Revolution In The Village Tradition And Transformation In North Vietnam 1925 1988:

Revolution in the Village Hy V. Luong, 1992 **The Vietnam War** Jayne Susan Werner, Luu Doan Huynh, 1993-03-31 In addition to Jayne Werner and Luu Doan Huynh the contributors are Mark Bradley William Duiker David Elliott Kristin Pelzer George Vickers James Harrison George Herring Ronald Spector Paul Joseph Jeffrey Clarke Ngo Vinh Long Benedict Kiernan Marilyn Young David Hung Keith Taylor and Tran Van Tra Hanoi's Road to the Vietnam War, 1954-1965 Pierre Asselin, 2013-08-02 Hanoi's Road to the Vietnam War opens in 1954 with the signing of the Geneva accords that ended the eight year long Franco Indochinese War and created two Vietnams In agreeing to the accords Ho Chi Minh and other leaders of the Democratic Republic of Vietnam anticipated a new period of peace leading to national reunification under their rule they never imagined that within a decade they would be engaged in an even bigger feud with the United States Basing his work on new and largely inaccessible Vietnamese materials as well as French British Canadian and American documents Pierre Asselin explores the communist path to war Specifically he examines the internal debates and other elements that shaped Hanoi's revolutionary strategy in the decade preceding U S military intervention and resulting domestic and foreign programs Without exonerating Washington for its role in the advent of hostilities in 1965 Hanoi's Road to the Vietnam War demonstrates that those who directed the effort against the United States and its allies in Saigon were at least equally responsible for creating the circumstances that culminated in arguably the most tragic conflict of the Cold War era

Driven by Growth James William Morley, 2015-04-08 A thoroughly revised and updated edition of the highly regarded 1993 book *Driven by Growth* this work presents the political economic evolution of the Asia Pacific countries with overviews of the impact of economic development on political change This new edition now includes chapters on Burma and Vietnam New authors have been added and all the original chapters have been revised **Imperial Policy and Southeast Asian Nationalism** Hans Antlov, Stein Tonnesson, 2013-10-08 Traditionally the tumultuous period 1930 50 in South East Asia has been viewed as a dichotomy of European vs Asian or imperialist vs nationalist This highly acclaimed volume presents another triangular perspective and challenges established wisdom about the period *Ritual, Heritage and Identity* Christiane Brosius, Karin M. Polit, 2020-11-29 This book explores the importance of ritual and ritual theory to discourses of authenticity and originality thereby deepening our insight into concepts of cultural heritage identity and nation in a globalised world The volume is the first interdisciplinary attempt to understand the significance of rituals and related performative traditions in the creation of grounded cultural identities home and heritage as geographically experienceable locations It assembles perspectives from social and cultural anthropology performance studies education and arts that can deal with the politics of revitalisation and preservation of ritualised traditions While some chapters in this book emphasise on the ritualisation of cultural heritage by concentrating on power relations and politics as well as actual processes of identification especially for marginalised ethnic groups or migrant communities others explore how rituals as intangible heritage are strategically

employed by different groups all over the world to make their claims public and to improve and negotiate their position on a local national or global platform This book recognises ritualised performances as transnational and cross cultural phenomena which are not only tied to and defined via national territories and identities but which also demand new theoretical and methodological approaches towards the discussion of rituals and heritage Fragments of the Present Philip

Taylor,2001-01-01 This book explores in anthropological terms the cultural identity of the people of the Vietnamese South since the Vietnam War ended The author describes southern Vietnam s postwar history the impact of political and economic changes policies towards music and popular culture shifts in state ideology and the contrasting fortunes of urban and rural communities Philip Taylor spent a considerable time in a Mekong delta village undertaking ethnographic research into rural cultural identity He describes the villagers view of history and their sense of present decline contrasting this with state and urban interpretations of the southern region s modernity over the same period *Victory at Any Cost* Cecil B.

Currey,2022-03-04 Many people do not understand why America lost the Viet Nam War Author Cecil B Currey makes one primary reason clear North Viet Nam s Senior Gen Vo Nguyen Giap Victory at Any Cost tells the full story of the man who fought three of the world s great powers and beat them all Vietnam's American War Pierre Asselin,2024-06-13 The American war in Vietnam was so much more than the sum of its battles To make sense of it we must look beyond the conflict itself We must understand its context and above all the formative experiences worldview and motivations of those who devised communist strategies and tactics Vietnam s American War now in its second edition remains a story of how and why Hanoi won However this revised and expanded edition offers more extensive and nuanced insights into Southern Vietnamese history politics and society It puts to rest the myth of Vietnamese national unity by documenting the myriad profound local fractures exacerbated by US intervention It also includes over thirty five new images intended to highlight that the Vietnam War was fundamentally a Vietnamese civil war and tragedy This new edition is as richly detailed as it is original eye opening and absorbing **Vietnam's Post-1975 Agrarian Reforms** Trung Dang,2018-04-17 This book investigates why

