Bower,1996-01-01 This new handbook will be welcomed by all congregations using the Revised Common Lectionary Convenient and user friendly this one volume guide provides resources for the entire three year lectionary cycle including midweek festival days     The Revised Common Lectionary Consultation on Common Texts (Association),1992-01-01     The Sunday Lectionary Normand Bonneau,1998 The Sunday Lectionary examines a key aspect of the liturgical use of the Bible how the Lectionary puts biblical flesh on the bones of the liturgical calendar and gives paschal shape to the Christian year Although the current Lectionary has been in use since 1969 its history purpose and structure remains relatively unknown to the many who proclaim or hear its readings The Sunday Lectionary contributes to a theology of proclamation by explaining the principles that underlie the Lectionary s selection of biblical passages and its patterns of reading distribution that structure the Sundays feast days and seasons of the liturgical year The book is divided into two parts The first lays the groundwork by surveying the history of the Lectionaries chapter 1 chronicling the highlights of the Vatican II Lectionary reform chapter 2 and examining the characteristic traits of the revised Sunday and feast day Lectionary and its ecumenical import chapter 3 The second part analyzes the Lectionary s architecture for each of the liturgical seasons chapters 4 9 Liturgical proclamation breathes life into the ancient inscribed words transforming them from words into the Word thus bringing the transforming nourishing presence of the risen Christ into the world The Sunday Lectionary not only helps enrich theological conversation but helps pastors homilists worship leaders rectors cantors and students of liturgy foster a deeper appreciation of the Lectionary and through the Lectionary the liturgy Normand Bonneau OMI ThD is Associate Professor of New Testament at Saint Paul University in Ottawa Canada His special interests are the letters of Paul and the Sunday Lectionary in which he teaches graduate and undergraduate courses and on which he has published a number of articles

Issues in Prayer Book Revision Robert W. Prichard,2018-09-17 Essays from academics across a spectrum of perspectives The Standing Commission on Liturgy and Music sought input from multiple sources in order to better understand the charge of the General Convention of 2015 suggesting that it present a plan for the revision of the Book of Common Prayer to the 2018 Convention While the individual chapters of this volume raise a variety of differing issues they share a common assumption that one of the sources of information for the Standing Commission and the Church in its deliberations ought to be the community of academically trained liturgical scholars The hope of this volume is to open a conversation across the church that will continue in the future     *Teaching the Faith, Forming the Faithful* Gary A. Parrett,S. Steve Kang,2013-03-05 With the decline of traditional Sunday school and education programs in recent years many Christians have not learned the fundamental doctrinal content of the faith In this text Gary Parrett and Steve Kang set forth a thoroughly biblical vision for intentional teaching of the Christian faith that attends to both the content and process of educational and formational ministries     *John for Beginners* James Taylor,2001 This Bible study invites both new and long time learners into an intimate and personal exploration of the Gospel of John While the gospels of Matthew Mark and Luke speak directly to the actions and

teachings of Jesus John speaks in more symbolic language that can take us to deeper levels in our own reflection of who Jesus is. Intended as a group study launching pad for discussion, this commentary can also be used for individual study. Includes questions to encourage reflection as well as short prayers after each section. Appendix includes Suggestions for Study Leaders. Because the Gospel of John appears at various places throughout each of the 3 year cycle, this book makes a good study any time for lectionary study groups.
