## **Revelations Of A Russian Diplomat The Memoirs Of Dmitrii I Abrikossow By:**

**Revelations of a Russian diplomat. The Memoirs of Dmitrii I. Abrikossow. Ed. by George Alexander Lensen. [Illustr.] (1. ed.)** Dimitrii Ivanovich Abrikosov, 1964      **Revelations of a Russian diplomat: the memoirs of Dmitrii I. Abrikossow, ed** Dmitrii I. Abrikossow, George Alexander Lensen,      Revelations of a Russian Diplomat Dmitrii I. Abrikossow, 1968-02      Russian and Soviet Diplomacy, 1900-39 Alastair Kocho-Williams, 2011-12-13 Addressing the impact of the Russian Revolution and change and continuity in diplomacy during the transition from Empire to Soviet Union this book examines how Russia's diplomacy was conducted the diplomats behind it the establishment of the Soviet diplomatic corps and the steps taken to integrate the Soviets into the diplomatic world      Revelations of a Russian Diplomat, the Memoirs Dmitrii Ivanovič Abrikosov, 1964      *Revelations of a Russian Diplomat* Dmitrii Ivanovich Abrikosov, 1964 M moires d un diplomate sovi tique qui a servi plus particulièrement en Chine et au Japon En 1945 il gagne les Etats Unis d Am rique ne voulant plus servir l Union Sovi tique      Karl W. Ryavec, 2005 This unique study provides an original nitty gritty view of the true nature and operation of Russia's state bureaucracy from the imperial period to the present including the Putin presidency The only book length exploration of the problems and deficiencies of Russian bureaucracy since tsarist times this detailed work sheds important new light on Russian public administration an often overlooked but key barrier to Russian normalization and democratization      **Russia and Eastern Europe, 1789-1985** Raymond Pearson, 1989      Diplomacy Before the Russian Revolution M. Hughes, 1999-09-30 This book reassesses the transformation of European diplomacy which took place at the beginning of the twentieth century It focuses on the British and Russian diplomatic establishments during the years 1894 1917 in order to illustrate both the heterogeneity and complex nature of the Old Diplomacy The book will ground discussion in a series of case studies designed to illustrate both the benefits and the pitfalls of generalizing about a complicated process of transformation that had a range of social political administrative and psychological dimensions

**The Flight Of The Romanovs** John Curtis Perry, Constantine V Pleshakov, 2008-08-05 A saga of love and lust personal tensions and rivalries antagonisms and hatreds The Flight of the Romanovs describes the last century of the Russian imperial dynasty the Romanovs from the youth of the future tsar Alexander III in the 1860s until the death in 1960 of his daughter Olga Alexandrovna the last grand duchess John Curtis Perry and Constantine V Pleshakov use a wealth of previously untapped sources including unpublished diaries of many of the principal characters interviews with people who knew them well and never before published photographs to create a history of a family and a time Along the way we learn of the relationships between Alexander III and his children the conspiracy against Rasputin Duke Dimitrie's affair with Coco Chanel the hostile behavior of the House of Windsor toward the Romanovs and the war between the Romanovs and the secret police Concluding with a discussion of the imperial restoration movement in Russia today The Flight of the Romanovs is a must read for anyone interested in the Romanov family Russian history and the history of European royalty      *Imperial Rivals* Sarah

C.M. Paine,2023-05-31 Based on archival research this is a history of the Russo Chinese border which examines Russia s expansion into the Asian heartland during the decades of Chinese decline and the 20th century paradox of Russia s inability to sustain political and economic sway over its domains      *How Russia Lost Bulgaria, 1878-1886* Mikhail S.

