Revival In Brownsville Pensacola Pentecostalism And The Power Of American Revivalism:

Revival in Brownsville Steve Rabey, 1999-03-07 Award winning religion reporter Steve Rabey provides an objective and balanced report on how the fires of revival in Brownsville were ignited and how its flames have affected those who have made the pilgrimage to Pensacola *The Future of Pentecostalism in the United States* Eric Patterson, Edmund John Rybarczyk, 2007-01-01 One hundred years after the Azusa Street Revival stunned Los Angeles and changed Western Christianity Pentecostalism has become the fastest growing religious movement in the world However many Pentecostal denominations in the United States are in a slow decline Will Pentecostalism survive in North America in the twenty first century If so what forms will it take The Future of Pentecostalism in the United States brings together leading scholars of charismatic and Pentecostal Christianity to discuss and forecast these issues The book looks at American Pentecostalism from a variety of disciplinary perspectives including sociology theology history and the arts The book also considers various traditions and sub movements within U S Pentecostalism such as African American Pentecostal and charismatic Latino churches urban postmodern charismatic congregations and the role of Pentecostal institutions of higher education **The Cambridge Companion to Pentecostalism** Cecil M. Robeck, Jr, Amos Yong, 2014-08-11 Pentecostalism is one of the fastest growing religious movements in the world Groups in the United States dominated early Pentecostal histories but recent global manifestations have expanded and complicated the definition of Pentecostalism This volume provides a nuanced overview of Pentecostalism s various manifestations and explores what it means to be Pentecostal from the perspectives of both insiders and outsiders Leading scholars in the field use a multidisciplinary approach to analyze the historical economic political anthropological sociological and theological aspects of the movement They address controversies such as the Oneness Trinity controversy introduce new theories and chart trajectories for future research The Cambridge Companion to Pentecostalism will enable beginners to familiarize themselves with the important issues and debates surrounding the global movement while also offering experienced scholars a valuable handbook for reference Essentials of Pentecostal Theology Tony Richie, 2020-01-20 Only a few decades past academia tended to scoff at the very idea of serious Pentecostal theology Today profound and variegated theological implications of this dynamic movement are the object of exploration and development across the entire spectrum of the Christian theological corpus Arguably an acute need has arisen for identification and evaluation of the Pentecostal movement s original and ongoing theological essentials What is Pentecostal theology really all about anyway This volume realizes that Pentecostal theology is at its heart a working theology undergirding and energizing believers worship of God in prayer and praise in holy living and in witness to a personal experience of the risen Lord and Savior manifested in the continuing power of the Holy Spirit Authentic implementation if not explicit articulation of fervent Pentecostal theology often occurs in the vitality of local churches house fellowships and various mission settings in America and around the world Birthed in the fires of revival movements essential Pentecostalism

including Pentecostal theology continues to burn brightest wherever it is fueled most directly The Assemblies of God Margaret M. Poloma, John C. Green, 2010-11-23 The Assemblies of God AG is the ninth largest American and the world's largest Pentecostal denomination with over 50 million followers worldwide The AG embraces a worldview of miracles and mystery that makes supernatural experiences such as speaking in tongues healing and prophecy normal for Christian believers Ever since it first organized in 1916 however the charismata or gifts of the Holy Spirit have felt tension from institutional forces Over the decades vital charismatic experiences have been increasingly tamed by rituals doctrine and denominational structure Yet the path towards institutionalization has not been clear cut New revivals and direct personal experience of God the hallmarks of Pentecostalism continue as an important part of the AG tradition particularly in the growing number of ethnic congregations in the United States The Assemblies of God draws on fresh up to date research including quantitative surveys and interviews from twenty two diverse Assemblies of God congregations to offer a new sociological portrait of the AG for the new millennium The authors suggest that there is indeed a potential revitalization of the movement in the works within the context of the larger global Pentecostal upswing and that this revitalization may be spurred by what the authors call godly love the dynamic interaction between divine and human love that enlivens and expands benevolence The volume provides a wealth of data about how the second largest American Pentecostal denomination sees itself today and suggests trends to illuminate where it is headed in the future **God's Opportunity**

Athanasios Scott Tonk, 2016-02-05 We human beings have messed up so badly We have atomized the Body of Christ so that only a miracle can heal the wounds of the Body again But God is already acting to heal the Body of His Son as you will see in part 1 of the book This book does not deal in generalities when it comes to Christians It views the Body of Christ as one big family complete with a mother our heavenly Father His Son who is the head of the Body and children kinsmen cousins aunts uncles and so forth Oh yes we have had our fights but they have all been family fights Now this book issues a challenge to all of the members of the family Appreciate one another's heritage and bring it to the table of the Lord This book is also a call to greater evangelism and mission but it by and large recognizes that the churches are going all out to bring the world to Christ Its Gods Time Its Kingdom Time Its the Fullness of Time Its Gods Opportunity **Repackaging Christianity** Andrew

Atherstone, 2022-07-21 The story of Alpha is of major significance for understanding the place of religious faith in the modern world but that story has never been told until now Since its launch in 1993 the Alpha movement has evolved from supper party evangelism in the Kensington suburbs into a global brand of Christian outreach Today over a million people attend Alpha every year but the history of its rise to popularity has never been documented What caused such spiritual renewal in an age of scepticism And what propelled Alpha into a phenomenon that is recognised across the globe Alpha is far more than an introductory course to Christianity At the core of its brand identity is a repackaging of the Christian message for contemporary audiences Innovation and cultural adaptability are built into Alpha's DNA one of the chief reasons for its

longevity and influence. Nimble, utilising the multimedia and digital revolutions, it has contextualised into cultures and languages across the planet. And led by charismatic savvy individuals, it has attracted people from across the social spectrum, making waves in national media. Andrew Atherstone leaves no stone unturned as he presents this fascinating history. With exclusive access to original archives, Atherstone recounts the miraculous stories of HTB's early years, the first full account of Nicky Gumbel's conversion and the strategic decisions that launched Alpha onto the global stage of Christian influence. With sharp historical analysis, Andrew Atherstone uncovers the story of Christian resurgence in our contemporary age.

Authentic Fire Michael L. Brown, 2015-07-07 In response to Pastor John MacArthur's call for a collective war against charismatics, Dr Michael Brown has called for unity in Jesus based on a return to the truth of the Scriptures in the fullness of the Spirit. As a charismatic biblical scholar and theologian, Dr Brown responds to Pastor MacArthur's charges, making a biblical case for the continuation of the New Testament gifts of the Spirit and demonstrating the unique contribution to missions, theology and worship made by the charismatic Church worldwide. He calls for an appreciation of the unique strengths and weaknesses of both cessationists and charismatics, inviting readers to experience God afresh, and he demonstrates how charismatic leaders have been addressing abuses within their own movement for decades. Dr Brown speaks on behalf of millions who are not adequately trained to express in writing their own encounters with the supernatural power of God. David Ravenhill: I thank God for this biblically robust, pastorally sensitive, historically informed and graciously articulated account of the work of the Holy Spirit in the church of Jesus Christ. Sam Storms: Dr Michael Brown's *Authentic Fire* puts the brakes on John MacArthur's crusade against charismatics with irrefutable logic, extraordinary insight, Christ-like graciousness and an undisputable handling of Scripture. Frank Viola: Michael Brown writes with clarity and courtesy as he confronts one of the most explosive issues among all those who uphold the Bible as the plumb line of truth. David Shibley.
