Barna, Mark Hatch, 2003-11-26 Two decades ago a groundbreaking book called *The Frog in the Kettle* changed what we believe about the evangelical Church and its influence in America. Subsequent books by George Barna have become must reading for church leaders and concerned Christians everywhere. Now Barna takes a fresh look at the Church where we stand and where we are headed at the dawn of the new millennium. With revealing statistics from cutting edge research that illustrate the changing beliefs and attitudes in our society today, this book clearly shows the Church is at a crucial juncture in history, a time of rapid change in which we must begin to anticipate the world's needs in order to meet them. **Messengers of Hope**

Timothy Beougher, Alvin L. Reid, 2004-01-15 Since the first century, believers have worked diligently to find the most effective means of evangelizing. In every age, there have been great teachers who have excelled in their abilities to show others how best to communicate the good news of Christ. Roy Fish, Professor of Evangelism at Southwestern Baptist Theological Seminary, has inspired generations of evangelists who have learned his balanced biblical methodology. These essays, written in his honor, discuss personal evangelism, preaching, discipleship, great spiritual awakenings, contemporary spirituality, worship, mission work, and related topics. Included are contributions by scholars and preachers such as Jimmy Draper, Calvin Miller, Robert Coleman, and Rick Warren. This collection is a must for evangelists, students of theology, pastors, Bible teachers, or anyone interested in effective outreach. [From Asbury University Revival to the Russian Revival: Read about Twenty Revivals of the Twentieth Century](#)

G. J. Hocking, 2019-12-24 How many countries experienced a religious revival during the 20th century? According to this new book on church revival history, there were at the very least twenty such revivals occurring in various parts of the world. Revival swept from Asbury University, Australia, through America and across the European continent, all within the space of one century. Why? This book, *The Twentieth Revivals of the Century*, was written because there are so many stories that need to be told. Stories of sweeping revivals which happened all across the globe. Spiritual awakenings that occurred in countries making headlines today, sometimes for all the wrong reasons. Nations like North Korea's Pyongyang and Japan, which incidentally almost became a Christian nation leading up to the twentieth century. At this time, Christianity began gaining ground at a rapid pace. Such was the impact of the revivals covered in this book heading into the twentieth century. So can we see a repeat of such revival fervor in the twenty-first Century? Was the recent Asbury Revival comparable with the one seen there in the 1970s? Does it measure up to the same basic criteria or pass the smell test of how recent revivals have come about? These questions, although not directly answered, will show that the so-called Asbury revival was missing two basic ingredients: the preaching of the gospel and conversion of the masses. **From Deprived to Revived**

Heimola,2013-08-28 It is a truism that religion has to do with social cohesion but the precise nature of this link has eluded scholars and scientists Drawing on new research in religiously motivated prosociality evolution of cooperation and system theory this book describes how fluctuations in individuals strategic environment give impetus to a self organizatory process where ritual behavior works to alleviate uncertainties in social commitment It also traces the dynamic roles played by emotions social norms and socioeconomic context While exploring the social functions of ritual and revivalist behavior the book seeks to avoid the fallacies that result from disregarding their explicit religious character To illustrate these processes a case study of Christian revivals in early 19th century Finland is included The thesis of the book is relevant to theories of the evolution of religion and the role of religion in organizing human societies [The Greatest Force on Earth](#)

Carpenter,1999 Publicly humiliated by the Scopes monkey trial of 1925 fundamentalism in America seemed extinct by the end of the 1920s and then all but invisible to the mainstream until evangelists like Billy Graham gave new life to the movement in the popular revivals of the 1940s and 50s Here Joel A Carpenter illuminates these hidden years in the fundamentalist movement s history and in doing so provides answers to the riddle of its survival Blending painstaking research telling anecdotes and astute analysis Carpenter brings this era into focus for the first time ever He shows that contrary to the popular opinion of the day fundamentalism was alive and well in America in the late 1920s and used its isolation over the next 20 years to build new strength from within Taking a reasoned objective approach to a topic frequently reduced to caricature Revive Us Again gives us a fresh look at the continuing influence of American fundamentalism an influence still evident in today s newspapers and cable TV newscasts **Lost and Found** Michael A. Global Awakening Mark R. Shaw, 2010-05-07 The last century has seen the revolutionary remaking of Christianity into a truly world religion How did it happen What triggered the emergence of this new global faith no longer dominated by the West full of new and vital forms of devotion Mark Shaw's provocative thesis is that far flung revivals are at the heart of the global resurgence of Christianity These were not the quirky folk rituals associated with rural America and nineteenth century camp meetings that belong more to an age of plows and prairies than of postmodernity and globalization Rather they were like forces of nature protean constantly adjusting their features and ferocity to new times and to new places speaking Spanish Portuguese Yoruba Korean Mandarin and Gujarati They crossed the equator As they traveled abroad they grabbed hold of missionaries Bible translations national evangelists globalization and glossolalia and turned them into a religious revolution In this engaging book we read the stories of Joseph Babalola and the Aladura Revival in Africa of Kil Sun Ju and the great Korean revival of 1907 of Paulo Borges Jr and explosion of neo Pentecostalism in Brazil and of V S Azariah and the mass conversions of the Dalit people in India As Shaw paints portraits of

these and many more his gallery fills and we begin to see beyond isolated pictures to the sweeping landscape that we didn't realize was before our eyes all the time **Christian Science Sentinel**, 1904 **Paradigms of the Church in Mission**

Augusto Rodriguez, 2012-02-01 In this book Augusto Rodriguez provides a historical survey of the different paradigms of Christianity in order to understand how and why the church has changed her concept of being the church and of mission. This book will help in understanding how the different paradigms of Christianity throughout history have changed the church's self-understanding of being the church and of mission. Rodriguez's aim is to provide an opportunity for Christians to see the different paradigms the church has gone through and understand the present situation of the church in order to live out as fully as possible the New Testament understanding of its mission and better accomplish the task.