Rekun,2018-11-23 How Russia Lost Bulgaria looks at the rapid breakdown in Russo Bulgarian relations in the years following the Russian liberation of Bulgaria in the Russo Turkish War of 1877 1878 Initially the Russian Empire and the Principality of Bulgaria were close allies bound together by sentiment by geopolitical reality and by strong administrative links the Bulgarian Minister of War was a Russian general on detached duty from the Imperial Army to pick just one example Yet by 1886 only eight years later relations degenerated to such a point that a Russian backed coup overthrew the Bulgarian monarch The two countries would cut diplomatic relations for years How Russia Lost Bulgaria argues that the behavior of Russian military and diplomatic agents in Bulgaria caused this rapid turnabout These agents acted in a tactless obnoxious fashion that offended the pride and sensibilities of both local Bulgarian politicians and of the German born Russian appointed Prince Alexander von Battenberg Having a Russian Consul General refer to the leader of Bulgaria s majority party as an unwashed uncombed country bumpkin did not improve relations certainly But to write off Russia s agents in Bulgaria as bunglers and imbeciles is neither accurate nor intellectually satisfying Underlying their actions is the fact that the Russian Ministry of Foreign Affairs was a weak and disorganized institution and it failed to either develop a coherent policy approach to relations with Bulgaria or to force its agents to carry out an approach once it was developed Left to their own devices Russian agents in Bulgaria fell back on their own ideas of how to advance the Russian Empire s position and in so doing they drove Russia s relationship with a vital client state straight into the ground      **Origins of the First World War** Gordon

Martel,2013-11-14 The Origins of the First World War summarises and analyses the policies issues and crises that produced the cataclysm of war in 1914 The position of each of the great powers is clearly explained including their place in the system of alliances that dominated international politics      **Koreans in Transnational Diasporas of the Russian Far East and Manchuria, 1895-1920** Hye Ok Park,2021-09-19 Much attention has been paid to the Japanese deployment of Koreans in

their war efforts during WWII Much less attention however has been given to the subject prior to 1910 This book will 1 present the evidence which reveals the presence of Koreans in the Japanese military during the Russo Japanese War 1904 1905 as seen by an American novelist Jack London before the formal annexation of Korea by Japan 2 analyze the presence of Koreans on the Japanese and the Russian sides of the war and 3 investigate why and how these Koreans became involved in someone else s war Arirang a Korean folksong favored and sung by Koreans at home and in exile has sustained the Korean people in a shared collective spirit throughout their lives in transnational diasporas in the Russian Far East Manchuria and Japan as well as in Korea This is a study of transnational Koreans as the Arirang people Chapter 1 Introduction Chapter 2 Koreans in the Russian Far East and Manchuria Chapter 3 Koreans in the Russo Japanese War 1904 1905 Chapter 4 Korean

Transnationals as Stateless People 1906 1920 and the Conclusion *Stalin, Japan, and the Struggle for Supremacy over China, 1894-1945* Hiroaki Kuromiya, 2022-12-27 Stalin was a master of deception disinformation and camouflage by means of which he gained supremacy over China and defeated imperialism on Chinese soil This book examines Stalin s covert operations in his hunt for supremacy By the late 1920s Britain had ceded place to Japan as Stalin s main enemy in Asia By seducing Japan deeply into China Stalin successfully turned Japan s aggression into a weapon of its own destruction The book examines Stalin s covert operations from the murder of the Manchurian warlord Zhang Zuolin in 1928 and the publication of the forged Tanaka Memorial in 1929 to Stalin s hidden role in Japan s invasion of Manchuria in 1931 the outbreak of all out war between China and Japan in 1937 and Japan s defeat in 1945 In the shadow of these and other events we find Stalin and his secret operatives including many Chinese and Japanese collaborators most notably Zhang Xueliang and K moto Daisaku the self professed assassin of Zhang Zuolin The book challenges accounts of the turbulent history of inter war East Asia that have ignored or minimized Stalin s presence and instead exposes and analyzes Stalin s secret modus operandi modernized as hybrid war in today s Russia The book is essential for students and specialists of Stalin China the Soviet Union Japan and East Asia *From Splendor to Revolution* Julia P. Gelardi, 2011-02-15 A richly detailed portrait of four women whom marriage and blood put at the center of European history Richmond Times Dispatch This sweeping saga recreates the extraordinary opulence and violence of Tsarist Russia as the shadow of revolution fell over the land and destroyed a way of life for these Imperial women From the early 1850s until the late 1920s Russia underwent a massive transformation taking it from days of grandeur under the tsars to the chaos of revolution and the beginnings of the Soviet Union At the center of all this tumult were four Romanov women Marie Alexandrovna Tsar Alexander II s pampered daughter astonished her mother in law Queen Victoria with her strength of character Thrust into the role of queen at sixteen Olga Constantinovna s altruistic streak benefited Greeks and Russians alike Charming and vivacious Marie Feodorovna the mother of the ill fated Tsar Nicholas II excelled in her role as empress Formidable and ambitious Marie Pavlovna emerged as a rival to Tsarina Alexandra Nicholas II s embattled consort *From Splendor to Revolution* presents the unforgettable political and personal dramas of these extraordinary women What began for them as a time of splendor ended after World War I with a Russia destroyed by revolution Relating the drama and tragedy of royal life Gelardi ably weaves in the extended family ties that connected most European rulers including Queen Victoria Publishers Weekly starred review Simple straightforward and engaging Gelardi is proof that history written from the female perspective can be all business The Roanoke Times **Roads to Glory** Ronald P. Bobroff, 2006-02-22 Until now it has been accepted that the Turkish Straits the Russian fleet s gateway to the Mediterranean were a key factor in shaping Russian policy in the years leading to World War I Control of the Straits had always been accepted as the major priority of Imperial Russia s foreign policy In this powerfully argued revisionist history Ronald Bobroff exposes the true Russian concern before the outbreak of war the containment of German aggression Based on

