Review Of Local Government Revenue Data In California:

A Review of Local Government Revenue Data in California M. Shires, Melissa Glenn Haber, 1997 The California Handbook Ted Trzyna, Julie Didion, 1998-10 **Understanding Municipal Fiscal Health** Craig S. Maher, Sungho Park, Bruce D. McDonald III, Steven C. Deller, 2023-02-01 Understanding Municipal Fiscal Health provides an in depth assessment of the fiscal health of cities throughout the United States The book examines the tools currently available to cities for designing a revenue structure measuring fiscal conditions and measuring fiscal health It explains how artificial policies such as tax and expenditure limitations influence fiscal policies and how communities can overcome socioeconomic and state policy barriers to produce strong fiscal conditions The authors go beyond simple theory to analyze patterns of fiscal health using actual financial demographic and TEL data from an accurate data source the Government Financial Officers Association survey The book offers a solid basis of empirical evidence including quantitative case studies complete with discussion questions to help practitioners better understand the environment in which they are functioning and the policy tools they need to help advocate for change This book teaches the reader the science and art of municipal financial analysis and will be invaluable for local and state officials analysts and students and researchers **U.S. Government Research & Development Reports** ,1971 **The Palgrave Handbook of Government Budget Forecasting** Daniel Williams, Thad Calabrese, 2019-10-14 This Handbook is a comprehensive anthology of up to date chapters contributed by current researchers in budget forecasting Editors Daniel Williams and Thad Calabrese had previously found substantial deficiencies in public budgeting forecast literature with current research failing to address such matters as practices related to forecasting expenditure factors the consequences of forecast bias or empirical examination of the effectiveness of many deterministic methods actually used by many governments This volume comprehensively addresses the state of knowledge about budget forecasting for practitioners academics and students and serves as a comprehensive resource for instruction alongside serving as a reference book for those engaged in budget forecasting practice **Statistical Reference Index** ,1980 **Tax Politics and Policy** Michael Thom, 2017-02-03 Taxes are an inescapable part of life They are perhaps the most economically consequential aspect of the relationship between individuals and their government Understanding tax development and implementation not to mention the political forces involved is critical to fully appreciating and critiquing that relationship Tax Politics and Policy offers a comprehensive survey of taxation in the United States It explores competing theories of taxation s role in civil society investigates the evolution and impact of taxes on income consumption and assets and highlights the role of interest groups in tax policy This is the first book to include a separate look at sin taxes on tobacco alcohol marijuana and sugar The book concludes with a look at tax reform ideas both old and new This book is written for a broad audience from upper level undergraduates to graduate students in public policy public administration political science economics and related fields and anyone else that has ever paid taxes Resources in Education ,1990 Federal Program