collectivised farming failed in south Vietnam after 1975 Despite the strong will of the new regime to implement collectivisation the effort was uneven misapplied and subverted After only 10 years of trying the regime annulled the policy Focusing on two case studies Qu ng Nam province in the Central Coast region and An Giang province in the Mekong Delta and based on extensive evidence this study argues that the reasons for variations in implementation and the failure and reversal of the policy were twofold regional differences and local politics *Social Inequality in Vietnam and the Challenges to Reform* Philip Taylor,2004 This book illustrates the changing ways in which people have accumulated wealth social and cultural capital in Vietnam s move from a socialist to a market oriented society *Historical Dictionary of Vietnam* Bruce M. Lockhart,William J. Duiker,2006-02-27 Vietnam became part of French Indochina in 1887 and did not regain its independence again until after the Vietnam War However despite a relatively peaceful two decades the country experienced

little economic growth because of conservative leadership policies In an effort to change this stagnation Vietnamese authorities have committed to economic liberalization and enacted structural reforms needed to modernize the economy and to produce more competitive export driven industries The third edition of this dictionary focuses on the recent changes and leadership of Vietnam while giving due attention to the earlier kingdoms the period of French Indochina the wars for liberation the Vietnam War and much more Hundreds of cross referenced A to Z dictionary entries are included on political economic social and cultural aspects as well as the major cities and geographic features This book also contains a chronology and introduction that traces Vietnam s history as well as a bibliography **The A to Z of Vietnam** Bruce M.

Lockhart,William J. Duiker,2010 The A to Z of Vietnam focuses on the recent changes and leadership of Vietnam while giving due attention to the earlier kingdoms the period of French Indochina the wars for liberation the Vietnam War and much more Hundreds of cross referenced A to Z dictionary entries are included on political economic social and cultural aspects as well as the major cities and geographic features This book also contains a chronology and introduction that traces Vietnam s history as well as a bibliography **Frontier Livelihoods** Sarah Turner,Christine Bonnin,Jean Michaud,2015-05-01 Do

ethnic minorities have the power to alter the course of their fortune when living within a socialist state In Frontier Livelihoods the authors focus their study on the Hmong known in China as the Miao in the Sino Vietnamese borderlands contending that individuals and households create livelihoods about which governments often know little The product of wide ranging research over many years Frontier Livelihoods bridges the traditional divide between studies of China and peninsular Southeast Asia by examining the agency dynamics and resilience of livelihoods adopted by Hmong communities in Vietnam and in China s Yunnan Province It covers the reactions to state modernization projects among this ethnic group in two separate national jurisdictions and contributes to a growing body of literature on cross border relationships between ethnic minorities in the borderlands of China and its neighbors and in Southeast Asia more broadly *Voices on the Loss of*

National Independence in Korea and Vietnam, 1890-1920 William F. Pore,2021-06-21 This book fills a long recognized need for a comparative study of the anti colonial movements in two countries not commonly combined within the same historical context Different though Korea and Vietnam are in several ways they both shared pasts that were similarly formative in molding the lives careers and thought of the two protagonists examined here The book reveals how they not only dealt with the realities of their time but also how through history philosophy experience emotion and imagination they came to deal with their countries condition and to envision the future and an alternative world order that have pertinence today *State*

,1994 **Contested Territory** Christian C. Lentz,2019-04-23 The definitive account of one of the most important battles of the twentieth century and the Black River borderlands transformation into Northwest Vietnam This new work of historical and political geography ventures beyond the conventional framing of the Battle of i n Bi n Ph the 1954 conflict that toppled the French empire in Indochina Tracking a longer period of anticolonial revolution and nation state formation from 1945 to

1960 Christian Lentz argues that a Vietnamese elite constructed territory as a strategic form of rule Engaging newly available archival sources Lentz offers a novel conception of territory as a contingent outcome of spatial contests

Newsletter United States. Department of State,1994 *Living with Uncertainty* Setsuko Shibuya,2016-04-29 This book is one of the first ethnographies written on the life of farmers in rural Southern Vietnam since the economic reform in the 1980s It investigates how social economic and political factors affect the farmers life in the Mekong Delta in the late socialist era with a particularly focus on the family which serves as the basic and most significant social unit for the farmers Dealing with classical anthropological topics of kinship and family the book examines them as dynamic institutions With vivid illustrations of the village life family farming education of children jobs outside of farming and everyday politics it presents new and different pictures of the current Vietnamese family under rapid social changes The book will contribute to the current ethnographical research in Vietnam and Southeast Asia and also be of particular interest to those working on society and culture in the geographical region from broader disciplines It will also appeal to readers who are interested in such topics as late socialism social transformation and rural development Words, Worlds, and Material Girls Bonnie S. McElhinny,2008-12-10 This wide ranging volume explores how gender and language are used and transformed to discuss enact and project social differences in light of global economic and political changes in the late nineteenth twentieth and early twenty first centuries It presents analyses of language and gender from a broad spectrum of national contexts Catalonia Canada China India Japan Nigeria Vietnam Philippines Tonga and the United States Cases studies consider language and gender in changing workplaces schools and immigrant integration workshops as well as in new and emerging sites for consumption and the production of identity They also analyze the changing meanings of multilingualism and the construction of ideologies about gender and language in colonial and postcolonial national ideologies The papers engage with and contribute to theoretical conceptualizations of globalization cosmopolitanism post colonialism trans nationalism and public spheres by drawing on a variety of sociolinguistic analytic strategies variation analysis media analysis interactional sociolinguistics ethnography of speaking sociology of language colonial discourse analysis
