Revival In The Scottish Hebrides:

The Lewis Awakening Duncan Campbell, Crossreach Publications, 2016-09-24 The island of Lewis has been the scene of a very gracious movement of the Spirit The breath of revival has been felt and communities have been conscious of the mighty impact of God This island had in days past experienced seasons of refreshing from the presence of the Lord but of late years the stream of vital Christianity appeared to be running low In our day of spiritual superficiality and anemic Christianity characterized by sin infested pulpits and indifferent pews the subject of revival is nonetheless a popular one Few who talk of it however have the faintest idea what a real moving of God is all about Impressive financial holdings ornate edifices of worship statistical proofs of success and mind boggling technological sophistications merely mask the spiritual bankruptcy within the Church as a whole today We are indeed poor in spirit The real problem is we seem completely incapable of even beginning to recognize just how spiritually poor we have become We lean to our own understanding make peace with our pet sins deem ourselves to be rich and increased with goods and in need of nothing all the while piddling piously with ideas of revival But revival can never be piddled with It is very very costly Duncan Campbell in this heart stirring message of personal and corporate revival strikes the taproot of the genuine working of God among His people Such revival is rare priceless and exceedingly costly Campbell captures the spirit of God s desire to work and carefully delineates both God s sovereign moving and man s responsibility to respond to the promptings of the Spirit of God This world has witnessed God s sovereign dealings through the humblest of men often at the darkest hours in history We remember the rebirth of Martin Luther and the Reformation that followed The Puritans obeyed God s Word with abandonment in the midst of a wicked generation The Spirit moved mightily upon the congregation of the dry preacher Jonathan Edwards and affected an entire generation The eighteenth century saw the powerfully convicting work of God s Spirit in New England the nineteenth had its great New York prayer revival and the early twentieth century heralded a phenomenal spiritual awakening in Wales The cry of our day is Where is the Lord God of Elijah The question might better be asked Where are the Elijahs of the Lord God While there is much prayer today there is little of the humility behind it that characterized the life of Duncan Campbell Here is a message by this great servant of our century It is hot with the breath of God It needs to be read and reread upon our knees until it burns its way into the hearts of the people of God and out through our lives The truth is here to kindle the flame Are we ignitable May God once again drench us with the oil of the Spirit and set us ablaze

The Kingdom Exposed George Jenkins, 2012-05-29 The Father is about to send the wind of the Spirit to ignite the fire of God in the heart of every believer even those with smoldering wicks Matt 12 20 The fire will be so intense that believers will be radiant with the glory of God Every born again believer will shine with this light by the time Jesus comes for His bride the church if they will just let him It will be like a flash of lightning Luke 9 29 God has told many that there will be a few that will be clothed in this light first They will then go forth and see multitudes clothed in this magnificent light of Gods glory Prophets say that the world will be so

amazed at the light that they will actually think we are wearing some technological device like fiber optics in our clothing This book is designed to bring you to that place in the last great awakening where you will explode with His power Are you ready for the supernatural like youve never seen before Are you ready to see the millions coming to Christ Everything that Lord has ever done before He will do again in this last Kingdom revival Evangelical Dictionary of Theology Walter A. Whitney,1996-09-10 You re worth it You deserve a break today Do something nice for yourself Commonly heard phrases in this society committed to self gratification and individual rights Doing things for other people is a waste of precious time and asking for help weak So how do we build the church described in the Scriptures In this day and age how can we be a genuine community based on self sacrifice and mutual commitment In Spiritual Disciplines Within the Church seminary professor author and former pastor Don Whitney shows us how to build a sense of community and be active participants instead of passive attendees Whitney looks at such frequently asked questions as Why can t I get by on my own Why should I go to church Why should I give of myself to the church Why do I need to worship in church Couldn t I just worship in nature Why does it matter whether I become a member of the church Committed love must mark the local

expression of the body of Christ By putting spiritual disciplines into practice in the church congregations can return to the depth of community present in the New Testament church where they devoted themselves to the apostles teaching and to the fellowship to the breaking of bread and to prayer *Pray for the Fire To Fall* Gordon Haresign,2016-02-05 Many are touting that the United States of America is no longer a Christian country a fact reinforced by the US Supreme Court when it recently stated that on certain issues the Bible is no longer relevant This book will challenge you to be all God wants you to be It calls for you and your church to be on fire for God as you are energized and empowered by the Holy Spirit The author's passion to see God exalted and people turn to Christ is clearly evident throughout the book If you are desirous of seeing God work in extraordinary ways this book will show you how it can be done and how you can become an agent for change

J. Hocking,2019-12-24 How many countries experienced a religious revival during the 20th century According to this new book on church revival history there were at the very least twenty such revivals occurring in various parts of the world Revival swept from Asbury University

Australia through America and across the European continent all within the space of one century Why This Book I wrote The Twentieth Revivals of the Century because there are so many stories that need to be told Stories of sweeping revivals which happened all across the globe Spiritual awakenings that occurred in countries making headlines today sometimes for all the wrong reasons Nations like North Korea s Pyongyang and Japan which incidentally almost became a Christian nation leading up to the twentieth century At this time Christianity began gaining ground at a rapid pace Such was the impact of the revivals covered in this book heading into the twentieth century So can we see a repeat of such revival fervour in the twenty first Century Was the recent Asbury Revival comparable with the one seen there in the 1970s Does it measure up to the same basic criteria or pass the smell test of how recent revivals have come about These question although not directly answered will show the the so called Asbury revival was missing two basic ingredients the preaching of the gospel and conversion of the masses
