Torrey, 2020-06-01 Yet we do speak wisdom among those who are mature a wisdom however not of this age nor of the rulers of this age who are passing away 1 Corinthians 2:6 There are too many trying to promote revival by pushing doctrines that have never produced a revival in all of church history These doctrines are called new but they are in reality as old as the early heresies that crept into the church They have never had power to produce conviction of sin conversion or regeneration so presumably they will not have that power today Some of the methods described in this book will appear novel to many but they are methods that have been tried before and proven effective There is no mere theorizing in the book Men whom God has used in winning souls to Christ and building up believers have been asked to write out of their own experience No one who has been asked to write has declined Such a book as this seems to be an absolute necessity of the hour There are thousands of ministers and other Christian workers in the land longing for a true revival of God's work but with no experimental or even theoretical knowledge of how to go to work to promote such a revival It is our earnest prayer and confident expectation that this book will prove helpful to all such men Preparing Your Church for Revival T. M. Moore, 2001 We all long for revival but we tend to pray for it to come without being completely sure what precisely it is This book will be a revitalising aid to those of us who desire revived spiritual life for our churches T M Moore offers practical advice on steps that we can take each with secure scriptural foundations to prepare our churches for the sovereign work that is revival This book is clear that there is no conflict between revival being a work of God and the continued and urgent need for God's people to earnestly pray for its appearance With practical guides to help us pray for revival T M Moore realises the need for balance and succeeds in providing a book that will help us to refocus on revival and prepare our souls and our

churches for the mighty work of a Sovereign and loving God Book jacket **I Am Revival** Randy Borders, Beverly Smith, Dana M Blue, 2023-07-10 God is looking to use those who are willing to endure the process of heart transformation for this next move of God Revival people are those who are willing to do the work and endure the process They desire change but understand in order to facilitate change they must become change Essentially that is the heart cry of the revivalist If you believe you have the God given ability to change and shift atmospheres environments and cultures for the Kingdom of God then you also are REVIVAL Are you ready to experience the transformative power of revival Then this book is for you Allow the hunger in your heart to transform you your city your family and the lives of others You are revival ready When our desire becomes to not only experience God during our gatherings but to allow revival to be an everyday construct then we will not only see our lives changed but others lives changed as well Ultimately we then can boldly declare I AM REVIVAL *Small Church, Excellent Ministry* Jeffrey C. Farmer, 2017-12-21 Pastors of smaller membership churches have a huge calling They are responsible for changing the world Rather than look at the small number of members in their congregations as a limitation pastors should view their congregations as an elite force able to impact their communities for the Kingdom of God Small Church Excellent Ministry is a handbook designed for pastors serving in smaller membership churches This book will help you to conduct your ministry with excellence Written by practitioners and professors the information provided in this book is on the vanguard of pastoral ministry and is useful for training pastors to be leaders of their churches **Preparing for Revival Instruction Manual** Donnell & Stephanie Vigers, 2016-05-11 Revival is coming Awakening is coming Thousands upon thousands will flood the churches suddenly but are we ready Are you ready for all the changes that will occur Have you done the things you need to do personally and in your home to make yourself ready Are you ready for reformation Are you ready for the face of the church to change Are our churches ready Do we have the right infrastructure in place We have prayed for revival but now is the time to not only pray but also to Expect and to Prepare We need to prepare for the Lord to both revive His people and to awaken those who are dead in sin so that they may receive the gift of salvation It is time for us to prepare to receive accept and love the lost hurt neglected abused and rejected It is time to prepare corporately to be able to accommodate the masses of new converts that will enter the churches suddenly This manual was written in hopes that we will heed God's warning and that we will do everything we can to be prepared for the greatest revival and awakening that we now eagerly anticipate and await to come **Releasing Revival** Karyl Gaehring, 2016-09-19 Preparing for Revival is important What does it take What does God require Prayer is the key God has scriptural requirements to preparing our hearts for an authentic move of God Releasing Revival is a book that will help prepare you personally or your prayer team or prayer ministry *How to Promote and Conduct a Successful Revival* Reuben Archer Torrey, 2017-12-21 Excerpt from How to Promote and Conduct a Successful Revival With Suggestive Outlines The first edition of this book was published the year before we began our evangelistic tour around the world For two years or more hundreds of us had been praying together for

a world wide revival and we had reached the point where we were absolutely sure that the revival was coming and this book was prepared as a preparation for that revival and as a help to it I had not decided at that time to go around the world The decision was made shortly afterwards In looking over the book since my return home I have been surprised to see how closely we have followed the lines of action suggested in this book and have been rejoiced to see how God has set His seal upon the principles enunciated in the book At the time that the book was given to the public the editor was known more as a Bible teacher and as a pastor than as an evangelist His evangelistic activity had been largely confined to those churches of which he himself was pastor Since the publication of the book God has seen fit to lead him out into the evangelistic field and he has had the privilege of applying on a very wide scale the principles which he enunciates in the book and he has found that these principles work successfully even beyond his own anticipation I am more firmly convinced than ever of the truth of the statement found on the eighteenth page of the book About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works
