Revolution In Family Values:

Sexual Revolutions G. Hekma, A. Giami, 2014-05-13 Sexual Revolutions explores the sexual revolution of the late twentieth century in several European countries and the USA by engaging with themes from sexual freedom and abortion to pornography and sexual variation This work discusses the involvement of youth feminism left liberalism arts science and religion in the process of sexual change

Policing the Revolution Rebecca Hanson, 2025 Since the mid 2000s Venezuela has been ranked one of the most violent countries in the world as homicides and police violence skyrocketed Much has been written about the country's turn to Chavismo but scholarship has ignored what will perhaps be the revolution's most important legacy how Chavista policies transformed coercive power and the security landscape In Policing the Revolution Rebecca Hanson provides the first in depth analysis of policing and security policies during the Bolivarian Revolution in Venezuela focusing on the experiences of three groups police officers police reformers and residents of neighborhoods most affected by violence Drawing on ethnographic interview and survey research collected over ten years she analyzes how security policies within the context of the pink tide and later turn to authoritarianism contributed to the expansion of lateral violence and the pluralization of non state violent actors Far from the always already authoritarian project proposed by many scholars and pundits Hanson shows that the Bolivarian Revolution was defined by highly contested and contrasting visions of security that resulted in a fragmented and inconsistent ordering of state and society Moreover by pairing the vantage point of street level police officers with that of ordinary barrio residents she provides a unique analysis of how insecurity during revolution was experienced from below Rethinking the relationship between revolution violence and state building this book is essential reading to understand how and why violence increased so dramatically in Venezuela in the twenty first century

Revolution and the Word Cathy N. Davidson, 2004-09-30 Revolution and the Word is the classic study of the co emergence of the U S nation and the new literary genre of the novel The book remains the foundational study of reading writing and publishing in the new republic and provides a unique glimpse of the culture of early America By looking at everything from publishers account books to marginalia scrawled in eighteenth century books to the novels themselves Revolution and the Word provides an engaging social history of early American readership that is also informed by the most insightful aspects of literary theory With a backward glance at the culture wars and prognostications for what lies ahead the comprehensive introduction of this expanded edition reframes Revolution and the Word for a new generation of scholars It revisits topics of dissent in the early national period the status of the Constitution as a document designed to quell the still burning passions of the American Revolution and the role played by the novel in publicizing and articulating complex desires not addressed at the Constitutional Convention Cathy N Davidson provides readers with a survey and critique of the controversial and productive thought in cultural social and political theory as it has evolved during the last twenty years This astute and learned assessment of recent developments in literary and historical scholarship colonial and postcolonial studies race theory gender

and sexuality theory class studies cultural studies and history of the book will make *Revolution and the Word* as urgent for this generation as it was for its original readers in 1986

Merry Laughter and Angry Curses Juan Wang, 2012-10-23 The end of the Qing dynasty in China saw an unprecedented explosion of print journalism By the turn of the twentieth century not only had Chinese owned newspapers become more influential than anyone could have anticipated but it was the supposedly frivolous xiaobao the little or minor papers that captivated and empowered the public *Merry Laughter and Angry Curses* reveals how the late Qing era tabloid press became the voice of the people As periodical publishing reached a fever pitch tabloids had free rein to criticize officials mock the elite and scandalize readers Tabloid writers produced a massive amount of anti establishment literature whose distinctive humour and satirical style were both potent and popular This book shows the tabloid community to be both a producer of meanings and a participant in the social and cultural dialogue that would shake the foundations of imperial China and lead to the 1911 Republican Revolution

Jacob Green's Revolution S. Scott Rohrer, 2014-09-10 Part biography and part microhistory Jacob Green's *Revolution* focuses on two key figures in New Jersey's revolutionary drama Jacob Green a radical Presbyterian minister who advocated revolution and Thomas Bradbury Chandler a conservative Anglican minister from Elizabeth Town who was a leading loyalist spokesman in America Both men were towering intellects who were shaped by Puritan culture and the Enlightenment and both became acclaimed writers and leading figures in New Jersey Green for the rebelling colonists Chandler for the king Through their stories this book examines the ways in which religion influenced reform during a pivotal time in American history

