## **Revelation St John The Divine Prophecies For The Apocalypse And Beyond:**

Revelation Peter Lorie,1995 The last book of the New Testament Revelation has been an enigma to mankind ever since the Bible first appeared It is a series of predictions which relate to all the time between its writing and the end of the world and many have interpreted its forecasts to be relevant to the last years of this millennium when it is believed that the apocalypse will occur      *Revelation* Peter Lorie,1994 From the author of the enormously successful Nostradamus The End of the Millennium and Nostradamus The Millennium and Beyond comes a groundbreaking visually stunning book that offers a soaring message of transformation and rebirth 115 full color photos 30 biblical and astrological drawings 15 original maps index      **Love and Immortality** William Pillow,2008-05 An autobiographical love story and a scientific and metaphysical discussion about death God our souls the spirit world and reincarnation It also discusses the implications of how we live our lives based on love eternity and theological concerns Page 4 of cover      **Woman, Mother, and Bride** Felise Tavo,2007 Over the past fifty years studies pertaining to the reality of the church in the Apocalypse have for the most part tended to be either selective or sketchy in their treatment of the relevant material of the book Yet in all fairness to the seer of Patmos his portrayal of the church as a reality decidedly complex and at once profound can only be attained in a thoroughgoing study of the principal ecclesial narratives of his work so as to allow for that indispensable synoptic overview of such intentionally correlated material Woman Mother and Bride is such a study It re examines the relevant imagery of the Apocalypse but from the perspective of the seer s ecclesial thought world and on the basis of his overriding pastoral concerns for the seven churches without which his work will continue to puzzle and trouble at every page The ensuing outlook on the church is panoramic in its scope yet compelling in its appeal which further goes to confirm the Apocalypse as one of the most significant theological achievements of early Christianity      **The Apocalypse of the Aquarian Age** Albert Amao Soria Ph.D.,2021-02-23 Humanity has stepped at the beginning of the Water Carrier Age s threshold Its influence is gradually being felt in all areas of life This is the time for spiritual renewal and the turning point for the shifting of consciousness Contrary to the period of mental bondage prejudice and religious bigotry which was the Piscean Era characteristic we are awakening to another chapter of human history leading to the realization of the Oneness of life and the human race s interconnectedness The world is currently undergoing radical socio economic and political upheavals because we are transitioning from one chapter of human history to another Some religious leaders and sensationalistic New Age writers have taken these dramatic changes as signs of the end of the world Contrary to that this work postulate that the challenging events indicate the close of one chapter of human history and the beginning of a new one We embrace and celebrate the coming of a new age of enlightenment the awareness of human beings brotherhood      Illuminating the Narrow Gate Karl R. Luther,2022-01-17 Do you desire the truth about God our foremost religions the purpose of life and the future of our planet If so Illuminating the Narrow Gate will guide and empower you to fulfill your destiny of transcending the darkness and

embracing an enlightened spirituality Blessed with astonishing insights and revelations this revolutionary book heralds a global awakening and the inevitable doom of institutional religion Volume II contains 15 appendixes that substantiate and enhance the revelations of Volume I Appendixes A Reincarnation and B Spirit Possession present scientific and clinical evidence that demonstrates the reality of those phenomena The next three appendixes are primarily dedicated to dating the Book of Daniel Leveraging the breakthrough of Illuminating the Narrow Gate s paradigm shift Appendix D Redirecting the Debate About Daniel decimates the prevailing scholarly conclusion that Daniel s prophecies were a hoax written in the 2nd century BCE Instead this book within a book proves they were penned as advertised in the 6th century BCE while debunking the fundamentalist view that the biblical book is inerrant The next six appendixes primarily present ancient history that demonstrates the fulfillment of prophetic passages from Daniel Four of them Appendix F The Beast With Ten Horns Appendix G Constantine the Great Appendix J The King of the End Times and Appendix K Understanding the 69 Sevens deliver the spine tingling details of how the future was foretold with stunning accuracy and precision for five centuries after the date when all scholars agree Daniel was on the historical record 160s BCE Appendix L The Catholic Church in the 20th Century shows that although the Church no longer champions crusades sequesters Jews in ghettos or tortures and kills those who believe differently its underlying darkness has continued unabated The majority of this other book within a book details how the Vatican helped Benito Mussolini and Adolf Hitler gain dictatorial power and then made strategic alliances with them ignored their pre war crimes and assaults upon the Jews sanctioned their predatory aggression upon other nations and turned a blind eye to the Holocaust After illuminating the essence of the papal choices before and during World War II the appendix exposes the criminal nature of the Vatican s subsequent financial affairs It shows how the sudden death of Pope John Paul I in 1978 was most likely a blackmail enabled murder by the Vatican Bank s underworld partners After two short appendixes explain passages from Revelation the book concludes with Appendix O The Impact on Islam It shows how the book s insights are also inscribing the writing on the wall for Islam You don t need to purchase Volume II if you only want the book s core insights and revelations A PDF document of the end matter published in Volume II Endnotes Bibliography Index et al can be downloaded for free from the book s website to make Volume I a self standing book     The Seven Churches of Asia Minor Dr. Orville R. Beckford Sr.,2014-09-22 If you have ever read about the seven churches of Asia Minor and wondered what they are all about this book will help you get a deeper insight into the character of these churches You will get a look at their geographical locations their historical backgrounds and their experiences that shaped the way Christ addressed them Christ introduced himself to these seven churches in seven different ways because their works were different and he wrote them according to their works The church of Ephesus the first of the seven left its first love and the last of the seven the Church of Laodicea focused on material wealth without recognizing that Christ was on the outside knocking seeking the opportunity to come in The Seven Churches of Asia Minor will take you through each church one by one

it will help you to identify actions for which they were admonished or encouraged Five out of these seven churches were admonished warned and given specific steps to take for their restoration they could take these steps or face the consequences meted by Christ himself The Seven Churches of Asia Minor will be an eye opener for churches and individuals alike Elenchus of Biblica Robert North,Robert Althann,1998 The Apocalypse of St. John James J.
