this book will help you to more clearly understand Him **Being in Action** Paul T. Nimmo,2011-02-24 This book investigates the way in which the actualistic ontology i e the fact that God and human agents are beings in act in a covenant relationship that underlies the Church Dogmatics of Karl Barth affects his conception of ethical agency It analyses this effect along three paths of inquiry knowing what is right the noetic dimension doing what is right the ontic dimension and achieving what is right the telic dimension The first section of the book explores the discipline of theological ethics as Barth construes it both in its theoretical status and in its actual practice In the second section the ontological import of ethical agency for Barth is considered in relation to the divine action and the divine command The final section of the book examines the teleological purpose envisaged in this theological ethics in terms of participation witness and glorification At each stage of the book the strong interconnectedness of theological ethics and actualistic ontology in the Church Dogmatics is drawn out The resultant appreciation of the actualistic dimension which underlies the theological ethics of Karl Barth feeds into a fruitful engagement with a variety of critiques of Barth s conception of ethical agency It is demonstrated that resources can be found within this actualistic ontology to answer some of the diverse criticisms and that attempts to revise Barth s theological ethics at the margins would have catastrophic and irreversible consequences for his whole theological project **God's Time For Us** James J. Cassidy,2016-09-28 The relationship between eternity and time is a common subject for theologians and philosophers What difference does it make for this discussion that God became man and inhabited time in Jesus Christ In God s Time for Us James J Cassidy examines the theology of Karl Barth to show that God is our Father who does not neglect us for lack of time he is the God who has time to be with us God also quite literally has time in his own being by virtue of the incarnation Cassidy shows that Barth seeks a rapprochement between eternity and time which is overcome by Jesus Christ There is today a resurgence in interest in the theology of Barth especially among

evangelicals Yet Barth is often read without discernment and discussed in churches without full understanding Cassidy illuminates his thought so evangelicals can make a better more well informed appraisal of the man and his theology

Nuggets of Truth: A Bible Student's Devotional and A Bible Teacher's Resource Handbook Dr. John Mannion, 2020-11-17 Inspirational writing meets Bible commentary Nuggets of Truth stands as a different kind of devotional It is perhaps more in keeping with Oswald Chamber's My Utmost for His Highest in that it is meant to teach more than it is meant to simply inspire Not that each Nugget of Truth does not inspire On the contrary it stands as a very inspirational book even as the Scriptures themselves never fail to inspire Indeed the content of each individual devotional is full of Scripture Each Nugget of Truth is designed to provide the reader with a short Bible study Hence the reader is more of a student than simply a reader The considerable content of each day's study digs deep enough with a pointed focus that the student effectively goes through a mini Bible college program once having gone through the entire year The sub title of Nuggets of Truth A Bible Student's Devotional and A Bible Teacher's Resource Handbook reveals the two fold purpose and use of this book It is meant to be a devotional for Bible students and for Bible teachers In keeping with this second purpose the devotional is exhaustively indexed With its indexes Nuggets of Truth can be used by Bible teachers as a resource for their teaching ministries 80 pages of downloadable indices provided with purchase The Doctrine of God Christopher B. Kaiser, 2001-01-11 The key to the doctrine of the Trinity is the combination of transcendence and personality in the biblical portrayal of God This idea is traced through Old Testament New Testament the Church Fathers medieval scholasticism the Reformation and early modern theology and three 20th century theologians Barth Pannenberg and Macquarrie **The Scofield Study Bible** Oxford University Press, 2005 This edition combines the renowned Scofield study notes and reference system with the New American Standard Bible a translation celebrated for accurately communicating the meaning of the original text Dr C I Scofield's reflections on the Word of God have been augmented and enhanced not revised to make the classic teachings of these annotations clearer to today's reader An abundance of factual information is presented in topical articles charts and lists that add in depth understanding to your study time *How do You Know it's God?* Lynn McChlery, 2021-05-30 Much of the conversation and concern of churches and of Christian individuals is centred around Christian discernment or knowing God's leading in decision making The language we use around these moments is fluid and often feels inadequate ask someone how they know what God might be saying in a given situation and they may well reach for the phrase I just know In How Do You Know it's God Lynn McChlery draws on ethnographic research amongst those in different kinds of discernment processes along with theological spiritual and psychological insights to try and understand this phenomenon of insight or just knowing Challenging the perception that such intuition needs to be marginalised and removed from discernment conversations McChlery suggests that instead intuition can and should be intentionally matured both individually and in communities and that it can be verified articulated and recorded in forms appropriate to its own
