Revelation Made Easy:

The Book of Revelation Made Easy Kenneth L. Gentry, 2010 **The Book of Revelation Made Easy** Kenneth L. Gentry, 2008 **Revelation Made Easy** Michael J. Sedgwick, 2014-07-27 According to Revelation 1:3 this final book of the Bible is the only one that contains a declared blessing to those who read it and obey its instructions. But isn't it just about scary end time prophecies that don't make any sense? Thankfully the answer is no. The book of Revelation gives us more than prophecies; it provides a fuller picture of Jesus Christ and encourages believers to hold fast to their faith and continue following Christ no matter what they might face. Michael J. Sedgwick's *Revelation Made Easy* helps readers approach this seemingly daunting biblical book with fresh eyes and an open heart. Tackling end times topics such as the Antichrist, the Rapture, and the Tribulation, he shares various conflicting historical interpretations and checks them according to what the scriptures tell us. Who is the Antichrist? What are the prophetic feasts of Israel? What is the coming Tribulation period? Discover the answers to your end times questions in this easy-to-follow guide and learn to appreciate the book of Revelation as much as you love the Gospels.

Finally, the Book of Revelation Made Easy David A. Bowen, 2018-08-28 Many believers see the book of Revelation as a book that is too hard to understand The third verse of this book has a promised blessing Blessed is the one who reads the words of this prophecy and blessed are those who hear it and take to heart what is written in it because the time is near The Lord would not offer a blessing and then turn it into confusion So why is this book so difficult to so many Because the average modern day believer does not have a firm understanding of the Old Testament The book of Revelation is explained in the Old Testament The purpose of this book is to help the reader journey through the Old Testament into the clarity of Revelation If you heard me say We are going to celebrate like it is the Fourth of July what would you think When you hear that phrase what mental pictures come to your mind Fireworks BBQ Summertime I did not mention any of those words I just said Fourth of July Theres an association there and that association

is key However if we lived in some other foreign country and you overheard me use that same phrase what mental picture would you have if you had never been to America Maybe none because there would be no understanding of the event or meaning This is where many modern day believers are when it comes to understanding the depth and meaning of the Old Testament One may understand a story or two but not many have the clarity needed to fully understand the meaning and purpose of the Old Testament language used in the New Testament especially in the last book of the Bible My goal is to help you understand and apply Gods Word in proper context The Book of Revelation Made Easy to Understand W. H. Wilson,1913 **Revelation Made Easy** Sam Jordan White,1924 **The Ultimate End** Jimmy D. Davis,2013-08-09 HAVE YOU EVER WANTED TO REALLY UNDERSTAND BIBLICAL PROPHECY NOW YOU CAN There is an absolute Truth that everyone should know The world as we know it will come to an end and it will be in the near future There is going to be a day of reckoning for our world God Almighty is going to judge the Earth and the entire universe and it will all be destroyed in an instant This is an absolute fact whether you choose to believe it or not Within the pages of The Ultimate End you will find a clear and concise explanation of the very synopsis of the end times written by the Apostle John in the Book of Revelation Here you can discover that The Revelation is not a book of vague mystery but rather a writing of true revelation which is intended to be understood by anyone who will trust and believe God s Word Why Believe It? John Huffman,2018-07-26 John has written a book of Christian apologetics answering questions about the Christian faith through facts of history science and scripture Many people have personal beliefs based on a compilation of religious ideas embedded from day to day experiences and hearsay We need a deliberative theology based on proper hermeneutics of scripture which in no way contradicts facts of the history of the church secular history and science The practical guide used for understanding the Scriptures will be the historical grammatical and literary approach which takes into consideration that our Bible was written by humans at different times cultures and circumstances but always under the superintendence of the Holy Spirit therefore making it God s infallible Word This book endeavors to bring the author s insight and spiritual gifts to its pages to share God s message of grace and hope for all mankind through the reconciling and saving work of Jesus Christ A Look Into the Future Cora Davis Freeman,2012-02 NA **Transcribing Revelation** Dolly Grout,2014-08-04 Transcribing Revelation is a book about the last book of the Bible the Revelation of Jesus Christ Christ has given us a message on what is to come and what to expect in the last days before his second coming Transcribing Revelation is a step by step descriptive representation of the book of Revelation It follows the Bible closely in all its intricacy and complexity made easy to understand This book also includes twenty four weeks of daily devotional weekly journaling of your walk with Jesus Christ daily prayers and daily questions that will help you reflect in your soul If you are serious about your faith if you are tired about your life if you are searching for an answer then I urge you to read this book and let God fill your life *The Defender* ,1855 Journey into God's Word J. Scott Duvall,J. Daniel Hays,2005 Life is a journey and like any journey it requires an accurate reliable roadmap

to get us where we need to go God has provided such a guide in his Word But just as a navigator needs to learn how to interpret all the contours and symbols of a map so also we need to be able to understand how the Bible communicates its directions to us Journey Into God's Word helps Bible readers acquire these skills and become better at reading interpreting and applying the Bible to life This abridgment of the bestselling college seminary textbook Grasping God's Word takes the proven principles from that book and makes them accessible to people in the church It starts with general principles of interpretation then moves on to apply those principles to specific genres and contexts Hands on exercises guide readers through the interpretation process with an emphasis on real life application **Finally, the Book of Revelation Made**

Easy David Bowen,2021-07-30 **After Dispensationalism** Brian P. Irwin,2023-05-03 What God wants his people to know about the end times Christians fixation on the end times is not new While eschatological speculation has sometimes resulted in distraction or despair Scripture does speak about the end So what does God most want us to know and do with prophecy In After Dispensationalism Brian P Irwin and Tim Perry sympathetically yet critically sketch the history beliefs and concerns of dispensationalism Though a minority view in the sweep of church history and tradition dispensationalism is one of the most influential end times systems today and there is much to learn from it And yet sometimes it gets sidetracked by overlooking the prophets main concerns Irwin and Perry reexamine the key texts and show that Ezekiel Daniel and Revelation primarily give a word of hope to God's people