History, Women and Gender in the Modern Middle East Lisa Pollard, Mona L. Russell, 2023-12-20 This introductory text explores the gendered history of the modern Middle East from the eighteenth century to the present studying the various ways in which gender has defined the region and shaped relations in the modern era The book captures three aspects of change simultaneously the events that mark the modern Middle East women's encounters with the transition to modernity and gendered responses to modernity It contains both new fieldwork and a synthesis of secondary scholarship that highlight the role of gender in the modernization of Egypt Turkey Iran the Levant and the Persian Gulf states Chapters are organized chronologically to chart the rapid developments of the modern era but each chapter also stands on its own with coverage of masculinity and femininity sexuality marriage and the family labor and women's contributions to Arab Spring uprisings Through this comprehensive account the book pushes back on stereotypes that the Middle East is an ahistorical region and that women have not been vital actors in the process of change Richly illustrated and accessible for a variety of readers *History Women and Gender in the Modern Middle East* is an ideal resource for undergraduate and postgraduate students in gender studies and Middle Eastern history

Gender, Household and State in Post-Revolutionary Vietnam Jayne Werner, 2009-01-21 Examining gender in post revolutionary Vietnam focusing in particular on gender relations in both the family and state since the onset of economic reform in 1986 this book argues that as in the socialist era current gender relations bear the imprint of

state gender policies and discourses *Language and Revolution* Igal Halfin, 2004-08-02 This work examines the role of language in forging the modern subject Focusing on the idea of the New Man that has animated all revolutionaries the present volume asks what it meant to define oneself in terms of one's class origins gender national belonging or racial origins

The Childless Revolution Madelyn Cain, 2013-11-22 Whether childless by choice by chance or by happenstance women without children today are alternately pitied and scorned and are rarely asked directly about the reasons for and their comfort with childlessness Asking the right questions Madelyn Cain thoughtfully uncovers the reasons for childlessness from biological to economic and even political and explores the ramifications for both the individual and society Simultaneously compassionate and journalistically curious *The Childless Revolution* is informed by the stories of over 100 childless or self-proclaimed childfree women at long last giving voice to their experience and validating the jumble of emotions most feel about being part of this misunderstood population The first book to put a face on these women who cannot conceive or for reasons as varied as womanhood itself have chosen not to *The Childless Revolution* dispels fears removes ignorance and corrects misconceptions about the ever growing group of women without children in our midst *The Revolution is for the*

Children Anita Casavantes Bradford, 2014 *Revolution Is for the Children* The Politics of Childhood in Havana and Miami 1959-1962 **A State of Darkness: Resisting Entropy in the Modern World** Pasquale De Marco, 2025-04-25 In a world

besieged by moral relativism cultural decay and the erosion of traditional values Pasquale De Marco offers a clarion call to defend the permanent things Drawing on history philosophy and literature he exposes the enemies of our civilization and shows us how to resist their destructive ideologies *A State of Darkness: Resisting Entropy in the Modern World* is a passionate and erudite defense of the values that have made Western civilization great Pasquale De Marco argues that these values including individual liberty limited government the rule of law and free markets are under attack from a variety of forces including secularism multiculturalism and globalism Pasquale De Marco shows how these ideologies have led to a decline in civility a loss of faith and a rise in nihilism He argues that we must reclaim our cultural heritage and restore the permanent things to their rightful place if we want to save our civilization from collapse This book is a must read for anyone who is concerned about the future of Western civilization It is a powerful and persuasive call to arms that will inspire readers to fight for the values that they hold dear Pasquale De Marco is a leading public intellectual and a fearless defender of Western civilization He has written extensively on the topics of culture politics and religion His work has been praised by critics and readers alike for its clarity erudition and passion In *A State of Darkness: Resisting Entropy in the Modern World* Pasquale De Marco has produced his most important work to date This book is a tour de force that will change the way you think about the world It is a must read for anyone who wants to understand the challenges facing our civilization and how to overcome them If you like this book write a review on google books *The Fourth Revolution* Robert V. Daniels, 2013-01-11 The USA has been going through a new kind of revolution which though it did not literally overthrow the government

transformed racial gender and other social relationships and bequeathed the deep divisions now felt in the nation's politics and culture *Christian Values* James Ian H. McDonald, 1995-06-01 An exciting introduction to the theory and practice of Christian ethics in the contemporary world *The Gender/sexuality Reader* Roger N. Lancaster, Micaela Di Leonardo, 1997

