Revolt In Paradise K'tut Tantri, 2016-03-28 The true life adventure of a Western woman who found happiness in Bali then stayed on in Indonesia to help in the struggle for freedom The great granddaughter of a witch from the Isle of Man the adopted daughter of a Balinese rajah hostess of one of the most glamorous hotels in the Far East a prisoner of the Japanese for two horror packed years and as Surabaya Sue an ardent supporter of the Indonesian revolution K tut Tantri is well acquainted with the unexpected Adventure and courage run strong in her blood It was in a Hollywood movie theater that she first discovered Bali and knew it for the place where she belonged She had hoped to live and paint there quietly among the island s simple people but destiny in the form of a stalled car and a delightful young prince took a hand and revised her plans She was formally adopted by the prince s father and though she came to know the peasants of the Balinese kampongs she knew also and intimately the life of a Balinese palace with all its ritual and tradition This world lasted for only a few years With war come the Japanese presumably as deliverers overthrowing Dutch rule but in reality as tyrants K tut Tantri stayed on to join the underground movement agitating for Indonesian independence and was eventually captured imprisoned tortured Then with the end of hostilities she chose once again to ally herself with the Indonesians this time in their resistance against the British and the returning Dutch A friend of the leaders around Sukarno she was instrumental in getting the Indonesian story to the outside world and on several occasions she lent herself to enterprises requiring the combined talents of Mata Hari and T E Lawrence K tut Tantri has an observant eye an understanding knowledge and she writes with spirit Her story is a deeply moving personal drama and a vivid commentary on a period of crucial change in an ancient romantic country

War Crimes in Japan-Occupied Indonesia J. Kevin Baird, Sangkot Marzuki, 2015-05-15 Shortly after Pearl Harbor the Japanese Imperial Army invaded the Dutch East Indies now known as Indonesia A deceitful campaign promoting Asian brotherhood recruited and coerced young Indonesian men to support the Japanese occupation with the sinister outcome that several million of them were worked to death or summarily killed as expendable slave laborers or romusha as they were called While many romusha disappeared from the record nine hundred were known victims of a brutal and immoral medical experiment perpetuated by an increasingly desperate Imperial Japan In anticipation of a land assault the Japanese needed a

means to protect their troops from tetanus and they used these nine hundred men as human guinea pigs to test an insufficiently vetted vaccine Within days all nine hundred suffered the protracted agonizing death of acute tetanus With the Allied forces poised for victory the Japanese needed a scapegoat for this well documented incident if they were to avoid war crimes prosecution They brutally tortured Achmad Mochtar a native Indonesian and renowned scientist along with his colleagues at the Eijkman Institute in Batavia now Jakarta until Mochtar signed a confession to the murders in exchange for the liberty of his fellow scientists The Japanese beheaded Mochtar weeks before the war ended War Crimes in Japan Occupied Indonesia unravels the deceit of the Japanese Army the reasons for the mass murder of the romusha and Mochtar s heroic role in these tragic events The end result finds justice for Mochtar and reveals the true extent of one of the least recognized war crimes of World War II

The Romance of K'tut Tantri and Indonesia Timothy Lindsey, 2008 This historiographic study of K tut Tantri alias Vannen Walker the journalist from the Isle of Man Muriel Pearson the unhappy wife and Surabaya Sue the notorious revolutionary compares her romantic and colorful autobiography *Revolt in Paradise* with other versions of her past including those of her fellow Bali colonists and her revolutionary comrades as well as her foes the Dutch and various intelligence organizations These alternative accounts of her past question the image of K tut Tantri as hero portraying her instead as dishonest unstable egotistical and immoral Such criticisms have overshadowed proper recognition of her role in the development of modern Indonesia both as a bohemian hotelier in between wars Bali and later as propaganda broadcaster and adviser to Indonesian revolutionary leaders including Soekarno Sutomo and Syarifuddin Focusing on the nature of biography and autobiography this book analyses K tut Tantri s self defeating battle to use history in text and film script to define her identity and reappropriate her past An examination of the use of ideas of truth and fiction in understanding the past leads to broader consideration of the nature of history and its uses Finally an attempt is made to reconcile the deconstruction of K tut Tantri s autobiography with both an acceptance of the validity of alternative historical genres and an acceptance of the problems inherent in writing a history of a living person

Dutch Culture Overseas Frances Gouda, 2008 European colonial expansion led to Dutch notions of civilised society or the Dutch s community s flexible and relatively charitable attitudes toward others being scattered as in the Greek word diaspeirein to the four corners of the earth In some cases the exportation of Dutch cultural values to places overseas like North America endowed Dutchness with subtle new meanings But in colonial Indonesia Dutch political customs and traditions were transformed in the process of migrating to exotic locales In this book Frances Gouda examines the ways in which the Netherlands portrayed its unique colonial style to the outside world Why were citizens of a small and politically insignificant European nation able to represent as natural and normal their dominance over ancient civilizations on islands such as Java and Bali How did Dutch colonial residents explain

the cultural differences between themselves and the supposedly primitive peoples of the Indonesian archipelago In trying to understand the gendering practices of colonial governance in the Netherlands East Indies Gouda also explores the interactions of Dutch and Indonesian women with European men FRANCES GOUDA earned a Ph D in history from the University of Washington in Seattle in 1980 She is currently professor of history and gender studies in the Political Science Department of the University of Amsterdam
