Revolution To Revolution Jamaf Ateislami In The Politics Of Pakistan:

Revolution to Revolution A. Rashid Moten, 2002-01-01 The author pinpoints various milestones in the transformation of the Jamaat-e-Islami of Pakistan from a quietist revivalist organization to an active political party and a mass revolutionary movement. He analyzes the relationship between the elite structure and the transformation of the Jamaat and assesses its impact upon the organization and upon the society as a whole. The book will be of interest to scholars and activists of Islamic political movements and to those concerned with the teaching and learning of Islamic political thought and institutions.

The Vanguard of the Islamic Revolution Seyyed Vali Reza Nasr, 1994-09-23 In this groundbreaking study Seyyed Vali Reza Nasr examines the origins, historical development and political strategies of one of the oldest and most influential Islamic revival movements, the Jamaat-e-Islami of Pakistan. He focuses on the inherent tension between the movement's idealized vision of the nation as a holy community based in Islamic law and its political agenda of socioeconomic change for Pakistani society. Nasr's work goes beyond the exploration of a single party to examine the diverse sociopolitical roots of contemporary Islamic revivalism, challenging many of the standard interpretations about political expressions of Islam. Publisher description

The Vanguard of the Islamic Revolution Seyyed Vali Reza Nasr, 1994 At a time when Islamic revival movements in many countries make headlines, it is vital to note that Islamic revivalism is not at all a new phenomenon nor is it simple and monolithic as it is often portrayed. In this groundbreaking study Seyyed Vali Reza Nasr examines the origins, historical development and political strategies of one of the oldest and most influential Islamic revival movements, the Jamaat-e-Islami of Pakistan.

Saxena (Professor of Political Science), 2015 Jihad, an Islamic term, is a religious duty of Muslims. In Arabic, the word *jihad* translates as a noun meaning struggle. The word *jihad* appears in 23 Quranic verses. Within the context of the classical Islam, particularly the Shiahs' beliefs, it refers to struggle against those who do not believe in the Abrahamic God, Allah. However, the word has even wider implications. Jihad means to struggle in the way of Allah. Jihad appears 41 times in the Quran and frequently in the idiomatic expression *striving in the way of God* (*al-jihad fi sabil Allah*). A person engaged in jihad is called a *mujahid*; the plural is *mujahideen*. Jihad is an important religious duty for Muslims. A minority among the Sunni scholars sometimes refer to this duty as the sixth pillar of Islam, though it occupies no such official status. In Twelver Shia Islam, however, Jihad is one of the 10 Practices of the Religion. Ahmadi Muslims consider only defensive jihad to be permissible while
