head of the Arab revolt in the Arabian Desert At the time the Arabs were loosely affiliated tribal and disunited even the most senior Prince Faisal did not command uniform loyalty and most firmly under the heel of the organized Turks of the Ottoman Empire With the Turkish declaration of War against the Allies the British set about seeing if they could raise ferment and revolt on the long desert flank of their enemy They sent the then Lieutenant Lawrence a bookish classist and archaeologist but with knowledge of the area and the language of the Arabs to be part of the British Mission He had suddenly found his element among the Arabs who were captivated by his dashing inspired leadership as he led them from victory to victory over their oppressors El Orens as he was known to his men became front page news in England and around the world a merciful antidote to the long casualty lists from the mud of Flanders Lawrence wrote of his experiences with the British military mission first as *The Seven Pillars of Wisdom* but finding it to be a huge and cumbersome work with many snap judgements that he had reason to regret he edited his memoirs to form the more readable *Revolt in the Desert* The result is a marvellous work filled with the action hardship and privation of the desert campaigns that made him a legend as Lawrence of Arabia

Revolt in the Desert Thomas Edward Lawrence,1993 *Revolt in the Desert* Henry Miller,1965 *Revolt in the Desert* T. E. Summertime 1955 The result is an in depth examination of the director in cultural historical and cinematic contexts Lean s approach to filmmaking was far different than that of many of his contemporaries He chose his films carefully and as a result directed only sixteen films in a period of more than forty years Those films however have become some of the landmarks of motion picture history Lean is best known for his epics but Phillips also focuses on Lean s successful adaptations of famous works of literature including retellings of plays such as Brief Encounter 1945 and novels such as Great Expectations 1946 Oliver Twist 1948 and A Passage to India 1984 From expansive studies of war and strife to some of literature s greatest high comedies and domestic dramas Lean imbued all of his films with his unique creative vision Few directors can match Lean s ability to combine narrative sweep and psychological detail and Phillips goes beyond Lean s epics to reveal this unifying characteristic in the director s body of work Beyond the Epic is a vital assessment of a great director s artistic process and his place in the film industry **Sunset** ,1926 **Standard Catalog Bimonthly** H.W. Wilson Company,1926
