Revelation The Grand Finale Of History:

Revelation John L. Benson, 1982 *The Grand Finale of History* John L. Benson, 1972 **The Grand Finale** Anton Wessels, 2020-07-13 We often hear that we are living in apocalyptic times Wars like those in the Middle East are just more signs that the end is near That however is a misunderstanding of the message of the Bible and the Qur'an The basic meaning of apocalypse is disclosure revelation bringing to light what is happening now and what has happened throughout all of history The apocalypse is not about making predictions about the future but about determining who bears responsibility for injustice in the world In that sense all times including ours are apocalyptic though in a different way than what is usually thought Since the devastating Greek conquest of the world by Alexander the Great there have been apocalyptic insights and revelatory readings of the whole Hebrew Bible The same is true of the New Testament with Rome as the world power then The same apocalyptic message is confirmed by the Qur'an when the Byzantines and the Persians fought for mastery of the world The apocalyptic message is that God will put an end to the unjust dominion of violence money and lies God's kingdom will certainly arrive but not through violence after all there is no violence in God Diognetus **The 50 Final Events in World History** Robert J. Morgan, 2022-04-12 How much do you know about the end of the world In *The 50 Final Events in World History* beloved and respected pastor Robert J Morgan takes readers on a journey through end times prophecy walking step by step through the end of the world to the dawn of the new kingdom of heaven Heard of worldwide pandemics Weapons of mass destruction flashing through the air Global water and air contamination The nation of Israel restored after 2 000 years encircled by hostile nations and buffered by the nation of Jordan Air evacuations with machines having two wings Threats from Russia and Asia Extremism in Turkey Clamor for globalization Hand implants for commerce and security The gospel penetrating unreached places Violent persecution Cascading wickedness The world falling apart All of this is predicted in the book of Revelation If you find yourself baffled and maybe even a little intimidated by end times and the book of Revelation *The 50 Final Events in World History* will be a comprehensive yet easy to understand overview of the book of Revelation resource you can turn to again and again helpful tool that translates the events of Revelation both literally and sequentially and guide to interpret present circumstances as well as future events Revelation is the Bible's final words on the world's last days The key is understanding its simple sequence of events one after another clearly laid out the fifty final events in world history This is information we need to know now since we might soon be on the doorstep of event 1

Origins and Grand Finale Gary Haitel, 2014-05 *Origins and Grand Finale* presents an in depth study of how modern science and astronomy compare to the biblical narrative of the origin of the universe as well as the origin of life Distinguishing between scientific facts and fairy tales as well as biblical facts and poetry author Gary Haitel attempts to build a perfect harmony between science and theology In *Origins and Grand Finale* Haitel is not proposing new scientific theories Instead he merely examines current scientific theories however bizarre they may seem and explains how they relate to the

Jesus Delayed J.E. Gulbrandsen,2016-07-22 With so many different and at times conflicting views within multiple Christian denominations it can be a challenge to discern the truth from erroneous teaching The popular mainstream view is that Jesus will soon return to take his children via the Rapture thus sparing them from the suffering that will engulf the world during the tribulation when Satan is fully let loose upon the earth However by laying out a relentlessly researched argument author J E Gulbrandsen invites you to consider a compelling reliable and

rigorous exploration of why the commonly held view based on dispensationalism is not in fact biblically accurate His teaching clearly fall in the ballpark of Partial Preterism In fact the Kingdom of Christ has been already established We see evidence of this today and once we fully apprehend what this means for us as believers our walk with Christ and our work for the Kingdom will be profoundly impacted Instead of fearing the enemy we can walk in confidence and power knowing that Satan is bound This is not a future event it is done Jesus won over Satan on the cross he is now under our feet tied up for a thousand years in the Abyss With so much discouragement and bad news barraging us from every side of this we can be certain things are not getting worse As you will discover in Jesus Delayed they are in fact getting better and better and will continue to do so until Christ finally returns as promised for his victorious bride the Church *Hearing John's Voice* M. Eugene Boring, 2019-11-05 This book is written in the conviction that the church is called into being and nourished by the Word of God that comes through Scripture But how can Scripture offer any specific guidance for hearers lives today What are modern readers to make of the dragons and slaughtered lambs in the book of Revelation What are we to make of a man who turns water into wine while comparing himself to bread Can people today know what the Bible says and means The world of the Bible is strange and distant not only in time and space but also in language culture and in its basic assumptions about reality The first task in both pulpit and pew is not to be in too great a hurry to overcome this distance but to acknowledge it and respect it Communication across the gap is the task of the church s preachers and teachers Drawing on his years of teaching and study Gene Boring offers a way of opening the ears of those who take the message of the Bible seriously a message from a world different from our own Beginning with Revelation Gene provides a historically informed and pastorally sensitive reading of the various Johannine voices in the New Testament for contemporary preachers and teachers

Worthy to Escape Adrian Zenz, Marlon L. Sias, Adrien Zenz, 2012-11 A captivating fresh analysis of Bible prophecy that sheds new light on God s eternal truths about the events of the End Times [Finishing History Well](#) , **Will Humanity Survive Religion?** W. Royce Clark, 2020-06-22 When the human sciences in the West followed the physical sciences in the 18th and 19th centuries with new measurements methods and language the metaphysics of infinity lost its credibility The response of Western religions was to retrench in a stronger authoritarianism especially by the last half of the 19th century While the new human sciences were being extended even to study the history and philosophy of religions those religions themselves placed more emphasis on their understanding of the Absolute or Unquestionable That split became a burden both to those who were religious and to those who were not Here W Royce Clark argues that humanity s survival may depend on the development of a universal or inclusive ethic in which religions move beyond their Absolutes Clark poses the sharp challenge Are religious communities ready to abandon the foundations that until now they have insisted were the only adequate foundation for ethics

W. Mills,2005-02-08 The Final Trumpet is written by a former atheist Gods revelation is investigated using the authors analytical skills from his business background The key assumption that drives the truth found in this book is that Gods foreknowledge must match this worlds recorded history if God is God Gods revelation the Bible is compared with actual recorded history and what is found may change your ideas forever You may not agree but you will discover the truth about God and His total sovereign control of all The Final Trumpet is about being ready for the last day of the world If hundreds of prophecies have come true exactly as stated then the next event will surely happen exactly as God has revealed for all to know The Final Trumpet may be one of the most important books you read
