Revolt Against Modernity Leo Strauss Eric Voegelin And The Search For A Postliberal Order

Ted V. McAllister

Revolt Against Modernity Leo Strauss Eric Voegelin And The Search For A Postliberal Order:

Revolt Against Modernity Ted V. McAllister,1996 Provides the first comparison of the thought of these two political philosophers and its influence on contemporary American conservatism *Revolt Against Modernity* Ted V. McAllister,1997

Disturbing Revelation: Leo Strauss, Eric Voegelin, and the Bible John J. Ranieri,2008 Ranieri shows how Leo Strauss and Eric Voegelin drew on biblical texts in their philosophies to explore the relationship between religion politics and violence while maintaining a deep ambivalence about the Bible s vision of life and its influence on politics and finally compares their thought with that of Ren Girard Provided by publisher *Leo Strauss and the Conservative Movement in America* Paul E. Gottfried,2011-12-29 This book offers an original interpretation of the achievement of Leo Strauss stressing how his ideas and followers reshaped the American conservative movement The conservative movement that reached out to Strauss and his legacy was extremely fluid and lacked a self confident leadership Conservative activists and journalists felt a desperate need for academic acceptability which they thought Strauss and his disciples would furnish They also became deeply concerned with the problem of value relativism which self described conservatives thought Strauss had effectively addressed But until recently neither Strauss nor his disciples have considered themselves to be conservatives Contrary to another misconception Straussians have never wished to convert Americans to ancient political ideals and practices except in a very selective rhetorical fashion Strauss and his disciples have been avid champions of American modernity and timeless values as interpreted by Strauss and his followers often look starkly contemporary **Leo Strauss and Anglo-American Democracy** Grant N. Havers,2013-10-15 Leo Strauss and Anglo American Democracy critically interprets Strauss s political philosophy from a conservative perspective Most mainstream readers of Strauss have either condemned him from the Left as an extreme right wing opponent of liberal democracy or celebrated him from the Right as a traditional defender of Western civilization Rejecting both portrayals Grant N Havers shifts the debate beyond the conventional parameters stating that Strauss was neither a man of the Far Right nor a conservative but in fact a secular Cold War liberal In *Leo Strauss and Anglo American Democracy* Havers contends that the most troubling implication of Straussianism is that it provides an ideological rationale for the aggressive spread of democratic values on a global basis while ignoring the preconditions that make these values possible Concepts such as the rule of law constitutional government Christian morality and the separation of church and state are not easily transplanted beyond the historic confines of Anglo American civilization as recent wars to spread democracy have demonstrated [The Politics of the Soul](#) Glenn Hughes,1999 *The Politics of the Soul* Eric Voegelin on Religious Experience includes eight essays examining one of the most profound studies of religious experience to appear in the last century that of the political philosopher Eric Voegelin Voegelin is increasingly recognized as a political theorist of exceptional scope and erudition and the most important philosopher of his time since Toynbee and his treatment of religious experience is a crucial part of his overall analysis of existence and history This collection of essays by prominent Voegelin

scholars is the first book to explore the relevance of that analysis to the contemporary understanding of political theory theology history and philosophy of consciousness and as such it constitutes a significant contribution not only to Voegelin scholarship but to the current quest for theoretical foundations *Liberalism Versus Conservatism* François B. Gérard,2000 Everyone eschews labels yet we all seem to possess them in the minds of legions of politicians marketers and even the ever peering government We are being targeted daily by flaming liberals left wing liberals right wing conservatives compassionate conservatives religious conservatives and liberals pinko liberals middle of the road liberals conservatives and liberals pinko liberals middle of the road liberals and conservatives and of course by neoconservatives and neoliberals The search is on for kindred souls the types who will open their wallets to support whatever it is the hucksters are peddling But what to these concepts mean and do their torchbearers grasp the underlying philosophies or do they care This bibliography lists over hundreds of entries under each category which are then indexed by title an author [The Postmodern Imagination of Russell Kirk](#) Gerald J. Russello,2007 Russello examines Russell Kirk s development of the imagination as a tool of conservative discourse offering an alternative genealogy for conservative thought that melds its antimodernism with postmodern themes Provided by publisher *Darker Legacies of Law in Europe* Christian Joerges,Navraj Singh Ghaleigh,2003-05-22 The legal scholarship of the National Socialist and Fascist period of the 20th century and its subsequent reverberation throughout European law and legal tradition has recently become the focus of intense scholarly discussion This volume presents theoretical historical and legal inquiries into the legacy of National Socialism and Fascism written by a group of the leading scholars in this field Their essays are wide ranging covering the reception of National Socialist and Fascist ideologies into legal scholarship contemporary perceptions of Nazi Law in the Anglo American world parallels and differences among authoritarian regimes in the Third Reich Austria Italy Spain and Vichy France how formerly authoritarian countries have dealt with their legal antecedents continuities and discontinuities in legal thought in private law public law labour law international and European law and the legal profession s endogenous obedience and the pains of Vergangenheitsbewältigung The majority of the contributions were first presented at a conference at the EUI in the autumn of 2000 the others in subsequent series of seminars **Neoconservative Politics and the Supreme Court** Stephen M. Feldman,2012-12-03 In this concise timely book constitutional law expert Stephen M Feldman draws on neoconservative writings to explore the rise of the neocons and their influence on the Supreme Court Neocons burst onto the political scene in the early 1980s via their assault on pluralist democracy s ethical relativism where no pre existing or higher principles limit the agendas of interest groups Instead they advocated for a resurrection of republican democracy which declares that virtuous citizens and officials pursue the common good Yet despite their original goals neocons quickly became an interest group themselves competing successfully within the pluralist democratic arena When the political winds shifted in 2008 however neocons found themselves shorn of power in Congress and the executive branch But portentously they still

