Murphy,2019-11-26 When zoning and subdivision ordinances were created in the early 1900s they were two distinct
governmental functions But failure to combine them led to jurisdictions writing contradictory regulations Author Connor
Murphy looks at the standard way subdivision and zoning are presented as separate code titles in most land use regulations
then combines the regulations into a single code title effectively solving long standing problems planners have encountered
Common Sense Zoning makes the planning process accessible and transparent for those who wish to create a more livable
future Professional city planners and others can easily understand land use regulations that simplify Euclidian zoning make