Textbook on gender **Rick Steves Travel as a Political Act** Rick Steves, 2014-10-21 Travel connects people with people. It helps us fit more comfortably and compatibly into a shrinking world and it inspires creative new solutions to persistent problems facing our nation. We can't understand our world without experiencing it. Rick Steves Travel as a Political Act helps us take that first step. There's more to travel than good value hotels, great art, and tasty cuisine. Americans who travel as a political act can have the time of their lives and come home smarter with a better understanding of the interconnectedness of today's world and just how our nation fits in. In the second edition of this award-winning book, acclaimed travel writer Rick Steves explains how to travel more thoughtfully to any destination. With updated information on Europe, Central America, and Asia, an expanded discussion of the Middle East, and a brand new chapter on the Holy Land that covers Israelis and Palestinians today, Rick shows readers how his travels have shaped his politics and broadened his perspective. The royalties from the sale of this edition will be donated by Rick Steves to Bread for the World, a Christian organization working to end hunger around the world.

Encyclopedia of Chinese Film Zhiwei Xiao, Yingjin Zhang, 2002-06-01 The Encyclopedia of Chinese Film, one of the first ever encyclopedias in this area, provides alphabetically organized entries on directors, genres, themes, and actors and actresses from mainland China, Hong Kong, and Taiwan, as well as 300 film synopses. Great care has been taken to provide solid cultural and historical context to the facts. The alphabetical entries are preceded by a substantial historical section incorporating material on the main studios and analysing the impact of Chinese film abroad as well as at home in recent years. This Encyclopedia meets the needs equally of the film studies scholar, the student of Chinese culture, the specialist in Chinese film, the curious viewer wanting to know more. Additional features include comprehensive cross references and suggestions for further reading, a list of relevant websites, a chronology of films, and a classified contents list, three indexes: one of film and TV titles with directors' names and year of release, one of names including actors, writers, directors, and producers, and one of studios, all with pinyin romanizations, a glossary of pinyin romanizations, Chinese characters, and English equivalents to aid the specialist in moving between Chinese titles and English translations.

Counterrevolution Melinda Cooper, 2024-03-26 A thorough investigation of the current combination of austerity and extravagance that characterizes government spending and central bank monetary policy. At the close of the 1970s, government treasuries and central banks took a vow of perpetual self-restraint. To this day, fiscal authorities fret over soaring public debt burdens while central bankers wring their hands at the slightest sign of rising wages. As the brief reprieve of coronavirus spending made clear, no departure from government austerity will be tolerated without a corresponding act of penance. Yet we misunderstand the scope of neoliberal public finance if we assume austerity to be its sole setting. Beyond the

zero sum game of direct claims on state budgets lies a realm of indirect government spending that escapes the naked eye. Capital gains are multiply subsidized by a tax system that reserves its greatest rewards for financial asset holders. And for all its airs of haughty asceticism the Federal Reserve has become adept at facilitating the inflation of asset values while ruthlessly suppressing wages. Neoliberalism is as extravagant as it is austere and this paradox needs to be grasped if we are to challenge its core modus operandi. Melinda Cooper examines the major schools of thought that have shaped neoliberal common sense around public finance. Focusing in particular on Virginia school public choice theory and supply side economics she shows how these currents produced distinct but ultimately complementary responses to the capitalist crisis of the 1970s. With its intellectual roots in the conservative Southern Democratic tradition Virginia school public choice theory espoused an austere doctrine of budget balance. The supply side movement by contrast advocated tax cuts without spending restraint and debt issuance without guilt in an apparent repudiation of austerity. Yet for all their differences the two schools converged around the need to rein in the redistributive uses of public spending. Together they drove a counterrevolution in public finance that deepened the divide between rich and poor and revived the fortunes of dynastic wealth. Far reaching as the neoliberal counterrevolution has been Cooper still identifies a counterfactual history of unrealized possibilities in the capitalist crisis of the 1970s. She concludes by inviting us to rethink the concept of revolution and raises the question: Is another politics of extravagance possible?