controlled the Supreme Court Neoconservative Politics and the Supreme Court explains how and why the neoconservatives criticized but operated within pluralist democracy and most important what the entrenchment of neocons on the Supreme Court means for present and future politics and law

Creating Conservatism Michael J. Lee, 2014-08-01 *Creating Conservatism* charts the vital role of canonical post World War II 1945 1964 books in generating guiding and sustaining conservatism as a political force in the United States Dedicated conservatives have argued for decades that the conservative movement was a product of print rather than a march a protest or a pivotal moment of persecution *The Road to Serfdom* Ideas Have Consequences Witness The Conservative Mind God and Man at Yale The Conscience of a Conservative and other mid century texts became influential not only among conservative office holders office seekers and well heeled donors but also at dinner tables school board meetings and neighborhood reading groups These books are remarkable both because they enumerated conservative political positions and because their memorable language demonstrated how to take those positions functioning in essence as debate handbooks Taking an expansive approach the author documents the wide influence of the conservative canon on traditionalist and libertarian conservatives By exploring the varied uses to which each founding text has been put from the Cold War to the culture wars *Creating Conservatism* generates original insights about the struggle over what it means to think and speak conservatively in America

Tracing Nicholas of Cusa's Early Development Jovino de Guzman Miro, 2009

Divine Democracy Miguel E. Vatter, 2021 Liberal democracies assume neutrality toward the religious beliefs of its citizens the legal system is supposed to determine guilt or innocence without religious prejudice First coined by Carl Schmitt political theology questions these widely held assumptions It describes how political and legal concepts were derived from theological ones dissolving the connection between the public sphere and secularism In this intellectual history Miguel Vatter reconstructs how and why the discourse of political theology was adopted and repurposed by anti Schmittian thinkers to bolster the legitimacy of liberal democratic government Ultimately he shows to what extent contemporary democracy rests on theological assumptions Book jacket

The Social in Question Patrick Joyce, 2012-12-06 With postmodernism has come the questioning of the very idea of the social Thinkers from across the social sciences and humanities now agree that this one foundational concept can no longer be taken for granted as an objective or real characteristic of the world However their uncertainty has taken on many guises and the social in Question represents an attempt to pull these diverse forms of questioning together Drawn from sociology cultural studies history and theology an international and eminent cast of contributors look at how the idea of the social developed from its mediaeval foundations to its consolidation in the early twentieth century The book then charts how the concept has been brought into the question by critiques from science studies cultural studies and postcolonial studies before going on to look at how new frameworks are being proposed for the exploration of issues formerly seen as the social This book makes a fascinating contribution to the rethinking of contemporary academic activity

Leo Strauss and His Legacy John Albert Murley, 2005-01-01 With over 10

000 entries identifying work of hundreds of Strauss's students and their students this bibliography is the most indeed the only comprehensive guide to published writing in the tradition of Leo Strauss Murley includes Strauss's own complete bibliography and that of one of his most revered students George Anastaplo [Social Catholicism for the Twenty-First Century?--Volume 1](#) William F. Murphy, 2024-09-12 This first of two volumes introduces the tradition of social Catholicism not only in its earlier realizations but regarding how a contemporary renewal might address the crisis in which constitutional democracies and the postwar liberal order are under assault by populist and even neo fascist movements that could soon usher in a frighteningly dark future unless a broad movement in defense of constitutional democracy quickly arises In this context some of the most influential voices among American Catholics are focused on criticizing liberal democracy on advocating a postliberal order and the establishment of a Catholic integralist state or on insisting that abortion should be the primary sociopolitical concern for Catholics treating these threats to democracy as largely irrelevant This volume shows the rich tradition of social Catholicism and how the Social Doctrine of the Church came to appreciate the key tenets of constitutional democracy As Pope Benedict XVI wrote this social doctrine leads us to take a stand for the common good to take the institutional or political path of charity to be solicitous for the institutions that give structure to the life of society juridically civilly politically and culturally It engages some of the most influential contemporary Catholic thinkers and argues that they too should recognize the grave threats facing the human family and join in working to defend and renew our constitutional democracy **The European Renaissance in American Life** Paul F. Grendler, 2006-03-30 An informative but light hearted look at the popularity of the Renaissance today this book was written by a Renaissance scholar intrigued with the way his subject continues to resonate outside the scholarly community His purpose is to uncover and describe the many manifestations of America's love of the Renaissance Why do millions don costumes to attend Renaissance Faires Why do novels and films about the period enjoy continued popularity as do Renaissance icons such as Elizabeth I Michelangelo Shakespeare and the Mona Lisa How is it that American politicians and business leaders still look to Machiavelli as a symbol of wisdom or of evil Grendler posits that Americans embrace the Renaissance as a model of culture and sophistication seeing it as confirmation that the individual can achieve greatness against long odds a belief at the core of our own society After an examination of The Real Renaissance 1400 1620 the book looks at ways in which Americans relive the experience including Faires and Living Last Suppers ways in which we re create the Renaissance in our own world and finally ways in which the Renaissance is portrayed for better or worse in fiction and film *Eric Voegelin* Thomas W. Heilke, 1999 During his distinguished academic career Eric Voegelin was described as the most important philosopher of history and consciousness since Toynbee similarly Voegelin has been interpreted by his critics using virtually every ideological label available fascist communist liberal conservative existentialist fideist socialist reactionary Jew Catholic and Protestant With startling new insights into the theoretical foundations of Voegelin's writings Heilke's gripping analysis and compelling conclusions

