## **Reverse Discrimination In The Federal Government:**

*Reverse Discrimination in the Federal Government* Linda Jacobs, 2005 I have been a federal employee for almost thirty years When I first started in the federal government in 1966 the Civil Rights Act of 1964 had been in effect for two years and was working Over the years the act has been amended until the scale has been unfairly tilted toward blacks which are only about 12% of the national population The discrimination against whites and other minorities is most prevalent in the Washington D C area The Office of Personnel Management encourages 85% blacks in agencies which is unfair since the black population in Washington D C is 60% A prominent female member of the Supreme Court asked What is the ending date of the Civil Rights Act of 1964 Is this law going to remain in effect infinitely Who decides when parity is reached I wrote this to wake up readers to the unfairness of the Civil Rights Act of 1964 and its over enforcement in the federal government My grandchildren who are Hispanic and Canadian and my cousins who are Korean Japanese Hispanic and white males should also be treated fairly by the federal job market

Reverse Discrimination Fred L. Pincus, 2003 Pincus assesses the nature and scope of reverse discrimination in the United States today exploring what effect affirmative action actually has on white men

Subcommittee on the Constitution,1998 *The History Of U.S. Ethnic Policy And Its Impact On European Ethnicity* John Lescott-Leszczyński,2019-09-06 Ethnic considerations have often played a part in the development of U S public policy even for policies not directly targeting ethnic groups This book surveys the impact of specific legislation on ethnics particularly European ethnics from a historical perspective Its primary focus however is the contemporary body of

legislation and regulation based on the 1964 Civil Rights Act which laid the foundation for a conscious and comprehensive racial and ethnic policy intended to aid disadvantaged minorities One of the major outcomes of the 1964 act was the implementation of affirmative action programs mandated by the federal government for its own agencies for federally funded institutions and for private enterprise Implementation depended on data collection based on federally developed racial and ethnic categories Because European ethnics were not included as an identifiable category many discovered Dr Lescott Leszczynski felt that preferential treatment for certain other ethnic groups operated to their disadvantage ethnic tension inevitably resulted Through a systematic review of laws executive orders federal agency directives and related jurisprudence Dr Lescott Leszczynski conveys the extent to which social change has been effected by ethnic policies and explores the ways in which ethnic policy develops how it is expressed how it is implemented and how it is challenged **Hiring the Black**

**Worker** Timothy J. Minchin, 2013-01-01 In the 1960s and 1970s the textile industry's workforce underwent a dramatic transformation as African Americans entered the South's largest industry in growing numbers Only 3.3 percent of textile workers were black in 1960 by 1978 this number had risen to 25 percent Using previously untapped legal records and oral history interviews Timothy Minchin crafts a compelling account of the integration of the mills Minchin argues that the role of a labor shortage in spurring black hiring has been overemphasized pointing instead to the federal government's influence in pressing the textile industry to integrate He also highlights the critical part played by African American activists Encouraged by passage of the 1964 Civil Rights Act black workers filed antidiscrimination lawsuits against nearly all of the major textile companies Still Minchin notes even after the integration of the mills African American workers encountered considerable resistance black women faced continued hiring discrimination while black men found themselves shunted into low paying jobs with little hope of promotion The Crisis, 1984-11

The Crisis founded by W E B Du Bois as the official publication of the NAACP is a journal of civil rights history politics and culture and seeks to educate and challenge its readers about issues that continue to plague African Americans and other communities of color For nearly 100 years The Crisis has been the magazine of opinion and thought leaders decision makers peacemakers and justice seekers It has chronicled informed educated entertained and in many instances set the economic political and social agenda for our nation and its multi ethnic citizens *The Law of Higher Education, 2 Volumes* William A.