extensive new research Bobroff provides fascinating new insights into Russia's state development before the revolution examining the policies and personal correspondence of its policy makers And through his detailed examination of the rivalries and alliances of the Triple Entente he sheds new light on European diplomacy at the beginning of the twentieth century

**Imperial Japan and National Identities in Asia, 1895-1945** Robert Cribb, Narango Li, 2020-08-26 Between 1895 and 1945 Japan was heavily engaged in other parts of Asia first in neighbouring Korea and northeast Asia later in southern China and Southeast Asia During this period Japanese ideas on the nature of national identities in Asia changed dramatically At first Japan discounted the significance of nationalism but in time Japanese authorities came to see Asian nationalisms as potential allies especially if they could be shaped to follow Japanese patterns At the same time the ways in which other Asians thought of Japan also changed Initially many Asians saw Japan as a useful but distant model but with the rise of Japanese political power this distant admiration turned into both cooperation and resistance This volume includes chapters on India Tibet Siberia Mongolia Korea Manchukuo China Taiwan Vietnam Thailand the Philippines and Indonesia

**Turbulence in the Pacific** Noriko Kawamura, 2000-06-30 Although events in East Asia were a sideshow in the great drama of World War I what happened there shattered the accord between Japan and the United States This book pursues the two fold question of how and why U S Japanese tensions developed into antagonism during the war by inquiring into the historical sources of both sides Kawamura explains this complex phenomenon by looking at various factors conflicts of national interests geopolitical and economic perceptual problems such as miscommunication miscalculation and mistrust and most important of all incompatible approaches to foreign policy America's universalism and the unilateralism inherent in Wilsonian idealistic internationalism clashed with Japan's particularistic regionalism and the pluralism that derived from its strong sense of racial identity and anti Western nationalistic sentiments By looking at the motives and circumstances behind Japan's expansionist policy in East Asia Kawamura suggests some of the centrifugal forces that divided the nations and challenged the premise of Wilsonian internationalism At the same time through critical examination of the Wilson administration's universalist and unilateral response to Japan's actions she raises serious questions about the effectiveness of American foreign policy At the close of the 20th century after 50 years of Cold War those in search of a new world order tend to resort to Wilsonian rhetoric This book suggests that it can be unwise to apply a universalistic and idealistic approach to international conflicts that often result from extreme nationalism regionalism and racial rivalry

**The Great Powers and the Chinese Revolution, 1911-1913** Rose Pik Siu Chan, 1979

Getting the books **Revelations Of A Russian Diplomat The Memoirs Of Dmitrii I Abrikossow By** now is not type of inspiring means.