China's Revolutions and Intergenerational Relations Martin Whyte, 2020-08-06. China's Revolutions and Intergenerational Relations counters the widely accepted notion that traditional family patterns are weakened by forces such as economic development and social revolutions. China has experienced wrenching changes on both the economic and the political fronts yet from the evidence presented here the tradition of filial respect and support for aging parents remains alive and well. Using collaborative surveys carried out in 1994 in the middle sized industrial city of Baoding and comparative data from urban Taiwan the authors examine issues shaping the relationships between adult Chinese children and their elderly parents. The continued vitality of intergenerational support and filial obligations in these samples is not simply an instance of strong Confucian tradition trumping powerful forces of change. Instead and somewhat paradoxically the continued strength of filial obligations can be attributed largely to the institutions of Chinese socialism forged in the era of Mao Zedong. With socialist institutions now under assault in the People's Republic of China the future of intergenerational relations in the twenty first century is once again uncertain.

The Cultural Revolution and Overacting Tuo Wang, 2014-09-24. The Great Proletarian Cultural Revolution which took place in China between 1966 and 1976 was a major political and social tragedy in Chinese history. As part of an effort to understand how the state enforced control amid seeming chaos this book looks at the ubiquitous revolutionary presentations and performances of power such as political rituals, revolutionary rhetoric and public gatherings in people's everyday lives during the Cultural Revolution as performances that contributed to the control of the Chinese people. In particular this book discusses how the promotion of revolutionary models

in real life contributed to people's eagerness to perform the role of the ideal revolutionary and how the possibility of complete revolutionary transformation promoted by the state media and the hard fact that no one was able to completely become a Maoist subject who would be completely selfless and think and speak only Maoist teaching subjected people to a state of becoming but never fully having become. The fear of failing in the Maoist transformation constituted the inner mechanism that propelled ordinary people's radical revolutionary behavior. In addition, this book examines the audience's reaction to Jiang Qing's court performance in the trial of the Gang of Four as an anarchic liberation from the revolutionary performance of the Cultural Revolution. Utilizing methodologies of cultural anthropology, linguistics, acting theory, and literary criticism, this book reveals how people's performances of their everyday life functioned as mechanisms of social control.

Revolution and the Word : The Rise of the Novel in America Cathy N. Davidson Professor of English Duke University, 1987-02-19

Revolution and the Word offers a unique perspective on the origins of American fiction, looking not only at the early novels themselves but at the people who produced them, sold them, and read them. It shows how, in the aftermath of the American Revolution, the novel found a special place among the least privileged citizens of the new republic. As Cathy N. Davidson explains, early American novels, most of them now long forgotten, were a primary means by which those who bought and read them, especially women and the lower classes, moved into the higher levels of literacy required by a democracy. This very fact, Davidson shows, also made these people less amenable to the control of the gentry, who naturally enough derided fiction as a potentially subversive genre. Combining rigorous historical methods with the newest insights of literacy theory, Davidson brilliantly reconstructs the complex interplay of politics, ideology, economics, and other social forces that governed the way novels were written, published, distributed, and understood. Davidson also shows, in almost tactile detail, how many Americans lived during the Constitutional era. She depicts the life of the traveling book peddler, the harsh lot of the printer, the shortcomings of early American schools, the ambiguous politics of novelists like Brackenridge and Tyler, and the lost lives of ordinary women like Tabitha Tenney and Patty Rogers. Drawing on a vast body of material, the novels themselves, as well as reviews, inscriptions in cherished books, letters, and diaries, and many other records, Davidson presents the genesis of American literature in its fullest possible context.

Decoding **Revolution In Family Values**: Revealing the Captivating Potential of Verbal Expression

In a period characterized by interconnectedness and an insatiable thirst for knowledge, the captivating potential of verbal expression has emerged as a formidable force.
