Interpretation of St. John's Revelation Richard Charles Henry Lenski, 1963 Revelation John M. Court, 1994-03-01 The first question is Should Revelation be studied at all Is it monopolised by fundamentalists or of such a minority interest that it doesn't belong in the New Testament This study guide introduces the text anew by a series of thematic readings The text is seen to deal with essential themes God and Christ the Church in the World Creation and the end of the Universe Politics and Rival Powers and the Future Hope Special attention is paid to the living traditions within which Revelation is interpreted including art literature and music Not only does this guide seek to orientate the reader within the whole range of the text and its traditions it also focusses discussion in three substantial chapters dealing in turn with the key literary historical and theological issues raised How can one describe Revelation's literary character From what historical and social context did it come What are its abiding theological values and doctrines This study is set in the context of modern approaches to the biblical text and is supported by selected bibliographies and recommendations for further reading A Commentary on the Revelation of John George Eldon Ladd, 1972-01-10 In this widely praised exposition of Revelation George Eldon Ladd treats the Apocalypse as a true prophecy one that reflects the situation of the church when the book was written as well as the situation the church will face at the time of the consummation of God's redemptive plan *The Revelation of John, Volume Two* William Barclay, 2004-04-01 Here the reader meets many of the picturesque images that are identified with

Revelation the four horses and their riders the antichrist the woman clothed with the sun the beast with his number Armageddon William Barclay helps the reader understand and interpret these and many other images drawn from Revelation that have so seized hold of the world's imagination For almost fifty years and for millions of readers the Daily Study Bible commentaries have been the ideal help for both devotional and serious Bible study Now with the release of the New Daily Study Bible a new generation will appreciate the wisdom of William Barclay With clarification of less familiar illustrations and inclusion of more contemporary language the New Daily Study Bible will continue to help individuals and groups discover what the message of the New Testament really means for their lives

The Revelation of John Edward Clarence Farnsworth,1919 **The Revelation of John** John Cochran,1860 **The Revelation of John** James L. Resseguie,2009-04-01 As the only book of its kind in the New Testament Revelation can be difficult to understand and for readers without specialized training the historical critical approach used in many commentaries can provide more complication than illumination Here James Resseguie applies the easily understandable tools introduced in his primer on narrative criticism to this challenging book He shows how Revelation uses such features as rhetoric setting character point of view plot symbolism style and repertoire to construct its meaning This literary approach draws out the theological and homiletical message of the book and highlights its major unifying themes the need to listen well an overwhelmingly God centered perspective and the exodus to a new promised land Here is a valuable aid for pastor and serious lay reader alike