demonstrate how his subject was primarily a philosopher in quest of reality and why no ideological category can grasp the core of such an intellectual journey

A Cloud Across the Pacific Thomas A. Metzger, 2005 This book uncovers the basic contradictions between contemporary China's complex ideological marketplace and Western liberalism It describes and puts into critical context three versions of Western liberalism those of F A Hayek John Rawls and John Dunn three versions of Chinese liberalism those of Yang Kuo shu Li Qiang and Ambrose Y C King two versions of modern Confucian humanism those of Tang Ch n i and Henry K H Woo and various versions of Chinese Marxism including Kao Li k o s in the early 1990s and some of the recent New Left writings It shows that all these Chinese political theories not only Chinese Marxism depend on a number of premises at odds with Western liberalism especially epistemological optimism and an extravagantly optimistic concept of political practicability It also argues that not only these Chinese theories but also Western liberalism have failed to offer adequate normative guidelines for the improvement of political life This study combines a deep understanding of the history of Chinese thought with a strong grasp of modern philosophical trends and an innovative methodology for the description and criticism of political theories It will be useful to students of modern Chinese intellectual history of political philosophy of political culture of the comparative study of cultures and of U S Chinese relations

American Conservatism Bruce Frohnen, Jeremy Beer, Nelson O. Jeffrey, 2014-05-20 A must own title National Review Online American Conservatism An Encyclopedia is the first comprehensive reference volume to cover what is surely the most influential political and intellectual movement of the past half century More than fifteen years in the making and more than half a million words in length this informative and entertaining encyclopedia contains substantive entries on those persons events organizations and concepts of major importance to postwar American conservatism Its contributors include iconic patriarchs of the conservative and libertarian movements celebrated scholars well known authors and influential movement activists and leaders Ranging from abortion to Zoll Donald Atwell and written from viewpoints as various as those which have informed the postwar conservative movement itself the encyclopedia's more than 600 entries will orient readers of all kinds to the people and ideas that have given shape to contemporary American conservatism This long awaited volume is not to be missed

Revolt Against Modernity Leo Strauss Eric Voegelin And The Search For A Postliberal Order Introduction

In the digital age, access to information has become easier than ever before. The ability to download Revolt Against Modernity Leo Strauss Eric Voegelin And The Search For A Postliberal Order has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a

professional seeking research papers, the option to download Revolt Against Modernity Leo Strauss Eric Voegelin And The Search For A Postliberal Order has opened up a world of possibilities. Downloading Revolt Against Modernity Leo Strauss Eric Voegelin And The Search For A Postliberal Order provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Revolt Against Modernity Leo Strauss Eric Voegelin And The Search For A Postliberal Order has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Revolt Against Modernity Leo Strauss Eric Voegelin And The Search For A Postliberal Order. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Revolt Against Modernity Leo Strauss Eric Voegelin And The Search For A Postliberal Order. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Revolt Against Modernity Leo Strauss Eric Voegelin And The Search For A Postliberal Order, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Revolt Against Modernity Leo Strauss Eric Voegelin And The Search For A Postliberal Order has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Revolt Against Modernity Leo Strauss Eric Voegelin And The Search For A Postliberal Order Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Revolt Against Modernity Leo Strauss Eric Voegelin And The Search For A Postliberal Order is one of the best book in our library for free trial. We provide copy of Revolt Against Modernity Leo Strauss Eric Voegelin And The Search For A Postliberal Order in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Revolt Against Modernity Leo Strauss Eric Voegelin And The Search For A Postliberal Order. Where to download Revolt Against Modernity Leo Strauss Eric Voegelin And The Search For A Postliberal Order online for free? Are you looking for Revolt Against Modernity Leo Strauss Eric Voegelin And The Search For A Postliberal Order PDF? This is definitely going to save you time and cash in something you should think about.
