killed about a third of England's population in one single epidemic. People died so quickly and in such numbers that the dead could not receive proper burial and in the worst of times lay stacked in carts like so much cordwood or in hastily dug pits on the edge of town or simply where they fell in the streets. Seeing these images may have affected Julian who was just six years old when the plague first hit Norwich. Although she does not speak of the plague directly, her book shows a deep sensitivity to suffering and dying.

Revelations of Divine Love (Royal Collector's Edition) (Case Laminate Hardcover with Jacket) Julian Of Norwich, 2024-10-22. *Revelations of Divine Love* by Julian of Norwich is a medieval Christian mystical text notable for being the earliest surviving book written in English by a woman. It details sixteen mystical visions or shewings that Julian experienced in 1373 while on her deathbed. After recovering, Julian documented these visions in a short manuscript known as the Short Text. Over the following decades, she expanded upon her reflections, producing the more extensive Long Text, both of which were written in Middle English. The work gained renewed interest centuries after Julian's death. Her writings were preserved through various manuscripts, with the Long Text first published in 1670 by Benedictine monk Serenus de Cressy. The 19th-century revival of her work led to multiple reprints, and in 1901, Grace Warrack's translation introduced Julian's insights to a wider 20th-century audience. *Revelations of Divine Love* continues to be studied for its profound spiritual reflections and historical significance in Christian mysticism. This case laminate collector's edition includes a Victorian-inspired dust jacket.

Revelation Brad Steiger, 2006. *Revelation: The Divine Fire*. A Biblical prediction says that in the latter days, your sons and daughters shall prophesy. Brad Steiger has communicated with literally hundreds of individuals who claim to have received messages directly from God or from spacemen, angels, spirit guides, or other superhuman entities. It would be easy to dismiss these latter-day prophets as deluded, but amazingly, their revelations all have an internal consistency: a common theme: a time of judgment is at hand, and humankind must change its ways to avert disaster. Moreover, contemporary housewives, business executives, and Jesus people are experiencing the same symptoms of revelation: a blinding light, a voice out of nowhere, an impulse to take on a new name and a new life. On the track of the elusive source of these messages, Steiger examines the spread of glossolalia and faith healing, the folklore of elves and leprechauns, the awesome cases where a revelator's body is briefly occupied by an outside personality, the mysterious Elijah tradition of the Bible that suggests that the great prophets, perhaps even Jesus, were possessed by a single entity, and the latest laboratory research into consciousness expansion. *Revelation: The Divine Fire* presents actual warnings, predictions, and messages from a wide spectrum of contemporary revelators. In addition, there are interviews and evaluations from a number of clergymen, scientists, and psychics who have met the Divine Fire. Steiger's divine fire is something which, from the beginning of recorded history down to the present, has communicated a revelation to man. Steiger is properly objective in his evaluation of the significance of such phenomena, setting forth the opinions of various scientific or at least thoughtful observers on the subject and, where necessary, synthesizing such opinions. Kirkus Reviews. In the tradition of William James, *Varieties of Religious*
