Revelations For A New Era A Matthew:

Revelations for a New Era Suzanne Ward (Medium),Matthew (Spirit),2001 Who we are in a universal context planetary changes leading to 2012 Representatives of six highly evolved civilizations describe their homelands history and ongoing assistance to Earth that is enabling her to ascend out of third density **Just Behind the Door** Mary Leiker,2012-04-17 The author explains how May 16th 1999 changed her life forever She experienced the loss of two high school seniors and that evening the call came through to tell her that her son in Colorado had also been killed Her first born with his bigger than life personality was gone The words surreal and gut wrenching were her constant companions Exactly six months later her Mom had one heart pain went into a coma and died She had frequently told her Mary when the last leaf is gone from that tree I will be leaving She gave her the gift of time to emotionally survive her son s death Mary shares with you the recorded messages she has received for over a decade from her family on the other side to give you hope Through her experiences you will know that unconditional love and connection continue to exist when you believe in the possibility Our loved ones do not disappear into the cosmos after their death Their energy remains around us forever You can reconnect with your loved ones as she has and achieve peace and assurance that as her son has repeatedly told her Mom all is as it should be **A Mediator in Matthew** Craig D. Saunders,2021-03-01 What is a consistent theological meaning of the Son of Man in the Gospel of Matthew For a suitable response it is essential to analyze all thirty Son of Man logia in their relative literary contexts and in relationship to the gospel as a whole Also to bring out the uniqueness in Matthew s portrayal of the Son of Man a comparison with the other Synoptic Gospels aids the investigation This work argues that the answer lies in the role of the Son of Man in the first Gospel In Matthew Jesus the Son of Man functions as mediator of God s will to his genuine disciples As the Son of Man journeys through his earthly life climaxing in his death and resurrection Jesus mediates God s will through his message and works and by exhibiting active obedience to his Father in the heavens Jesus s genuine disciples learn how to emulate the Son of Man s character and ministry enabling them to continue it in their future mission At his parousia the Son of Man will mediate God s promised vindication and reward for his genuine disciples who have proven their fidelity to Jesus and God s will **My Cosmic Trigger** Matt Vaughn,2024-07-11 High strangeness denotes happenings so uncanny they are deemed utterly absurd It involves the intersection of multiple paranormal phenomena revealing an eerie undergirding of reality MY COSMIC TRIGGER is a deep dive into the subject covering its history theories and notable researchers analyzing mechanisms behind this cosmic enigma The author s personal experiences provide a penetrating understanding of the phenomenon by demonstrating how and why extramundane weirdness manifests on a personal level helping people navigate their own synchromystic initiation with a sense of clarity fostering a constructive relationship with odd occurrences not a destabilizing one and enabling readers to successfully pull their own cosmic trigger **You Can Avoid Physical Death** Robert E. Pettit,2009-02 There is a place you can go that is free from sickness crime and war That

place is not here on this Earth Instead it is on the New Earth And you can choose to obtain a new body and go there Drawing upon thirty three years of University research and fifteen years of Subtle Energy manipulations Dr Pettit discusses relationships between life sciences and spirituality By understanding the concept ask and you can receive he outlines the questions to ask and your responsibilities to create a new body for ascending to the New Earth around 2012 Ascension is available for those who choose to move out of duality consciousness with suffering and pain into a new reality of Unity Consciousness with unfathomed joy and peace Dr Pettit explains how you can achieve this incredible gift with the following concepts Making a choice to ascend with your physical body Knowing who you are and why you are on Earth Shifting your dimensional state of consciousness Avoiding fear accept change understand time space Releasing false beliefs sickness and pain Understand your Mer Ka Ba Energy Field Universal Laws related to your spirituality The End Times The Shift and Photon Belt

Commentary on Matthew Saint Hilary (Bishop of Poitiers),2012 When the writing of Latin biblical commentaries was still in its infancy a young bishop from Poitiers in Gaul penned a passage by passage exposition on the Gospel of Matthew It is the first of its kind to have survived almost completely intact Published now for the first time in English translation Hilary s commentary offers a close look at Latin theology and exegesis before the Nicene Creed was considered the sole standard of orthodoxy Likely the earliest of Hilary s writings this commentary has none of the polemic against the Arians that figured so prominently in most of his later works Nonetheless there exists in this text an oft stated concern with those who interpreted the Incarnation as grounds for construing Christ as only a man rather than professing Christ as God and man Other noteworthy features of the commentary include Hilary s interest in the relation between Law and Gospel and his articulation of a Pauline based view of justification by faith In his view the importance of the Law before the Gospel was indisputable and necessary For Jews it was considered the way of redemption With the advent of Christ it became an eschatological guide directing all future believers into the grace that comes by faith Hilary s emphasis on God s righteousness conferred on a helpless race represents a far more pronounced application of Paul s thought than in any previous Latin writer

ABOUT THE TRANSLATOR D H Williams is professor of patristics and historical theology at Baylor University His publications include books and articles on early Christian thought and literature as well as studies that seek to integrate the ancient Christian legacy with contemporary theology He is the editor of *The Church s Bible Commentary on Matthew*

The Revelation (New Revised Edition) Bodo Balsys, 2022-09-06 This book presents basic postulates concerning many esoteric concepts These include the concept of God what constitutes evil the nature and function of karma the manifestation of energy from the subtle planes of perception the nature of manifest Divinity as veiled by the concept of the Christ in the Bible and the mysteries of Being The analysis moves from my earlier Buddhist writings to focus upon the information in the Bible especially in relation to the nature of the reappearance of the Christ which here is equated with the externalisation process of the Hierarchy of Enlightened Being This doctrine concerns the mode of the evolution of transcendent perception by humanity The awakening of higher spiritual perceptions via the enlightenment path and the understanding of the psychic constitution of the n s and chakras are also explained A syncretic approach is therefore espoused through the comparison between Eastern doctrines and the presented esoteric Christianity In doing so many of the veiled hidden mysteries in the Gospel story and the book of Genesis are revealed The text shows how these religions are but aspects of one fundamental religious evolution of the historical development of what is known in the East as the dharma and in the Western tradition as the Law of God
